SUBJECT: 3RD ALDERMANIC DISTRICT – FILE #071183
INSTALL NO PARKING WHEN SNOWFALLS
4 INCHES OR MORE ON THE SOUTH SIDE OF
EAST KANE PLACE, FROM NORTH HUMBOLDT AVENUE
TO NORTH PULSASKI STREET

Dear Alderman D'Amato:

This is in request on behalf of a local business owner to install the above-captioned parking restriction.

Our Traffic engineering staff forwarded this request to the Environmental Services Operations Division to see if there would be a snow plowing concern if this restriction was installed. They investigated this request and concluded that there would be no problem. The necessary legislation will be prepared and subsequently heard at the January 24, 2008 Public Safety Committee meeting.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Alderman Robert Bauman
Alderman, 4th Aldermanic District
Room 205, City Hall

SUBJECT: 4TH ALDERMANIC DISTRICT – FILE #071183
INSTALL NO PARKING ON THE EAST SIDE OF
NORTH EMMER LANE FROM A POINT 160 FEET
SOUTH OF WEST MT. VERNON AVENUE
TO A POINT 25 FEET SOUTH THEREOF

Dear Alderman Bauman:

This is response to a request from Splat Digital Printing located at 254 North Emmer Lane to install the above-captioned parking restriction.

Our Traffic Engineering staff has investigated this request and found that motorists exiting the parking lot of Splat Digital Printing have a difficult time seeing traffic traveling southbound on North Emmer Lane due to the alignment of the roadway and when vehicles park close to the driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Alderman Robert Bauman
Alderman, 4th Aldermanic District
Room 205, City Hall

SUBJECT: 4TH ALDERMANIC DISTRICT – FILE #071183
INSTALL NO PARKING ON THE NORTH SIDE
OF WEST ST. PAUL AVENUE FROM
NORTH 5TH STREET TO A POINT 50 FEET WEST

Dear Alderman Bauman:

It has come to our attention that trucks and larger vehicles have a difficult time turning right from southbound North 5th Street to westbound West St. Paul Avenue due to vehicles parking too close to the intersection. This condition forces these larger vehicles to cross over the center line on West St. Paul Avenue while turning, and thereby creating an unsafe condition. Therefore, in the interest of public safety, we recommend the installation of the above-captioned parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

SUBJECT: 4TH ALDERMANIC DISTRICT – FILE #071183
INSTALL NO PARKING ON THE NORTH SIDE
OF WEST ST. PAUL AVENUE FROM THE I-794
OFF-RAMP TO A POINT 60 FEET EAST

Dear Alderman Bauman:

In conjunction with the new median island and lane patterns on West St. Paul Avenue east of the off-ramp for I-794, the above-captioned parking restriction is needed to facilitate the movement of traffic on the roadway. Therefore, we recommend the installation of this parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

SUBJECT: 13TH ALDERMANIC DISTRICT – FILE #071183
INSTALL NO STOPPING SCHOOL DAYS
7:00 AM TO 4:30 PM RESTRICTION ON THE
WEST SIDE OF SOUTH 3RD STREET FROM
WEST MARTIN LANE TO WEST BOTTSFORD AVENUE

Dear Alderman Witkowski:

This is in response to a request we received from Ms. Kelly Ellers, Principal of Whittier Elementary School, to install the above-captioned parking restriction to facilitate the process of dropping off and picking up students during the school day.

Our Traffic Engineering staff has investigated this request and found that since a survey indicated that the property owners affected by this restriction are in favor of its installation, we have no objection to its installation.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
