June 8, 2022

Mayor Cavalier Johnson
City of Milwaukee - City Hall
200 East Wells Street
Milwaukee, WI ZIP 53202

Dear Mayor Johnson:

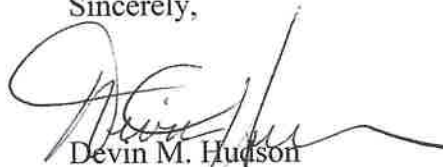

On behalf of the children and families we serve and the staff and leadership at the Silver Spring Neighborhood Center, I support your efforts to combat reckless driving throughout our city, the adoption of Vision Zero and the City's goal of zero traffic-related deaths.

For more than 60 years, the Silver Spring Neighborhood Center has remained committed to the children and families we serve in Westlawn neighborhood and throughout our city. Annually, more than 8,000 Milwaukee residents count on this organization to provide early child education, youth development programming, health & wellness services, and workforce development training and placement.

Our mission is to build a safer and stronger neighborhood and community on Milwaukee's northwest side. We are supportive of Mayor Johnson's work to ensure the safety of our residents as they travel throughout our neighborhood and our city.

Silver Spring Neighborhood Center enthusiastically supports the adoption of Vision Zero and Mayor Johnson's efforts to combat reckless driving and believe these efforts will have an impact on the safety of our neighbors.

Sincerely,

Devin M. Hudson
Executive Director
