I recently made repairs to my home without applying for a COA. I wasn't aware that I needed to do so. Because, my Home is located in the Sherman Park Historic District I needed a COA. The City is asking me to replace the set of windows on the upper level to the front of the Home. To do this it will cause me great Financial hardship. I recently replaced the roof and painted the complete Home and made other major repairs. I am on fixed income, I am asking that this be taken in consideration when making your decision.
