The Honorable Mayor Thomas Barrett
200 E. Wells
Milwaukee, WI 53202

Dear Mayor Barrett:

I have called Milwaukee's East side home for the past 20 years. I love this neighborhood. I currently own a business here and am excited about all the work going on within the East Side BID #20.

With the BID Board and your approval, I look forward to serving the business community and the neighborhood as a board member.

Thank you for meeting with us last week. The current development plans are exciting, as is the support from your office.

Thank you for your consideration on my appointment to the Board of BID # 20.

Sincerely,
