RONALD D. LEONHARDT

CITY CLERK

This is the second time the yellow city garbage trucks have crashed my garage door.

Mr Steven Carini has basically said my neighbors info was not accurate. His questions were confusing to the lady who witnessed the garbage men who did this on a Monday - When regularly they always "on paper" were scheduled on TUES days -

Whos to say whos accurate?

These "most men" would not admit to being in the wrong when DRIVING. they're - just as you pick the Driver over the witness

You called it Credence of, or in their - the drivers testimony. "They weren't even

where they were suppose to be, who's Credable?

2x my Home deductable. ... what about prevention. they just keep getting away with this!?

Also Mr Steve Carini said 6-8 week.

this was aug 27<sup>th</sup> ish I called more than once - he was RUDE like I took up his time. and its Now

Nov 21<sup>st</sup> 12 week later I finally get a letter

2x as long, as Steve claimed - Letting me know

his decision was a final one. I'd get the info when he is whom ever seen fit. He values his

job losely. Very Unper, essional He claimed my neighbor is not accurate or uncredable so over the city drivers. 2x "Twice"!

Appeal

This is not fair to me or my home owners INSURANCE. Help!

P.S. I AM ATAX Payer!
