Semester 8

Career Exploration

Identify 2 or more careers in which you have an interest and create projects that will help you learn about them.

Career 1:
What did you learn about this career that you did not know before doing the project? Why would you or why would you not want to consider this career for yourself? What more do you need to know about this career?
Career 2:
What did you learn about this career that you did not know before doing the project? Why would you or why would you not want to consider this career for yourself? What more do you need to know about this career?
Career 3:
What did you learn about this career that you did not know before doing the project? Why would you or why would you not want to consider this career for yourself? What more do you need to know about this career?

What are your strengths?

What skills do you know you need to improve?

When I complete high school:
Education or training: (be specific as to any school or internship you plan to pursue)
I will be
Employment: (What kind of job will you have when you graduate from high school)
Right after graduation from high school I will be
Long term my career goal is to
Living Accommodations: (on my own, with my parents, in a dorm, etc)
After high school I will be living

Activities or volunteer experiences either in school or in the community (Include internships)

References: (Include Name, address, relationship to you, phone number and or Agency or company)

Activities I have completed

Date Completed	Activity
	Attended a career fair
	Attended a college fair
	Completed and maintained my resume
	Made applications for jobs
	Practiced my interview skills in a Mock Interview
	Taken the ACT college entrance exam
	Taken the SAT college entrance exam
	Completed the FAFSA application for financial aid
	Did a search for scholarships other than the ones awarded by the college to which I am applying
	Taken a tour of at least one college campus
	Made applications for post secondary education programs (College, internship or apprenticeship)
	Taken required placement tests for the college I plan to attend
	Interviewed people who are working in a field that I would consider as a career

Your Resume

Attach to this file the most recent Resume you have created. It should be updated at least once a year or as each new experience or job would require updating.
