I. INTRODUCTION

A. Background

In 2006, the State of Wisconsin enacted Wis. Stat. §66.1110, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages, and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood improvements and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement district statute.

In 2016 the City of Milwaukee received a petition from property owners which requested creation of a Neighborhood Improvement District for the purpose of revitalizing and improving the Harambee neighborhood area on Milwaukee's near east side. Harambee Neighborhood Improvement District ("Harambee NID") was approved by the Common Council in December of 2016 by Resolution #160894. The NID law requires that every district have an annual Operating Plan to renew the Neighborhood Improvement District. This document is the proposed 2023 Operating Plan for Harambee Neighborhood Improvement District. The NID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The boundary for the Harambee Neighborhood Improvement District ("Harambee NID") encompasses the areas designated Capital Drive on the North, Center Street on the South, I-43 on the West, and Holton Street on the East, excluding properties including in the Historic Martin Luther King Drive Business Improvement District and the Riverworks Business Improvement District, see Appendix B, Map.

The area that is now the Harambee NID was originally settled by German Immigrants moving north from downtown. It was used as mostly farmland and vacation homes until being urbanized later. Since the 1930s, Harambee has been a hub for African American culture and heritage. Originally settled by German immigrants in the 1800s, the African American community grew over the years and reached its height by the 1970s. Harambee was particularly attractive to working class families because of the modest and tidy single-family homes and proximity to downtown.

In the mid-1970s, residents adopted the name Harambee, the Swahili word for pulling together. Harambee's organizing culture is rooted in the civil rights movement. During the 1970s and 1980s, the neighborhood became organized with over one hundred active block

clubs. Residents fought against school and housing segregation, and other forms of institutional racism and divestment facing their community.

Harambee has become a model for urban renewal as residents and community leaders' work together to reduce crime, develop state-of-the-art housing, bring social services and educational programs to the neighborhood, support a flourishing arts community, and provide healthy living options in the heart of the neighborhood. Now, the Harambee NID is home to several thriving businesses, organizations, and families.

The area is anchored by the Clinton & Bernice Rose Park and the new Beerline Trail Extension. Victory Garden Initiative, Groundwork MKE, and Teens Grow Greens provide urban agriculture programming in the area, together with other neighborhood organizations. Habitat for Humanity has constructed many homes in the area since 2007. The area is also home to the Martin Luther King Library, Hope Middle and High Schools, MLK Elementary School, Math & Science Academy, many more amenities.

C. Principal Office & Registered Agent

The Principal Office and Registered Office of the Harambee NID shall be Riverworks Development Corporation. 526 E Concordia Ave, Milwaukee, WI 53212. The Registered Agent of the Harambee NID shall be the Chair of the NID Board or assigned by the Board.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix B of this plan. A listing of the properties included in the district is provided in Appendix C. The description in Section I. B) is a general description of the boundary, the actual boundary is depicted on Appendix B and the actual properties included are on Appendix C. In the event of a discrepancy, Appendix C shall control. The Harambee NID may update Appendix C during each annual Operating Plan. The Boundaries are herein referred to as "Harambee NID Area."

III. PROPOSED OPERATING PLAN

A. Plan Objectives:

The objective of the Harambee NID is to (a) preserve and promote assistance to homeowners and home ownership, (b) create jobs in the area in order to eliminate blight, stabilize the housing stock, and otherwise enhance the Harambee NID.

B. Proposed Activities – 2023:

Principle activities to be engaged in by the district during 2023 operation will include:

1. Assistance to Homeowners, considerations for assistance to Investment Owners and Potential New Homeowners in the District: Harambee Neighborhood Improvement District #7
 - Continue operation of a grant fund (“Grant Fund”) to help homeowners of single-family homes and duplexes in the Harambee NID Area to make modest grants to homeowners in the area to make the following improvements to their properties: energy efficiency improvements, repairs to increase water efficiency, repairs to the structural condition of the property (including roof repairs) and repairs to increase the curb appeal of property (“Improvements”).
 - Starting in 2023, explore opportunities to assistance “Investment Owners” in “Good Standing” of single-family homes and duplexes in the Harambee NID Area to make modest grants to homeowners in the area to make the following improvements to their properties: energy efficiency improvements, repairs to increase water efficiency, repairs to the structural condition of the property (including roof repairs) and repairs to increase the curb appeal of property (“Improvements”).
 - Starting in 2023, support resources for potential new homeowners in the Harambee NID Area.
 - The criteria and types of the grants will continue to be modified by the NID Board to ensure accountability and utilization of the Grant Fund to ensure that the funds are meeting the needs to stabilize the housing market the Harambee NID Area.
 - The Board of Directors of the Harambee NID may at any time amend the amount of each grant, the number of grants, prioritization, and any qualifying criteria.

