

April 2, 2002

To the Honorable, the Common Council

Subject: Resolution to authorize the naming of
West Sonata Drive and Sonata Circle as
private roads

Dear Council Members

The Wilson Commons Senior Living Community development will be located on the west side of South 13th Street and north of West Bolivar Avenue. This development includes an internal road system to support traffic circulation within the senior housing complex. The developer has requested that the City recognize West Sonata Drive and Sonata Circle as private roads. This recognition allows the City to assign addresses to the various buildings which do not front on public streets. These addresses will support mail delivery and emergency services responses to the complex.

The developer of this housing complex is responsible for placing the brown street signs at their expense, in compliance with Chapter 113-1 of the Milwaukee Code of Ordinances. The developer is also responsible for placing a stop sign on West Sonata Drive at South 13th Street so that eastbound traffic will stop at South 13th Street.

We have prepared, and recommend for adoption the attached resolution which will name two private roads within the Wilson Commons Senior Living Community, West Sonata Drive and Sonata Circle.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua
Commissioner of Public Works
