To the Honorable Members of the
Public Works Committee
City of Milwaukee

Dear Committee Members:

File No. 150036 authorizes acceptance of a quit claim deed and access easement from the Milwaukee Metropolitan Sewerage District for a portion of the property at 1314 East Chambers Street for use as a stormwater drainage channel for the Milwaukee Water Works at the Riverside Pumping Station, in the 3rd Aldermanic District.

This file permits the City of Milwaukee to accept a quit claim deed and easement to acquire and to access property for a stormwater drainage channel for the Milwaukee Water Works.

Since this file is necessary for a Milwaukee Water Works project, the City Plan Commission at its regular meeting on May 4, 2015, recommended approval of the subject file.

Sincerely,

Rocky Marcoux
Executive Secretary
City Plan Commission of Milwaukee