2. Job Development
 - Improvements made through the grant fund must be made by pre-qualified contractors. In order to qualify, a contractor must be located in the City of Milwaukee and agree that 50% of the contractor’s workforce be from the Harambee NID Area for all improvements paid for from the Fund. The Harambee NID may accept a contractor’s Section 3 status in lieu of the 50% neighborhood workforce requirement. The Board of Directors of the Harambee NID may at any time amend this requirement to ensure accountability and utilization of the Grant Fund.
 - Provide a platform for organizations doing Commercial Revitalization within the Harambee NID Area.

C. Proposed Expenditures - 2023:

Proposed Budget attached as Appendix D. The Harambee NID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

D. Financing Method:

It is proposed to raise approximately \$178,400 through Harambee NID assessments (see Appendix C). Funds will also be pursued from foundations and other fundraising events. The Harambee NID may seek private financing for programming secured by this year's or future operating years of the Harambee NID.

E. Organization of NID Board:

Upon creation of the Harambee NID, the District shall hold annual meetings to elect directors to the District Board (the "Board") consistent with terms of this subsection and the bylaws of the Harambee NID. The Board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry-out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of Harambee NID assessments. State law requires that the board be composed of at least five directors and that all of the board directors be owners or occupants of property within the district. State law requires the local legislative body must set the time and place for a meeting at which directors of the board will be elected and shall publish a class 2 notice under ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election. The Harambee NID Board shall be structured in accordance with the Bylaws, which is consistent with the following.

1. Board Size. The Board shall have at least 5 members, the exact number of which is to be determined by the Common Council of the City of Milwaukee.
2. Composition. All board members shall be owners or occupants of property within the district. The number of board members who represent commercial and residential properties shall be set as close as possible to the proportion of each type of property to the total assessed value of all property in the District. The Board shall elect its Chairperson from among its members.

3. Term. All directors elected to the Board shall serve for a period of one year. Directors may be re-elected.
4. Compensation. No compensation will be given to Board members for attendance at board meetings.
5. Meetings. All meetings of the Board's affairs shall be kept pursuant to public records requirements.
6. Staffing and Office. The Board may employ staff and/or contract for staffing services pursuant to this Operating Plan and subsequent modifications thereof. The Board may also maintain an office for the District, which shall be located within the District.
7. Meetings. The Board shall meet regularly, at least once every 3 months. The Board shall adopt rules of order (by-laws) to govern the conduct of its meetings.
8. Method of Electing Directors to District Board. An annual meeting at which directors of the Board will be elected shall be held on the second Saturday of March of each year in the District's existence. Prior to the meeting, the City shall publish a Class 2 notice that contains the time and place of the annual meeting. The notice shall specify that all individuals who either own or occupy real property within the District are eligible to serve on the Board and vote at the election.
8. Changes. Any change in the Board size, composition or election methodology must be approved by a 2/3 majority of the entire Board, subject to approval by the Common Council.

F. Relationship to other Organizations:

The Harambee NID may contract with outside organizations to provide services to the NID, in accordance with this Plan. Contracted organizations will be considered separate entities from Harambee NID, notwithstanding the fact that members, officers, and directors of each may be shared. Contracted organizations shall not be subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the Harambee NID Board.

G. Ownership of Property:

The NID is not authorized to hold or own property.

III. METHOD OF ASSESMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the Harambee NID in proportion to the benefit derived from the Harambee NID. After consideration of other assessment methods, it was determined that for residential properties, the number of residential units was the characteristic most directly related to the potential benefit provided by the Harambee NID. For commercial properties it was determined that a flat fixed fee was most appropriate.

