Subject: Record of Support for File #241777

Hi Alderman Bauman,

I wanted to be recorded in support of file #241777 exploring acquisition of the 30th St corridor. I think it's an exciting path forward to future public transit and biking options down the corridor.

Owning the land would make these future plans much more viable from a financial, planning, and timing perspective. Thank you for sponsoring it.

Regards,
