Date	7/6/2026	Ald.	Pratt
CCF	260057	Reviewer	Tim Askin
Address	4377 N 2th St	Owner	Martha Love
District	Garden Homes	Applicant	

PROPOSAL

One or more vinyl windows were installed in the home “many years ago,” by La Casa de Esperanza’s weatherization program. They ignored the homeowner’s request for appropriate windows.

STAFF COMMENTS

From the photos provided and Google Street view, there appears to be only one affected window on the rear. Limited evidence suggest that this was done prior to 2007. Other incidents of inappropriate windows have been forgiven in other districts when it has been demonstrated to have occurred over 20 years ago and the primary façade was not affected.

RECOMMENDATION

Grant based on lapse of time.