Therefore, a fixed assessment of \$50 per residential unit (\$100 for a duplex) for residential properties was selected as the basic assessment methodology for residential properties in the Harambee NID ("Residential Methodology"). In the event a property contains both residential units and a commercial use, the Residential Methodology shall apply.

Maintaining an equitable relationship between the Harambee NID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$500 per parcel will be applied.

As of January 1, 2022, the property in the proposed district had a total assessed value of approximately \$173,015,900 and approximately 2279 parcels. In the Appendix under List of properties/assessment shows each property included in the district that are being assessed by the Harambee NID.

B. Excluded and Exempt Property

1. Property within the district that is exempt from general real estate taxes shall not be assessed.

IV. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans:

- a. In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming, and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File 6 Number 881978, adopted January 24, 1989.
- b. The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs

and population or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

- c. The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Harambee neighborhood and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1110 (4)(c) of the NID law.
5. Provide the board, through the City Assessor's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
5. Encourage the State of Wisconsin, Milwaukee County, and other units of government to support the activities of the district.

B. Petition for Termination of the NID

The City shall terminate the neighborhood improvement district if one of the following occurs:

1. The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.
2. The owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.
3. The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan fail to file a petition with the planning commission to continue the neighborhood improvement district within one year of the date on which the membership of the board changes from a majority which represents commercial properties to a majority that represents residential properties, or vice versa.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the Harambee NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan. Section 66.1110 (6)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year Two activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year Two conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates.

In later years, the Harambee NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the approval of the City of Milwaukee.

B. Amendment, Severability and Expansion

This Harambee NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin ("NID Statute"). Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the

Harambee NID, and this Harambee NID Operating Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a NID so as to exclude or include as assessable properties a certain class or classes of properties, then this NID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act.

VII. Contraction with Harambee NID

Any contracting with the Harambee NID shall be exempt from the requirements of Sec 62.15, Wis. Stats. because such contracts shall not be for the construction of improvements or provision of materials. If the Harambee NID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extent applicable. Further, the annual accounting required under Sec 66.608 (3) (c) Wis. Stats., shall be deemed to fulfill the requirements of Sec 62.15 (14) Wis.

Stats. The Harambee NID Board of Directors and the City of Milwaukee shall comply with the provisions of Sec. 66.60 before the City inserts assessments for this NID plan onto the tax bills for the parcels assessed thereunder, only to the extent required by law, to create a lien on the parcels assessed. The Harambee NID may provide grant support to organizations that include the cost of staff; however, the Harambee NID shall not have employees directly and shall contract with a responsible third party for any administration of grant funds.

A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Harambee Neighborhood Improvement District and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion

NOTE A - Summary of Significant Accounting Policies

Organization

Harambee Neighborhood Improvement District (the Organization) is organized for the purpose of providing owner-occupants and neighborhood-based homeowners of the Harambee neighborhood funds in order to conduct essential repairs to their homes and provide local jobs with the goal of stabilizing property values and home ownership in the defined area, with the goal of full occupancy.

The Organization is exempt from tax as an affiliate of a governmental unit under Section 501(a) of the Internal Revenue Code.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Accounting Method

The financial statements of the Organization have been prepared on the accrual basis of accounting.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

Contributions and Grant Revenue

Contributions received and unconditional promises to give are measured at their fair values and are reported as increases in net assets. Contributions are considered available for the Organization's general programs unless specifically restricted by the donor. Contributions received with restrictions that are met in the same reporting period are reported as revenue without donor restrictions and increase net assets without donor restrictions. Conditional promises to give are not recognized until they become unconditional. A conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated when the barrier is not overcome. Amounts received for which the donor has limited the use of the asset or designated the gift as support for future periods are considered restricted support and included in net assets with donor restrictions. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. When the restriction on a contribution is met in the same reporting period as the contribution is received, the contribution is reported in net assets without donor restrictions.

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Donated services are recognized as contributions if the services create or enhance nonfinancial assets or the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Accordingly, the value of contributed time that does not meet these requirements has not been determined and is not reflected in the accompanying financial statements.

