RE: Communications from PRO RENTAL SOLUTION, LLC.
C.I. File No. 1029-2023-1199

Dear Sir or Madam:

Pro Rental Solution, LLC., alleges it sustained property damage from a broken sewer lateral that occurred after recent installation of a light pole at 5127 N. Hopkins Street. Pro Rental Solution, LLC., submitted a damage claim in the amount of \$11,900, for sewer lateral repairs, sanitation/cleanup, and hot water tank.

Our investigation reveals that Infrastructure Services Division reported that on April 2, 2023, they responded to a backwater call at the subject location. The main sewer was checked and found to be in good working condition and the homeowner was advised to contact a licensed plumber.

On April 3, 2023, the claimant hired ABC Sewer and Ramon Sewer to conduct a complete inspection and a collapsed sewer was discovered as result of a recently installed light pole. Further investigation revealed that the light pole was installed on March 8, 2023, because of a motor vehicle accident. Electrical Services confirmed a light pole was installed directly above the claimant's sewer lateral and caused damage. The light pole was removed and a new light pole was reinstalled two feet from its original position.

To the Honorable Common Council
Of the City of Milwaukee
September 28, 2023
Page Two

Accordingly, we recommend that the claim be approved for payment for \$11,900.

Very truly yours,

TEARMAN SPENCER
City Attorney
