

August 25, 2009:

To the Public Works Committee

Subject: Installation of Traffic Control Devices in
conjunction with the Federal/State Aid
paving of West Oklahoma Avenue from
South 72nd Street and South 60th Street

Dear Honorable Members:

Installation of Traffic Control Devices in conjunction with the Federal/State Aid paving of West Oklahoma Avenue from South 72nd Street to South 60th Street was approved by the Common Council, under File Number 060158.

The Surface Transportation Program provides cost participation for traffic control improvements in conjunction with the paving of highways located on the Federal/State Aid Highway System.

The total estimated cost of this project is \$45,271.77 for the alteration and upgrade of traffic control signals and the upgrade of traffic control signs. Twenty percent (20%) of the participating cost or \$9,054.35 will be City funded and the eighty percent (80%) will be funded by Wisconsin Department of Transportation.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