NOTE A - Summary of Significant Accounting Policies (continued)

Functional Expenses

The Organization allocates costs directly to program, management, or fundraising when appropriate. Certain expenses are attributable to one or more programs or supporting functions of the Organization. Those expenses include salaries and employee benefits which are allocated based on estimates of time and effort.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - Future Accounting Pronouncements

Accounting Standards Update 2020-07, Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958) will be effective for fiscal years beginning after June 15, 2021. The amendments in this update are required and provide new presentation and disclosure requirements about contributed nonfinancial assets to nonprofits, including additional disclosure requirements for recognized contributed services. Contributed nonfinancial assets will be required to be reported as a separate line in the statement of activities. A financial statement note will be required to provide disaggregated contributed nonfinancial assets by category including: the type of contributed nonfinancial asset; qualitative information about the monetization or utilization of the nonfinancial assets; the policy about the monetization or utilization of nonfinancial assets; a description of restrictions, valuation, and the market used to determine the fair value. The amendments, required to be presented retrospectively to all periods presented, will not change the recognition and measurement requirements for those assets.

Accounting Standards Update 2016-02, Leases (Topic 842) will be effective for fiscal years beginning after December 15, 2021. This update requires the recognition of lease assets and lease liabilities on the statement of financial position measured at the present value of lease payments and requires disclosure of key information about the leasing arrangements.

Accounting Standards Update 2020-08, Receivables – Nonrefundable Fees and Other Costs (Topic 310-20) will be effective for fiscal years beginning after December 15, 2021. The amendments in this update represent changes to clarify the codification. An organization shall apply the amendment prospectively. This amendment impacts the effective yield of an existing individual callable debt security.

NOTE B - Future Accounting Pronouncements (continued)

Accounting Standards Update 2016-13, Financial Instruments - Credit Losses (Topic 326) will be effective for fiscal years beginning after December 15, 2023. The main objective of this update is to provide financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. To achieve this objective, the amendments in this update replace the incurred loss impairment methodology in current GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates, including exploring more forward-looking alternatives.

NOTE C - Comparative Financial Information

The financial information shown for 2020 in the accompanying financial statements is included to provide a basis for comparison with 2021. The comparative information is summarized by total only, not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity to accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2020, from which the summarized information was derived.

Certain amounts in the 2020 financial statements have been reclassified for comparative purposes to conform to the presentation in the 2021 financial statements. Net assets and changes in net assets are unchanged due to these reclassifications.

NOTE D - Liquidity

As of December 31, 2021, the Organization had cash and cash equivalents on hand of \$128,532 which represents approximately a year of total expenses.

NOTE E - Concentration of Risk

The Organization receives property tax assessment income and grants from the City of Milwaukee. The Organization's operations rely on the availability of these funds. All of the Organization's revenue was from the City of Milwaukee for the year ended December 31, 2021.

NOTE F - Assessment Income

In order to provide revenues to support the Organization's mission, the Common Council of the City of Milwaukee enforced an assessment on property located within the Harambee neighborhood. The assessment is \$50 per residential unit (\$100 for a duplex), with a maximum assessment of \$500 per parcel.

NOTE G - Management Arrangement

Under an arrangement with the Riverworks Development Corporation, the Organization is provided with office facilities, administrative support, and other overhead-related costs. For the year ended December 31, 2021, administrative fees were \$38,000 and accounting fees were \$2,100.

NOTE H - Subsequent Events

The Organization evaluated subsequent events and transactions for possible adjustments to the financial statements and disclosures. The Organization has considered events and transactions occurring after December 31, 2021, the date of the most recent statement of financial position, through March 25, 2022, the date the financial statements are available to be issued, and determined there were no events that needed to be disclosed.

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of many businesses and nonprofit organizations. While the disruption is expected to be temporary, there is considerable uncertainty around the duration of the closings. The Organization, or its partner organization, Riverworks Development Corporation, may experience reduction in tax assessment or donation/program revenue in the future. It is unknown at this time what, if any, negative impact on the Organization's financial position may be.

