Hello,

Attached is my letter of strong support for Class B Tavern, Public Entertainment Premises License Renewal Applications for the Milwaukee Artist Resource Network (MARN).

As a Milwaukee playwright who has had plays produced in New York, Chicago, Milwaukee, Buenos Aires, and Madrid, I view the MARN as an integral part of the Milwaukee arts community. And I view the coffee and wine bar an indispensable part of what makes the MARN culturally and commercially viable.

Kind regards,

Mr. Bauman -

I received a notice recently about MARN's license renewal and wanted to express concern. I am in unit 209, the back half of my condo is above MARN. On Gallery nights music that is amplified is unnecessarily loud. I believe as all residents, MARN should have to be respectful too their neighbors as well. We all live in the same building and should have to play by the same rules. Tenants would be warned by loud music / noise and deemed inappropriate, MARN should have to play by the same rules, we all live in the same sand box.

I am out of town traveling and unable to attend the committee meeting. Would you consider my thoughts during the upcoming license renewal and relay my concerns at said meeting?

Thank you for your efforts and time.

Dear Alderman Bauman and Milwaukee Office of the City Clerk License Division

I am writing to express my unwavering support for the renewal of the Milwaukee Artist Resource Network (MARN)'s Class B Tavern and Public Entertainment Premises License. As a long-time supporter of the arts and culture in Milwaukee, I believe that MARN plays an invaluable role in enriching our community and driving the cultural dynamism of our city.

I understand that during the Licensing Committee hearing on May 29th, concerns were raised regarding the noise levels affecting a condo owner residing above the café. I commend MARN for their willingness to invest thousands of dollars into noise abatement measures and their proactive efforts to find a compromise.

The taxes paid by MARN contribute to the city's revenue, which can be used to fund public services such as education, healthcare, infrastructure, and public safety. This revenue helps maintain and improve the quality of life for residents and creates jobs both directly and indirectly.

While the concerns of the condo owner deserve consideration, it's important to recognize that MARN has continually sought to address these issues and has demonstrated their commitment to being a responsible and considerate neighbor. Noise management is a shared responsibility, and it is imperative that all parties, including the condo owner, engage in constructive dialogue and take respective actions to mitigate the impact.

The arts have always been a cornerstone of Milwaukee's identity, and it is through supportive actions such as the renewal of MARN's license that we continue to nurture this vital sector. I believe that with continued collaboration and mutual efforts towards noise mitigation, MARN and the condo owner can coexist harmoniously.

Therefore, I respectfully urge you to consider the extensive measures MARN has put in place and the significant cultural and financial contributions they make to our community as you make your decision regarding the renewal of their Class B Tavern and Public Entertainment Premises License.

Thank you very much for considering my perspective on this important matter. I look forward to seeing MARN continue to thrive and contribute to the cultural vitality of our city.

Respectfully Submitted,

Charles Woodward

We support their efforts to bring all forms of art into the Historic Third Ward, including live performances, film screenings, and artist discussions—all cultural engagements with tangible, widespread social and economic impacts that will be lost without this approval. The Third Ward has a rich history in the arts -- from galleries to Milwaukee Institute of Art & Design. As a faculty member of MIAD, MARN has been a huge resource for me and my students. The close proximity to the college and students has been critical part of building community by being so accessible.

In the strongest possible terms, we support their offerings including opportunities to local artists through educational programming, cultural gatherings, marketplace, and coffee and wine bar.
