Of Section 66.1105, Wisconsin Statutes,
as Amended.

I. DESCRIPTION OF PROJECT

A. Introduction

Section 66.1105(4) (d), Wisconsin Statutes, requires the "preparation and adoption... of a proposed project plan for each tax incremental district." This Project Plan is submitted in fulfillment of this requirement and the related provisions of section 66.1105, Wisconsin Statutes.

B. District Boundaries

Tax Incremental District Number 124 ("District" or "TID No. 124"), City of Milwaukee, Harambee Homeownership Initiative is comprised of one hundred and ninety-three parcels totaling approximately 1,159,408 square feet or 26.62 acres ("Property"). The District is shown on Map No. 1, "Boundary and Existing Land Use," and described more precisely in Exhibit 1, "Boundary Description."

68% of the area and real property located within the District was found to be in need of rehabilitation or conservation work within the meaning of Section 66.1105 (4) (gm) of the Wisconsin Statutes. Exhibit 2 "Property Characteristics," illustrates how the properties in the District meet the statutory criteria for Tax Incremental Districts. Upon completion, the project will not contain any commercial space and per Wisconsin Statute 66.1105 (5) (b), 2% of the property within the district could be devoted to retail business at the end of the maximum expenditure period.

C. Plan Objectives

The Property is comprised of one hundred and ninety-three scattered site parcels generally bounded by West & East Burleigh Street, West Randolph Street, North 7th Street and North Buffum Street.

The Project represents a coordinated and targeted effort to support new affordable housing opportunities in the Harambee neighborhood. The project will include the new construction of 59 single family homes that upon completion, will be available for sale as affordable homeownership opportunities. All of the properties are being developed on vacant City owned lots.

The project is being developed by a collaboration of Envision Growth, LLC, Milwaukee Habitat for Humanity, Inc., and the Community Development Alliance, Inc.

The more detailed objectives of this Project Plan are to:

1. Redevelop long vacant property, returning it to productive use.
2. Promote the coordinated development of underutilized property for appropriate residential use.

3. Expand the supply of affordable housing, with an emphasis on both current and future homeownership opportunities.
4. Create new employment opportunities.

D. Existing Land Uses in the District

The District is comprised of 193 parcels containing approximately 1,159,408 square feet or 68.62 acres. The total assessed value of the parcels in the district is \$9,474,600. The parcels are zoned residential, including the RT4, RM4, and LB2 zoning categories.

II. PLAN PROPOSALS

A. Statutory Requirements

Section 66.1105(4) (f), Wisconsin Statutes, requires that a Project Plan for a Tax Incremental District shall include:

"... a statement listing the kind, number and location of all proposed public works or improvements within the district or, to the extent provided in subsection (2) (f)1.k., outside the district, an economic feasibility study, a detailed list of estimated project costs, and a description of the methods of financing all estimated project costs and the time when the costs or monetary obligations related thereto are to be incurred. The plan shall also include a map showing existing uses and conditions of real property in the district; a map showing proposed improvements and uses in the district; proposed changes of zoning ordinances, master plan, if any, map, building codes and city ordinances; a list of estimated non-project costs; and a statement of a proposed method for the relocation of any persons to be displaced. The plan shall indicate how creation of the tax incremental district promotes the orderly development of the city."

The plan shall also include an opinion of the City Attorney or of any attorney retained by the City advising whether such plan is complete and complies with Section 66.1105(4) (f), Wisconsin Statutes.

B. Compliance with Statutory Requirements

The following statements, maps and exhibits are provided in compliance with the statutory requirements.

1. "Statement of the Kind, Number, and Location of All Proposed Public Works or Improvements."

Funds generated from the District will provide an annual grant to the Development Collaboration to offset costs associated with redevelopment of the Project. The City will make payments to the Developer equal to 100% of the incremental taxes collected in the

District from real and personal property, less an annual administration charge, until such time as \$2,850,000 is repaid by payments at an interest rate of 2.5% over a period not to exceed 25 years (the “Monetary Obligation”). See the Term Sheet, attached as Exhibit 3, “Term Sheet”.

2. "Detailed List of Estimated Project Costs."

