Good Morning Tammy & Alderman Bauman,
I apologize I thought I had forwarded you the below response earlier. I did check in with the city attorney and they advised against taking action on an earlier offence. Additionally he followed up and mentioned checking with the CPU team for this police district to try to do some management here? He said that might be more successful than the citations alone?

I apologize I am not more help.
Please let me know if you have other questions.

I would strongly advise against taking additional action based on this earlier report. If we provided the applicant with a course of action and made assurances based on the information we had at the time, I would not advise changing that because of an earlier event that we were not aware of. You can, and probably should, send the applicant notice of this incident, but I don't think you can go back and retroactively punish them for it.

Did that answer your question? I can talk in a bit if I did not.

Subject: FW: Truth Lounge 1111 Old World 3rd Capacity Question

Hey Tyrone,
I am hoping you can help me with something. We have an establishment who has had some compliance issues in the past as it relates to physical distancing, masks, capacity.

8/7/2020 -We did weekend surveillance of Truth Lounge on Friday, August 7th as part of a series of checks (complaint based).

The inspector stated, "On Friday night during our inspections, Truth Lounge at 1111 N Old world Third St was seen operating at almost 100%, no social distancing, masks not being enforced, and 50% occupancy not posted. We did a

verbal warning (educational consult) because they hadn't been talked to yet. We will definitely have to go back to do another check during weekend/late night inspections.

8/15/2020 – weekend inspection- few customers, but in compliance.

Our process at the time for covid related complaints was as follows:

The Process:

Step 1 = If we receive a complaint of non-compliance, we will have a phone conversation advising what the requirements are, talk through any challenges the operator faces gaining compliance, and offer solutions. We let them know we will be spot-checking in the near future for compliance and if not in compliance, a warning letter and subsequent citation could be issued.

Step 2 = We will do an onsite inspection after step 1 to confirm compliance. If the operator is not in compliance, the inspector will notify the operator a warning letter will be mailed stating details about what was observed and on what date.

Step 3 = If another complaint for the same establishment is received we will follow up and check for compliance. If compliance is not witnessed, a citation shall be issued.

This operator has not been issued a Warning Letter yet by MHD as they have been compliant upon our spot check (Step 2) on 8/15. Alderman Bauman's office reached out with the attached information from MPD from an earlier date than our inspections above, when MPD officers were onsite and they were over capacity and also had a large fight/property damage occur on 7/18. They are wondering if further enforcement can be taken due to this earlier compliance issue with capacity?

Can you weigh in? Please let me know if I can clarify anything for you.

Thank you Tammy. If MPD encounters similar experiences going forward for Truth or any other establishment-they can relay that information to us and we can pickup with our progressive enforcement process-the next step for Truth Lounge being a Warning Letter mailed out and then further non compliance would mean a citation and lastly referral to license committee.

Thank you and take care,

Thank you, Carly. FWIW, while MPD was in Truth Lounge on July, 18, 2020 for an unrelated issue, they counted 90 people inside, with about 20 loitering outside.

Their normal non-Covid-19 occupancy is 90; they were at 100% capacity. The previous year (2019), they received a citation for overcapacity (193 people). Letting you know all this as they have had a history of not adhering to occupancy limits.

08/01/2020

This report is being written by P.O. Erik RODRIGUEZ, assigned to District One, Late Power Shift, Squad 1432, with P.O. Lafayette TURMAN.

On Saturday, August 1, 2020, Squad 1432 was monitoring the 1100 block of N Old World Third St. Squad 1432 noticed a argument between two subjects at Truth Lounge, located at 1111 N Old World Third St.

Squad 1432 approached the business as security separated the two subjects. While several security officers employed by Truth Lounge were actively separating the two subjects, one security officer approached Squad 1432 and told us that we weren't needed and repeatedly told us to "leave" including a dismissive hand wave.

Later I spoke with Tino K BATES (B/M, 2-14-72), who was cooperative and informed me that this particular security officer was not a regular. P.O. TURMAN checked the displayed licenses and determined that they were not the current up to date licenses. BATES stated that he would have those updated.

This concludes my report at this time.
