To Whom It May Concern,

The Position of Municipal Judge for the City of Milwaukee is of great interest to me. I believe I have the qualifications necessary to effectively handle the responsibilities of that office.

My employment background consists of twenty years of public service for every level of government in the field of criminal justice. My career in law enforcement began as a Security Police Officer for the United States Air Force. I quickly moved into positions of increased responsibility. Upon my discharge from the military, I was hired by the Milwaukee Police Department as a uniformed police officer. During the next ten years I held several positions, including the promoted rank of Detective. This experience gave me invaluable insight into the policies and procedures of the Municipal Court System.

During the past three years as an Assistant District Attorney, I have gained broad experience in the litigation of both felony and misdemeanor criminal offenses. I have most recently been assigned as Team Captain for the Consumer and Public Welfare Unit. In this position I prosecute various offenses, including complaints from citizens directly in the areas of consumer fraud, identity theft and unfair trade practices. I have most recently been involved in the prosecution of area landlords for violations of unfair rental practices.

I am a member of several community task force groups and have worked closely with elected and non-elected officials of city, county, state and federal governments. I oversee the prosecution of compulsory school attendance violations in Milwaukee County and have been working with other community leaders on solutions for the truancy problem. As a lifelong resident of the City Milwaukee I am committed to improving the quality of life for all citizens. Upon appointment to this honorable position, I will continue to work closely with community leaders and elected officials.

Sincerely,

Robin J. Rosche
