## Description of Work

Install one 40'x70' mural on south wall of building, which is a previously painted masonry wall. Mural will be executed offsite on polytab mural cloth with acrylic paints and installed with an acrylic adhesive. The inherent breathability of acrylic materials is acknowledged as part of this approval. A rough sketch of the design is below.

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines.

### The following conditions apply to this certificate of appropriateness:

1. No currently existing windows shall be covered by this mural.
2. Submit photograph of full mural after installation for record of design and guide to future maintenance.
3. Mural is restricted to the one wall indicated.
4. Mural shall be signed and dated by the artist

All work must be done in a craftsman-like manner. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations.