HARAMBEE NEIGHBORS,

The past five years, Harambee Neighborhood Improvement District (NID) #7 has helped over 40 households make improvements to their homes. The NID continues to be at the forefront of providing quality services to residents and property owners.

The NID's partnership with Riverworks Development Corporation (RDC) continues to flourish and impact the community in many positive ways. Together, we have increased community prosperity, built strong public and private partnerships, increased property values, brought positive developments to the area, and sought better ways to link residents to programs offered by RDC. Riverworks' Financial Clinic benefits underserved communities by providing an opportunity to build wealth, improve property values, improve health, and overall, improve the vibrancy of the neighborhood through financial empowerment.

We are committed to rebuilding the Harambee Neighborhood and support all the valuable assets that already exist in this community. The NID has accomplished a lot over the past five years and is definitely looking towards the next 5 years to continue this transformational impact on this community. I am excited about our work with NID residents and businesses, as we continue to work together to strengthen the housing stock and build a true sense of community here in Harambee. Let us continue to pull together...Harambee!

Thank you for your support and involvement!

FROM THE NID CHAIR

Happy 5th Year Anniversary Neighbors!

We did it. We organized. We stayed fast to the original planning efforts set forth during the creation of NID by focusing on home repairs. As a result, we have been a welcomed aid in funding repair projects for over 40 families in our neighborhood. Much of this success is attributed to the patients of residents learning about our program, the forward-thinking of the board to grow the program, and the continuous support of our staff members.

While we turn the page to the next five years, please know that we are not alone in our neighborhood fight to help reduce the housing cost burden so many are facing today. Last year was recognized as a big year within government and the City of Milwaukee in allocating funds to organizations; preserving existing homeowners, promoting new homeowners, and working to address affordable rental units through existing housing programs and more. Lots of our neighbors are starting to tab into those programs seeking first-time homeownership or additional home repair services, and we encourage you to continue to do so.

To meet the growing needs in our neighborhood we will be leaning more on your support and direction. Our NID will need more residents to become active for all of us to really see the impact we can achieve in the neighborhood. We will need to pull together to help educate each other on housing opportunities, using our collective talents to secure more creative resources and elevating stories of such challenges as housing a family earning \$15 dollars an hour or aging in place on a fix income once retired. These are critical issues that require all our attention, and we will remain committed to providing solutions to keep Harambee safe and affordable for every family.

Sincerely,
Cordella Jones

ABOUT THE NID

WHAT IS A NID?

Neighborhood Improvement Districts (NIDs) are quasi-governmental entities authorized by Wisconsin State Statute. NIDs assess a property tax to a limited geographic area in order to support development and restoration within its boundaries. In the Harambee NID, this assessment is \$50 per residential unit per year (with a maximum of \$200 per parcel). NID funds are overseen and dispersed by a Board of Directors. These directors are neighborhood residents and property owners who are elected at an annual meeting each March.

GET INVOLVED!

- Come to Board meetings and the Annual Meeting
- Run for a seat on the Harambee NID Board of Directors
- Connect with the Keefe Avenue Safety Task Force (KASTF), a resident-led initiative that identifies opportunities along this important corridor
- Develop an idea for a Community Improvement Project (CIP) to beautify your block
- Take part in our bi-annual housing surveys

NID BOUNDARIES:

The Harambee NID includes residential properties between Center Street & Capitol Drive, and between Holton Street & I-43, EXCLUDING properties included in either the Riverworks BID #25 or the Historic King Drive BID #8.

HOME REPAIR GRANTS

GRANT & APPLICATION PROCESS

HISTORY

Initiated by the Harambee Great Neighborhood Initiative (HGNI) and established by residents in 2016, the Harambee Neighborhood Improvement District (NID) is overseen by Riverworks Development Corporation - a 501(c)(3) nonprofit community and economic development organization working in Harambee and Riverwest. The NID assesses property taxes of all residential properties within the boundaries of the NID, and pools that money to fund a home repair grant. From the initial grants awarded in 2018, until the Annual Meeting in March 2021, NID grants were granted solely for roof repairs and replacements due to priority needs in the neighborhood. After the 2021 Annual Meeting, the NID board worked on updating their processes, requirements and projects to include a wide variety of essential home repairs.