The costs included in this subsection and detailed in Table B which follows are, without limitation hereof because of enumeration, claimed as eligible Project Costs as defined under Section 66.1105(2) (f) and, if appropriate, in any Cooperation Agreement (s) presently or subsequently entered into by and between the City of Milwaukee, the Redevelopment Authority of the City of Milwaukee, and/or eligible designated Developer(s), provided further that such expenditures are necessitated by this Project Plan.

These costs and cost estimates are more fully described as follows:

Capital Costs

The City shall fund an estimated \$2,850,000 in the form of TID Capital Project Costs enumerated in further detail in Table A of this Plan. The allocation of these costs will be set forth in the Term Sheet.

TABLE A: TID Capital Project Costs	
Grant to Project (Monetary Obligation to Developer)	\$ 2,850,000
TOTAL Capital Project Costs	\$ 2,850,000

Other Costs

This category of Project Costs includes estimates for administrative, professional, organizational and legal costs.

Financing Costs

Financing costs include estimated gross interest expense on the Monetary Obligation to repay the Developer. Estimates of interest are based on interest rates as Exhibit 4, “Feasibility Study.” The City reserves the right to prepay the Monetary Obligation to the Developer, which could require issuance of general obligation debt, as described in the Term Sheet.

Table B - List of Estimated Project Costs

A	<u>Capital:</u> Grant to Project (Monetary Obligation to Developer)	\$ 2,850,000
B	<u>Other:</u> Administration (\$7,500/year for 25 years)	\$ 187,500
	Total Estimated Project Costs, excluding financing	\$ 3,037,500
C	<u>Financing:</u> Interest	\$ 1,487,262

3. "Description of Timing and Methods of Financing."

All expenditures are expected to be incurred during the period from 2025 through 2050.

The annual payments to the Developer will be repaid pursuant to the Monetary Obligation, using incremental taxes generated annually in the District.

4. "Economic Feasibility Study."

The Economic Feasibility Study for this District prepared by the Department of City Development and titled *Economic Feasibility Study: Tax Increment District No. 124* is attached to this Project Plan as Exhibit 4, "Feasibility Study." The study establishes the dollar value of Project costs which, based on certain general assumptions and a reasonable margin of safety, can be financed with the revenues projected to be generated by the proposed tax incremental district.

Based upon the anticipated tax incremental revenue to be generated by this project, the District is financially feasible and is likely to be retired on or before year 2050. Should incremental revenues be generated in excess of those currently anticipated, they may be used to accelerate the repayment of the Monetary Obligation for the Project.

5. "Map Showing Existing Uses and Conditions."

Please refer to Map No. 1, "Boundary and Existing Land Use," Map No. 2, "Structure Condition," and Exhibit 5, "Property Owners" in the Exhibits Section, which follows.

6. "Map Showing Proposed Uses and Improvements."

Please refer to Map No. 3, "Proposed Uses and Improvements," in the Exhibits Section which follows.

7. "Proposed Change of Zoning Ordinances, Master Plan, Building Codes and City Ordinances."

Please refer to Map No. 4, "Existing Zoning," in the Exhibits Section which follows. The proposed Project is consistent with existing residential zoning, including the RT4, RM4,

and LB2 zoning categories. The proposed Project is in accordance with the existing master plan, building codes, and other city ordinances. The Project should not require amendments to their provisions, but such amendments could be made if necessary without further amendment to this Project Plan.

8. "List of Estimated Non-Project Costs."

\$0 – there are no Non-Project Costs.

9. "Proposed Method for Relocation."

The Project Plan does not anticipate the acquisition of property by the City of Milwaukee, accordingly, no relocation activities or expenditures for relocation payments or services are provided herein. If, at a later date, it is determined that acquisition of property by condemnation and requiring relocation will be necessary, the cost and method of relocation will be included in a Redevelopment Plan and associated Relocation Plan prepared pursuant to sec. 66.1333 and sec. 32.05, Wis. Stats. The costs of such activities will be eligible for reimbursement through tax increment revenues should such revenues be generated during the statutory life of the District.

10. "Statement Indicating How District Creation Promotes Orderly City Development."

The proposed district is consistent with existing zoning and the goals of the Northeast Side Area Plan. The Northeast Side Area plan promotes increasing homeownership in the Harambee neighborhood and supports new infill housing development on vacant land that preserves traditional land use patterns and blends with the existing context.

The objectives of the District are also consistent with the goals and strategies in the Community Development Alliance's Collective Affordable Housing Strategic Plan. These include affordable homeownership, increasing the supply of affordable housing for low income families, and repurposing vacant lots for the creation of new housing.

