DEAR PROPERTY OWNER:

The Common Council has referred File No. 061436 to the City Plan Commission for recommendation. This is an ordinance relating to the establishment of a Development Incentive Zone (DIZ) overlay district known as East End Menomonee Valley, on land located generally West of North 6th Street on the North and South Sides of West Canal Street, in the 12th Aldermanic District. This ordinance establishes a zoning overlay district and approves Exhibit A relating to permitted and prohibited uses and Exhibit B relating to performance standards. The performance standards and use list, drafted by Menomonee Valley Partners and other key stakeholders, will add significant long-term value to new development at the Valley's east end, while providing the flexibility necessary to meet the current and anticipated needs of the private sector. **Please refer to the reverse side of this notice for map details.**