UPDATED PROCESS IN 2021

The revised guidelines that were presented at the 2021 Annual Meeting opened up the opportunity to use grants for a variety of repairs including: roofs, siding, gutters, porches, furnace replacement, safety and security modifications, energy efficient upgrades, electrical and plumbing. The new grant guidelines capped the grant at \$7,500 (which was previously capped at \$15,000), and required matching funds from the homeowner. This was in an effort to be able to spread the funding over more projects. Due to hardships in the community to match funds, a new resolution was passed in July 2021 that increased the grant cap to \$10,000 and removed the requirement for matching funds. Any resident or homeowner who lives in the boundaries of the NID can apply for up to \$10,000 of NID grant funding for their eligible home repair project.

HOMEOWNER SPOTLIGHT Sheila Smith

“My family moved to the Harambee Neighborhood in 1967. At that time, it was solidly middle class, increasingly African America, and mostly homeowners. Teachers, engineers, even a professional baseball player lived on my block. I loved the beautiful houses and the streets canopied by trees. Over the years, the appearance of the block has changed and some of the older generation has moved on or away. Drug trafficking and crime have ebbed and flowed in the area. However, residents have been steadfast in their efforts to address the challenges in the neighborhood and have often been successful in their efforts.

These days, whether I am in a casual or professional setting, when people ask me where I live—I make certain that I am very specific: ‘I live in the Harambee Neighborhood in Milwaukee.’ I am specific because I want them to know that I am proud to live in this neighborhood and that this neighborhood is worthy of my pride.

I could live anywhere I chose. I chose to live in Harambee and am committed to the neighborhood because of my neighbors, my remembrance of its history, and its promise for a great future. In keeping with that commitment, I am intentional about being at the decision-making table; among other things, I am involved in the Harambee NID, the Greater Milwaukee Foundation’s Harambee Advisory Council, and the Friends of Bernice K. and Clinton E. Rose Park. In addition, I know my neighbors and my neighbors know me. I know to a certainty that my neighbors and I have the power to make Harambee the neighborhood that we want to live in.”

HOME REPAIR GRANTS

2021 HOME REPAIR GRANTS

Due to many factors including changes to the grant program, difficulty finding contractors, inflated cost of materials and supply chain issues, home repair projects were delayed in 2021. In November and December, an increase of new applicants came in, and 5 projects were started before the end of the year; those projects included a roof, gutters, siding, furnace, and foundation.

2021 REFERRALS

When residents do not qualify for the NID grant, or need additional funds leveraged, our staff work with them and make referrals to other programs including STRONG Homes Loan, Harambee Targeted Investment Neighborhood (TIN) funding, City of Milwaukee Department of Neighborhood Services Compliance Loan Program (CLP), and funding through Revitalize Milwaukee and Milwaukee Habitat for Humanity. In 2021, 30 referrals were made to these other funding sources, for a total of \$54,980 funds leveraged.

PARTNERSHIPS

MILWAUKEE HABITAT FOR HUMANITY

The Harambee NID partners with Milwaukee Habitat for Humanity for support in critical home repair projects when NID funding cannot fully cover the costs. As is with any strong community partnership, Milwaukee Habitat leans on the NID as well to support repair projects for residents within the Harambee NID boundaries. Milwaukee Habitat for Humanity's mission aligns well with the NID's, as they state: "We believe everyone deserves a decent place to live. Together with people in our community, we help families build and improve places to call home. We believe affordable housing plays a critical role in strong and stable communities."

WESTCARE WISCONSIN

WestCare Wisconsin partners with the Harambee NID for the Neighborhood Improvement Project (NIP) - a City of Milwaukee grant program. The NIP program focuses on repairing building code violations and supports owner-occupied neighborhood residents when they need additional funding outside of the scope of the Harambee NID grant. Qualifying residents can receive upward of \$40,000 in addition to the NID grant, for projects that promote health and safety within the home.