Exhibit 3
TERM SHEET
Harambee Homeownership Initiative
TID No. 124

Project

The Harambee Homeownership Initiative (the “Project”) is a targeted and coordinated effort to promote homeownership in the Harambee neighborhood. The Project consists of the construction of 59 single family homes will be constructed and sold for affordable homeownership opportunities (the "Project").

The homes will be developed on scattered site vacant city owned lots located in the area roughly bounded by West & East Burleigh Street, West Randolph Street, North 7th Street and North Buffum Street.

Development Team

The Project is being developed by a collaboration of the Envision Growth, LLC. (“Envision Growth”), Milwaukee Habitat for Humanity, Inc. (“Habitat for Humanity”) and the Community Development Alliance, Inc. (“Community Development Alliance”) (collectively, “Development Collaboration”).

Envision Growth will be developing eight early childhood education homes (“ECE Homes”) for affordable homeownership to employees of early childhood education facilities. Envision Growth was founded in 2019 and is a Milwaukee-based real estate firm focusing on healthy people and communities through real estate development.

Habitat for Humanity will be constructing 51 homes to be sold for affordable homeownership. Habitat for Humanity has a 40-year history of working to create and preserve affordable homeownership opportunities for low income families in Milwaukee. In addition to home building, Habitat for Humanity’s work with prospective homeowners includes coaching and support and homeowners contribute 210-370 hours of sweat equity as part of their homeownership investment. Habitat for Humanity also works to preserve home ownership by providing resources for essential home repairs in their service areas.

The Community Development Alliance is a coalition of residents, neighborhood organizations, funders, implementors, and other allies from the public and private sectors that collaborate on neighborhood improvement efforts in Milwaukee. More recently, it sponsored the creation of a Strategic Affordable Housing Plan for Milwaukee, which identified strategies to increase and preserve homeownership opportunities as well as increase and preserve affordable rental housing opportunities for very low-income households. It is coordinating the efforts of the Development Collaboration, as well as securing grants and raising equity to support the Project.

Project Budget:

Total estimated Project costs are \$17.5 million. Funding for the Project includes American Recovery Act Funds through Wisconsin Department of Workforce Development, donor

contributions, local philanthropy, material donations and volunteer construction services, and sales proceeds. Funding for the Project is being further leveraged through the efforts of the Community Development Alliance, which has secured low interest financing from local philanthropy to support Tax Incremental District No. 124.

Development Schedule

Development will begin the third quarter of 2025, with the staged completion of 59 single family homes through the end of 2029.

Tax Incremental District

The City intends to create a Tax Incremental District (“TID No.124”) in an amount up to \$2,850,000 to assist in funding a portion of the costs of the Project as set forth in the Project Plan.

Closing

Closing shall be on or before August 31, 2025.

Funding

The Community Development Alliance (“Project Funder”) shall advance up to \$2,850,000 of costs related to the Project (subject to review of the final project budget and funding sources) and shall be repaid for these costs through the Monetary Obligation (as defined below).

Each year, following the deduction of Annual Expenses, 100% of annual incremental tax revenue collected from TID No.124 will be allocated to repay the Project Funder for costs incurred for the Project through payments on the Monetary Obligation, provided that each phase of the Project anticipated for that year and all previous years has reached Substantial Completion. If Substantial Completion of a phase of the Project has not been completed, the City will deposit an amount equal to 100% of the tax incremental revenue actually received by City from TID No.124, less Annual Expenses, into a special fund established for TID No. 124, and release to Project Funder once Substantial Completion such phase has been complete.

All City payments of tax incremental revenue received by City from TID No. 124 shall be subject to annual appropriation. If not appropriated, City shall not expend such tax increments for any other TID No. 124 project costs.

Monetary Obligation

The Monetary Obligation consists of a limited and conditional obligation of the City to repay the Development Collaboration an amount up to \$2,850,000 plus interest on the outstanding balance of the Monetary Obligation at 2.5% per year.

The City may, at any time or from time to time, without notice, penalty, or fee, prepay all or any portion of the Monetary Obligation. In the event that City prepays a portion of the Monetary Obligation, 100% of tax incremental revenue allocated to payment of the Monetary Obligation shall be proportionately reduced to reflect such prepayment. Tax incremental revenue will not be pledged to the payment of the Monetary Obligation, and the Monetary Obligation shall not constitute a general obligation of City or count against its statutory debt limits.

