City Clerk
Attn: Claims
200 E. Wells St., Room 205
Milwaukee, WI 53202-3567

Dear City of Milwaukee Clerk:

While driving eastbound at around 8:15 a.m. on July 2, 2013, my vehicle hit an uncovered pole located at the east end of the Teutonia Avenue and Solver Spring Drive ramp. There were no cones or stands to cover the damaged portion of the street exposing the pothole. However, there were stands off to the south of the pothole close to the side walk. As a result, my front and rear passenger side tires, passenger rear wheel and alignment were damaged. Please see quotes and receipt. I do have pictures of the pothole from July 2, 2013 and July 9, 2013 and tires on my phone, if needed.

To replace the rear passenger wheel and have an alignment done will require funds that are not in my immediate budget. I am seeking relief from the City of Milwaukee for damages in the amount of \$354.00 (tires and mounting) + \$879.00 (wheel and mounting), totaling= \$1,233.00. *In addition, the tire pressure monitor sensor band may need to be replaced for approximately \$200.00. This cannot be determined until after the wheel is replaced.*

Please forward payment to:

ADDITIONAL INFORMATION

Before you can file a lawsuit against the City of Milwaukee for reimbursement, State law requires that you first follow the claim procedures established by the City Clerk.

Filing a claim against the City does not automatically guarantee reimbursement from the City. However, the City examines each claim on an individual basis in determining if reimbursement is legally required.

In order to obtain reimbursement for a claim against the City, you must prove that the City or its employees acted unlawfully or negligently.

Only the City Attorney or the Common Council and the Mayor can authorize payment of a claim against the City. Any other representations made by City employees are not legally binding on the City.

893.80 Claims against governmental bodies or officers, agents or employees; notice of injury; limitation of damages and suits. (1) Except as provided in subs. (1g), (1m), (1p) and (8), no action may be brought or maintained against any volunteer fire company organized under ch. 213, political corporation, governmental subdivision or agency thereof nor against any officer, official, agent or employee of the corporation, subdivision or agency for acts done in their official capacity or in the course of their agency or employment upon a claim or cause of action unless:

(a) Within 120 days after the happening of the event giving rise to the claim, written notice of the circumstances of the claim signed by the party, agent or attorney is served on the volunteer fire company, political corporation, governmental subdivision or agency and on the officer, official, agent or employee under s. 801.11. Failure to give the requisite notice shall not bar action on the claim if the fire company, corporation, subdivision or agency had actual notice of the claim and the claimant shows to the satisfaction of the court that the delay or failure to give the requisite notice has not been prejudicial to the defendant fire company, corporation, subdivision or agency or to the defendant officer, official, agent or employee; and

(b) A claim containing the address of the claimant and an itemized statement of the relief sought is presented to the appropriate clerk or person who performs the duties of a clerk or secretary for the defendant fire company, corporation, subdivision or agency and the claim is disallowed.
