King Jr. Drive to improve pedestrian safety between their parking structure and main entrance. Therefore, in the interest of public safety we recommend the installation of the above traffic control device.

Honorable, Robert Bauman
Alderman, 4th Aldermanic District

Subject: 4TH ALDERMANIC DISTRICT – FILE NO. 100148
INSTALL NO U-TURN RESTRICTION:
ON NORTH WATER STREET AT EAST STATE STREET
FOR SOUTHBOUND TRAFFIC

ON NORTH WATER STREET AT EAST WELLS STREET
FOR NORTHBOUND TRAFFIC

ON NORTH WATER STREET AT EAST CLYBOURN STREET
FOR SOUTHBOUND TRAFFIC

Dear Alderman Bauman:

As of January 1, 2010 U-turns are now legal at signalized intersections in the State of Wisconsin. Due to this change our traffic engineering staff has identified locations at signalized intersections where they have deemed U-turns to be unsafe. Therefore, in the interest of public safety, we recommend the installation of “No U-turn” restrictions at the above-captioned locations.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

Honorable, Willie L. Hines, Jr.
Alderman, 15th Aldermanic District
Room 205, City Hall

Subject: 15TH ALDERMANIC DISTRICT – FILE NO. 100148
INSTALL STOP SIGN ON NORTH 23RD STREET
AT WEST GARFIELD AVENUE

Dear Alderman Hines:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northwest corner of the intersection in the form of a building that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Subject: 5TH ALDERMANIC DISTRICT – FILE NO. 100148
INSTALL MANDATORY RIGHT TURN ON
NORTH 107TH STREET AT WEST PARK PLACE
FOR SOUTHBOUND TRAFFIC

Dear Alderman Bohl:

It has come to our attention a high number of southbound motorist on North 107th Street north of West Park Place are using the non-through traffic lanes as a driving lane to subvert the traffic queue on North 107th Street at the traffic signal at West Good Hope Road. Due to this unsafe practice, we recommend the installation of the above-captioned traffic control restriction in an effort to prevent this unsafe driving practice.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
