03/12/2025	(03/11/2025) Spoke with daughters of dog owner who were present at the attack. They stated that on 3/6/2025 approx 4:00pm they got home from school, Shalia, Kimora and their young cousin, Taijuan. Not having a key, Kimora crawled in through a window that was not secured and went to let the dog, Ghost, out into the front yard where Shalia and Taijuan were waiting. They said that Ghost sniffed around for a bit and then moved to attack Taijuan unprovoked. They said they were trying to get Ghost to release Taijuan's legs and both of the girls suffered bites or abrasions to their hands and wrists in the scrum. They said that a passerby pulled their car over and came to their aid. The passerby called the police. The bites broke the skin on all three involved and Taijuan suffered multiple bites to the legs and had to receive stitches.	ADUTMER