Monetary Obligation Earned

Upon Substantial Completion of the Project (as hereinafter defined), the Development Collaboration shall submit a certification of project completion detailing Project costs with evidence that funding in the amount of the Monetary Obligation has been invested in the Project. Such certification and supporting evidence shall be in a form reasonably acceptable to the City. The amount of the Monetary Obligation shall be deemed earned upon approval of such certification by City's Commissioner of City Development (the "Commissioner").

Design/Consistency with Approved Plan

Plans and specifications for the Project shall be subject to the review and approval of the Commissioner, which review and approval shall not be unreasonably withheld, conditioned or delayed.

Terms of Payments

City payments on the Monetary Obligation will terminate: (i) at the time the Monetary Obligation is fully paid; or (ii) with the payment derived from the 2049 tax levy, payable in 2050, whichever occurs first.

Material Disturbance

If the Project has not achieved Substantial Completion of all phases by June 30, 2030 (unless caused in substantial part by an event of Force Majeure) (a "Material Disturbance"), then City shall have the right (but not the obligation) to reduce the Monetary Obligation to an amount equal to the number of Project homes completed multiplied by \$45,000, using the following procedure:

- (1) City shall give Development Collaboration notice of its intention to terminate further payments on the Monetary Obligation, and Development Collaboration shall have 180 days to cure the Material Disturbance (unless such cure cannot reasonably be completed within such 180-day period, in which event such cure period shall be extended as reasonably necessary for Development Collaboration to pursue the cure to completion, so long as Development Collaboration diligently undertakes such cure and such cure period, as extended, does not exceed 365 days).
- (2) Thereafter, if Development Collaboration has not eliminated the Material Disturbance within the timeframes set forth in subsection (1) above, and if City still intends to terminate payments on the Monetary Obligation, City's Common Council may adopt a resolution determining that the Material Disturbance prevents the substantial realization of the public benefits contemplated as a result of the Project and constitutes just cause for the termination of the Monetary Obligation. In such event, City may thereafter file a certificate with Development Collaboration (attaching the resolution of the Common Council) stating that City has elected to terminate payments on the Monetary Obligation. Upon City's filing of such certificate, the Monetary Obligation would terminate.

Development Collaboration Responsibilities:

The Development Collaboration shall have the following responsibilities:

- Design and develop the Project consistent with City-approved plans.
- Submit final development budget for the Project, financing commitments, and proof that all funding sources have been committed (prior to closing), all of which shall be reasonably acceptable to City.
- Commence construction of the Project by August 31 of 2025 and achieve Substantial Completion of the Project by June 30, 2030 (as hereinafter defined). “Commence construction” shall include grading or any other earthwork activities, or activities related to securing the Project site with construction or temporary fencing.

Human Resources:

The Development Collaboration (and/or the applicable Development Partners) and City will enter into Human Resources Agreements based on the proportionate share of the Monetary Obligation allocated to each partner.

- Due to Habitat for Humanity’s non-profit status, the affordable homeownership focus of the development, and the volunteer model, the Habitat for Humanity Human Resource Agreement will provide for best efforts utilization of certified Small Business Enterprise for 25% of Project construction costs, 25% for purchase of goods and services, and 18% of amounts expended for the purchase of professional services deemed eligible pursuant to SBE Guidelines and provide for best efforts utilization of unemployed and underemployed residents for no less than 40% of the total worker hours expended on construction of the Project.
- The Envision Growth Component Human Resource Agreement will provide for best efforts utilization of certified Small Business Enterprise for 25% of Project construction costs, 25% for purchase of goods and services, and 18% of amounts expended for the purchase of professional services deemed eligible pursuant to SBE Guidelines and provide for best efforts utilization of unemployed and underemployed residents for no less than 40% of the total worker hours expended on construction of the Project.

Tax Exemption

No portion of the Project shall at any time after closing be exempt from real estate taxes. This restriction shall be memorialized by a PILOT Agreement or a permanent covenant which runs with the Project land and may only be released by a resolution adopted by City’s Common Council.