KEEFE AVENUE SAFETY TASK FORCE

The Keefe Ave Safety Task Force (KASTF) is a neighborhood partnership with residents, the Milwaukee Police Department (MPD), Safe and Sound and the Harambee NID. Prior to COVID-19, the KASTF met once a month to discuss neighborhood safety issues. With the pandemic, the KASTF limited its meetings, but was able to initiate the RING Camera Project: a coordinated effort to bring RING Cameras to residents who have been burglarized or have faced other criminal activity around their home. In 2021, 20 RING Cameras were installed in the NID.

ADDITIONAL RESOURCES & PROGRAMS

The Harambee NID also connects residents to other resources and programs, as necessary. Many residents are referred to Riverworks' Financial Clinic for general questions and opportunities, as well as to other partners for frequently requested resources such as mortgage relief and rental housing concerns.

Take Root Milwaukee is a consortium of over 55 community organizations, neighborhood groups, housing counseling agencies, realtors, and lenders working to promote sustainable homeownership in the City of Milwaukee. Take Root Milwaukee members offer free or low-cost services that can help you buy, keep, or fix a home.

Milwaukee Rental Housing Resource Center (MKE RHRC) is a collaborative network of local housing and housing-related assistance programs. Their vision is to bring together the resources and organizations that successfully guide residents through a variety of rental housing-related issues. From understanding your rental housing rights, to finding legal and mediation services, better understanding how to access rental assistance, and accessing training and education, MKE RHRC brings the expertise of several area housing experts under one roof.

HEALING SPACES

In January 2021, the City of Milwaukee's Neighborhood Improvement Development Corporation (NIDC), with support from Bader Philanthropies, introduced an initiative to create Healing Spaces in the Harambee Neighborhood. These efforts were focused on reducing the isolation many felt through COVID-19, to build relaxing natural environments, and eliminate blight on city-owned properties. Harambee NID is proud to partner with Riverworks Development Corp, who oversaw three of these spaces: on 2nd & Vienna, at the Tot Lot on 1st & Keefe, and on the Beerline Trail near Holton & Townsend.

ENGAGEMENT OPPORTUNITIES

ANNUAL MEETING

The Harambee NID Annual Meeting is held each year in March and is open to any and all residents and property owners within the Harambee NID boundaries. The Annual Meeting consists of board elections, a reflection of successful home repair projects from the previous year, and gives residents an opportunity to voice support, concern, and add new perspectives to the upcoming grant cycle. For the safety of our staff and residents during COVID -19, the 2021 Harambee NID Annual Meeting was fully remote - held via Zoom and streamed live on Facebook.

BOARD ELECTION PROCESS

Approximately a month prior to the Harambee NID Annual Meeting, a meeting notice is sent out to all property addresses in the NID, along with nomination forms for potential board members; residents can also nominate board members online. Nominations are due two weeks prior to the Annual Meeting. Voting starts the morning before the Annual Meeting and remains open until the end of the meeting. Residents running for a seat on the Harambee NID board must be present at the Annual Meeting to be voted in to one of these leadership roles. In 2021, the NID Board members were all reelected to serve another year for the 2021-2022 term.

JOIN US

We need your ideas, support, and volunteer time to reinforce public safety, community wellness and housing stability to continue to affect positive change in our neighborhood. Please join and share with us at our NID Board meetings open to the public every 4th Tuesday of the Month at 6:00 pm, on 526 E Concordia Ave Milwaukee, WI 53212

HARAMBEE HOUSING SURVEYS

Every year, the Harambee NID staff, with a team of volunteers, conducts a neighborhood housing survey. This survey documents the quality and condition of various aspects of Harambee homes, including roofs, siding, entryways, windows and more. These surveys allow us to track the condition of homes across the neighborhood overtime, as well as to identify property owners who do or do not take care of their property; lastly, it creates new opportunities for homeownership in the neighborhood through market sales or partnering with other nonprofit organizations. By surveying the neighborhood housing stock, we can identify if poorly maintained properties might need access to resources, or if property owners might need to be held accountable.

Through surveying efforts in the Harambee neighborhood, 1,942 homes were assessed in 2021, and out of that number, roughly 550 were determined to need repairs.

If you are interested in assisting with these housing survey efforts, please contact Clarissa at 414-882-7434 or clarissam@riverworksmke.org
