Subject: Please protect the Miller High Life Theater & Panther Arena

Hi Alders Bauman, Coggs, Jackson, Spiker, and Stamper,

I wanted to reach out to ask you to support the historic designation for the Miller High Life Theater and Panther Arena. These places mean a lot to Milwaukee. They're where generations have come together for concerts, graduations, games, and community events that make this city so special.

As a transplant who chose Milwaukee and will defend it until I'm blue in the face, I've come to really appreciate these spaces and what they represent, and they're part of what I love about the city. They play a significant role in making the city feel alive and connected, giving people so many chances to be involved in the things that make our city unique.

Historic designation wouldn't change how these venues operate today, but it would make sure that if there's ever a plan to redevelop or tear them down, the public has a real voice in the process. I think that kind of transparency is important since these buildings are part of Milwaukee's story, and they deserve to be protected.

I hope you'll vote to support the historic designation. These spaces deserve to be preserved and celebrated for future generations to enjoy.

Thanks so much for your time and everything you do for our community.

Best,

Wil Yerger