Limits on Development Collaboration Action

Until all obligations under the Development Agreement have been fully discharged, Envision Growth and Habitat for Humanity may not, without City’s consent, which shall not be unreasonably withheld, conditioned or delayed:

- Liquidate or consolidate the Project sites (other than combining or dividing sites for the purpose of creating buildable lots for the Project);
- Merge with another entity;
- Sell, lease or transfer the Project sites other than for sales to owner occupant purchasers in the ordinary course of business;
- Enter into any transaction that would materially adversely affect the ability of

Development Collaboration to complete the Project or fulfill its obligations under the Development Agreement; or

- Assume or guarantee the obligations of any other person or entity that would materially adversely affect the ability of Development Collaboration to complete the Project or fulfill its obligations under the Development Agreement.

Development Agreement:

The Development Collaboration and City shall finalize a draft of a development agreement (“Development Agreement”) containing terms substantially consistent with this Term Sheet and customary for such development agreements, provided all such terms shall be mutually acceptable to Development Collaboration and City. The Development Agreement shall be executed by Development Collaboration and City at closing. The City and Development Collaboration shall cooperate to finalize the Development Agreement within 30 days of Common Council approval of TID #124.

General:

This term sheet does not constitute an agreement between Development Collaboration and the City. The terms set forth and any other requirements necessary for a transaction of this sort shall be incorporated into a Development Agreement to be entered into between Development Collaboration and City. In recognition that there may be adjustments of the dates and descriptions herein as well as administrative approvals which will require the exercise of reasonable discretion on behalf of City, the Commissioner will be authorized under these agreements to exercise such discretion and grant such approvals.

Exhibit 4
Tax Incremental District #124
Harambee Homeownership Initiative
Economic Feasibility Study
April 25, 2025

Overview

The Harambee Homeownership Initiative (the “Project”) is a targeted and coordinated effort to promote homeownership in the Harambee neighborhood. The Project involves the construction of 59 single-family homes for affordable homeownership opportunities.

The project is being developed by a collaboration of Envision Growth, LLC, Milwaukee Habitat for Humanity, and the Community Development Alliance., which is providing coordination and funding for the project.

Financing Structure

In addition to the proposed TID contribution of \$2,850,00, each component of the project will have its own distinct funding sources.

Total estimated costs for the Project are \$17.5 million. Funding for the Project includes American Recovery Act Funds through the Wisconsin Department of Workforce Development, donor contributions, local philanthropy, material donations and volunteer construction services, and sales proceeds.

The Community Development Alliance Inc. will be providing the underlying financing to support TID No. 124, which has been secured from local philanthropy.

Current Property Value

The property in the district consists of 193 parcels with a total assessed value of \$10,500,000 which is the current base value of the District.

Projected Completed Value

The projected value of the Project upon completion is \$8,286,000.

The estimated assessed value of the Early Childhood Education (ECE) homes component of the Project is \$840,000, based on an estimated per property assessment of \$105,000 which is the target sales price for the eight properties. The estimated assessed value of the Habitat for Humanity homes component of the Project is \$7,446,000, based on an estimated per property assessment of \$146,000 which is the target sales price for the 51 properties.

Construction will be completed on a staged basis:

Year	ECE Homes Completed	Assessed Value ECE Homes	Habitat Homes Completed	Assessed Value Habitat Homes	Total New Annual Assessed Value
2025	8	\$840,000	7	\$1,022,000	\$1,862,000
2026	-	-	7	\$1,022,000	\$1,022,000
2027	-	-	15	\$2,190,000	\$2,190,000
2028	-	-	16	\$2,336,000	\$2,336,000
2029	-	-	6	\$876,000	\$876,000
TOTAL	8	\$840,000	51	\$7,446,000	\$8,286,000

Other Assumptions

- Tax Rate: 2.2216%
- Interest Rate on Payments to Developer: 2.5%.
- Maximum Term of Payments: 25 years
- Annual Appreciation: 1% for homes developed under the Project. In regard to the existing residential properties within the district boundaries, the appreciation rate is 0%.

District Cash Flow and Amortization of the Monetary Obligation

In a “pay-as-you-go” District, the Developer is accepting the risk that the District will generate sufficient incremental value to recapture the \$2,850,000 of costs, plus 2.5% interest, through future incremental revenue.

As shown in the projections in Table 1, forecasted tax incremental revenues are sufficient for the Developer to recover the proposed TID amount of \$2,850,000 plus interest in tax levy year 2049 (budget year 2050).
