Dear Alderman,

I own Actaea Works on Kinnickinnic Avenue and I was also the first Kinnickinnic Avenue BID President. The blue print for development for Bay View has been to push the major developments on KK to continue to help make this one of the most if not the most thriving neighborhood business district in the city.

The business district understands the need to retain the quaint character of the neighborhood. Putting a 90 unit housing development in that neighborhood would destroy the social fabric of that area. Please vote down this Dover Street Development coming up before you.

Sincerely,

Jason Wedesky
