- B. Amendment, Severability, and Expansion

VIII. Appendix

- A. NID Aerial Map (referenced on page 3)
- B. 2024 Assessment Methodology and property exceptions

I. Introduction

A. Background

In 2006, the state of Wisconsin enacted WIS. Stat. 66.1110 a legislative declaration created to give Wisconsin municipalities the power to establish one or more Neighborhood Improvement Districts (NIDs) within their communities. An assessment methodology was developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood lighting, distinctive signage, and pocket-parks enhanced public green spaces and other activities as approved by the NID board.

The Riverview Neighborhood Improvement District was created in 2019, for the purposes of revitalizing and improving the neighborhood areas on Milwaukee's Northwest side location (see Appendix A). This document is the Operating Plan for the River View District. The NID proponents prepared the plan with technical assistance from the City of Milwaukee Department of City Development.

II. District Boundaries

Boundaries for the Riverview NID include the following.

- Properties that front 99th street from W Fountain Ave. north to West Lolita Ave.
- All properties that front W. Fountain Ave.
- All properties that front Parkland Court
- Properties that front North 94th street from W Fountain Ave. to North Riverview Court.
- All properties that front North Riverview Court
- Three properties on North Granville Road; 7910, 7906, and 7902

This configuration accounts for 57 individual lots that make up the Riverview NID.

III. Operating Plan

A. Plan Objectives

The objective of the Riverview NID is to do the following.

- Recertify our neighborhood's retention ponds via the City of Milwaukee's recertification process.
- Engage the second phase of work, including installation of fountains within each of the neighborhood's retention ponds.

- Maintain the common areas (including retention ponds), including snow and ice removal when needed, inside the Riverview NID boundaries.
- Assist with our planning of neighborhood socials and holiday events.

B. Activities for 2026

Principal activities that will be engaged in by the NID during the 2026 year of operation will include:

- Tree removal from the neighborhood's three (3) retention ponds
- Pond maintenance of the three (3) retention ponds to prepare them for fountain installation
- Retention pond recertification
- Maintenance and upkeep, to include lawn care and snow and ice removal, of common areas within the boundaries of the River View NID
- Host neighborhood community building events

C. Expenditures - 2026

The following represents the 2026 budget for the Riverview NID.

Income

Source of Income	Amount	Total
52 residential – owner occupied properties	\$350 annual rate	\$18,200
1 residential – rental properties	\$500 annual rate	\$500
3 residential business properties -Albertine House LLC -Angel Heart Home LLC -Marbil Home Improvement LLC	\$350 x 3	\$1,050
		\$19,750

Expenditure	Amount
Fountain Installation & Maintenance (Parkland Ct.)	\$6,500
Electric Bill for Fountain (Parkland Ct.)	\$ 100
NID Financial Review	\$ 500
Common Area Mowing Contract	\$7,500

Snow Removal	\$1,500
Social Activities	\$1,000
Insurance Annual Premium	\$1,000
Post Office Box	\$ 200
	\$18,300

D. Financing Method

The \$19,750 for the 2026 Riverview NID will be realized through the NID assessment (see Appendix B). The NID board, after receiving input from our residents, has prioritized expenditures and will continue to revise the budget as necessary to match the funds available.

E. Organization of River View NID Board

The elected Board of Directors represents a cross section of residents that make up the River View neighborhood.

Upon creation of the NID, the District shall hold annual meetings to elect directors to the district board ("board") consistent with terms of this subsection and the bylaws of the River View NID. The board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of NID assessments.

State law requires that the board be composed of at least five members and that all the board members be owners or occupants of property within the district.

State law requires the local legislative body must set the time and place for a meeting at which members of the board will be elected and shall publish a class 2 notice under Chapter 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election.

It is recommended that the NID board be structured and operate as follows:

1. Board Size – To be set by the Common council but at least 5.

2. Composition – All board members shall be owners or occupants of property within the district. The number of board members who represent commercial and residential properties shall be set as close as possible to the proportion of each type of property to the total assessed value of all property in the district. The Board shall elect its Chairperson from among its members.

3. Term - Director's terms shall be for a period of one year. Directors may be re-elected.

4. Compensation – None

5. Meetings - All meetings of the board shall be governed by the Wisconsin Open Meetings Law.

6. Record Keeping - Files and records of the board's affairs shall be kept pursuant to public record requirements.

7. Staffing - The board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof.

8. Meetings - The board shall meet regularly, at least twice each year. The board shall adopt rules of order ("by laws") to govern the conduct of its meetings. The board will hold one annual meeting, for the community, to be held on the third Thursday of October each year.

F. Relationship to the River View Homeowners' Association (HOA).

The NID shall be a separate entity from the River View HOA, notwithstanding the fact that members, officers, and directors of each may be shared. The HOA shall remain a private organization, not subject to the open meetings law, and not subject to the public record law except for its records generated in connection with the NID board. The HOA may, and it is intended, shall, contract with the NID to provide services to the NID, in accordance with this plan.

G. The NID is not authorized to hold or own property.

IV. **METHOD OF ASSESSMENT**

A. Assessment Rate and Method

It was proposed and agreed that the River View Neighborhood Improvement District will be using a varied assessment method consisting of a two-tiered assessment rate for each taxable property included within the NID boundaries.

The principle behind the assessment methodology is that residential-owner occupied properties, including business properties (assisted living facilities) should contribute at an equal amount. Residential – rental properties will be assessed at a higher rate as the owner of the properties is not a resident of the River View community. The following two-tiered assessment rate will be used to assess each taxable property.

Tier	Assessment Rate
Residential property – owner occupied and non-owner occupied assisted living facilities	\$350 annually
Residential property - rental	\$500 annually

V. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming, and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Riverview NID area and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the

creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1110 (4) (c) of the NID law.
5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
6. Encourage the State of Wisconsin, Milwaukee County, and other units of government to support the activities of the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. The City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition, a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Community and Economic Development Committee of the Common Council will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council will act on the proposed NID Plan.

6. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
7. If approved by the Mayor, the NID is created.

B. Petition against Creation of the NID

The City may not create the Neighborhood Improvement District if, within 30 days of the City Plan Commission hearing, a petition is filed with the City containing signatures of: Owners of property to be assessed under the proposed initial Operating Plan having a valuation equal to more than 40% of the valuation of all property to be assessed under the proposed initial Operating Plan, using the method of valuation specified in the proposed initial Operating Plan; or Owners of property to be assessed under the proposed initial Operating Plan having an assessed valuation equal to more than 40% of the assessed valuation of all property to be assessed under the proposed Operating Plan.

VII. FUTURE YEAR OPERATING PLAN

A. Annual Review of Operating Plan

Section 66.1110 (6)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year One activities, and information on specific assessed values, budget amounts, and assessment amounts are based on Year One conditions. Greater detail about subsequent years' activities will be provided in the required annual Plan updates.

The Riverview NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

In later years, the NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability, and Expansion

This NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the NID and this NID Plan shall be amended to conform to the law without need of re-establishment.

Should the legislature amend the Statute to narrow or broaden the process of a NID so as to exclude or include as assessable properties a certain class or classes of properties, then this NID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity.

Appendix A
Aerial view of NID #10 boundaries

Appendix B

2026 Assessment Methodology and property exceptions

The River View NID is made up of 53 individual residences (including one rental property), three (3) adult assisted living facilities, and one out lot.

- Each of the 52 owner-occupied residential units will be assessed at a rate of \$350 per unit.
- The one (1) residential rental property will be assessed at a rate of \$500 annually.
- The three (3) assisted living facilities will be assessed at a rate of \$350 per property on an annual basis.
- The out lot is owned by one of the 52 individual homeowners and will not be assessed.

The River View NID has no residential or business units that will be exempt from the funding formula.

River View

NID #10

ANNUAL REPORT 2025

River View Board of Directors –

- Clavon Byrd, Chair
- Dana Davis, Vice-Chair
- Brian Barkow, Community Engagement
- Al Moore, Secretary (assumed role in June)
- Amanda Ward-Prince, Treasurer

NID Priorities –

- Enhance community aesthetic appeal through entrance monument installation, retention pond maintenance and care of common areas.
- Crime remediation and reduction
- Celebration and Preservation of neighborhood diversity
- Development of policies and procedures that allow for effective enforcement of deed restrictions and neighborhood covenants
- Outreach to owners of rental properties to ensure that they and their tenants are aware and abide by neighborhood and aesthetic covenants
- Communicate with nonresident business owners to ensure that they are aware and abide by neighborhood and aesthetic covenants
- Facilitate and ensure familiarity and collaboration between neighbors
- Effective maintenance and five-year certification of our StormWater Management Plan

Core Programs -

- Common Area Grass/Foliage Maintenance
- Mailbox Enhancements
- Holiday/Community Events
- NID Administrative Costs
- NID Enhancement Projects
- Community Newsletter

River View Core Events -

- Neighborhood Block Party
- Neighborhood Clean-up
- Neighborhood Events Calendar

River View Major Project Completion for 2025 -

- Mailbox structure refreshed and resurfaced across the NID boundaries
- Re-design and maintenance of one of the River View welcome signs
- Retention Pond Re-Certification
- Retention Pond Maintenance in preparation for fountain installation
