Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Tavern: ALL STARS BAR AND GRILL

Date: 6/1/16

Type of Incident: VIOLATION

Investigating Officer: P.O. Brian LaROQUE

This report was written by P.O. Brian LaROQUE, assigned to District Seven, Late Power Shift. On 6/1/16 at 12:11am I responded to 4001 W Fond Du Lac Av, (All Stars Sports Bar) to conduct a tavern check. I was working with P.O. Douglas PAVLIK and Squad 7466 (P.O. Michael MARTIN and P.O. Tiara SHEETS-WALKER) and 7469 (P.O. Michael VALUCH and P.O. Matthew TERPSTRA) also responded to the location.

Upon making entry into the tavern I observed two black females being ushered to the upstairs apartment by a member of the security staff. One of the females, later identified as Lashaun Y JONES (B/F, 1/20/91), was completely nude and Alexis S THOMPSON (B/F, 5/9/93) was wearing pasties over her nipples. A third female, Jayla N DAVENPORT (B/F, 10/19/95) was located in the upstairs apartment. Upon speaking with DAVENPORT she informed P.O. VALUCH that they come to the bar and are required to pay the bar before they can perform for tips.

During the investigation I spoke with Marcus A NUELL (B/M, 6/17/85) who is the son of the owner Jennie M NUELL (W/F, 9/1/59). Marcus does not have a valid Class B Manager's License nor does he have a valid Class D Bartender's License. The bartender working was identified as Lazella N SNOWDEN (B/F, 6/27/83) and she informed me that she had a Class D Bartender's License but that it expired in 2014.

During the investigation I learned that there was not a responsible person with a valid manager or bartenders license on scene. The tavern was shut down at this point to complete the investigation. I also did not observe any posted sign with the taverns cover charge for the night. I was informed that the tavern was charging a cover charge of \$5.00.

Jennie M NUELL was not at the establishment during this time. I was able to speak with her via phone and informed her that we needed to talk about the violations I observed. I asked Jennie if she knew what was occurring at her tavern and she stated that she had no knowledge of any violations. I informed her on 6/2/16 during a separate incident that her son Marcus was promoting "Butt Naked Tuesdays" and that it was to occur every Tuesday.

Jennie stated that Marcus informed her of this on 6/1/16 but that she was not aware of the other postings regarding the "Butt Naked Tuesdays" promotions.

Marcus was on scene and I informed him that he was closed for the night due to the violations and of the violations I observed. I informed Marcus of the cover charge not being posted and he showed me his front sign where it appeared that they wrote "Cover Charge" in light colored ink or marker on the existing signage. I informed Marcus that it was not adequate and that he also needs to include the cover charge price. It should be noted that I informed Jennie of this requirement on 5/19/16 during a separate tavern check I conducted. During this visit the only violation I observed was the cover charge noted posted. I informed Jennie that they could post a piece of paper with the cover charge amount hand written on it to be in compliance. When leaving the tavern on 5/19/16 security waved a female past

During the investigation Marcus stated that we were not allowed to go to the upstairs apartment but P.O. VALUCH conducted a safety sweep for lurking confederates after observing security ushering individuals upstairs. I also requested that Marcus show me where they store their overstock of liquor. He became defensive and stated its in the basement and I don't have to show you. I informed him that it is a space they utilize for the tavern and can be inspected.

Tavern: ALL STARS BAR AND GRILL

Type of Incident: UNDER AGE PATRON  
Investigating Officer: P.O. Brian LaROQUE

This report was written by P.O. Brian LaROQUE, assigned to District Seven, Late Power Shift. On July 30, 2016 at 12:30am I conducted a routine tavern check at 4001 W Fond Du Lac Av (All Stars Sports Bar and Grill) and during the tavern check I noticed one female patron drinking at the bar who appeared to be under age. I approached her and she stated that her ID card was in her vehicle. She exited the tavern and went to her vehicle but when she could not provide a state ID card I asked her for her information.

She stated that she was not going to lie to the police and that she was only 17 years old. She stated that her name was Destiny U BENTSON (B/F, 2/25/99), 2912 W Wells St 53208, 414-975-1668.

I informed BENTSON that she was subject to a citation for misrepresenting her age to receive alcohol.

I also informed the manager Eddie J NUEL of who I found and how old she was. Eddie seemed to hang his head and could not provide us an explanation on how she got into the tavern.

Unable to issue citations at this time as I was having problems with the TRACS system.

Tavern: ALL STARS BAR AND GRILL  
Date: 8/13/16  
Type of Incident: HOMICIDE  
Investigating Officer: P.O. Brian LaROQUE

This report was written by P.O. Brian LaROQUE, assigned to District Seven, Late Power Shift. On Saturday, August 13, 2016 at 2:43 am. I responded to 4001 W Fond Du Lac Av (All Stars Sports Bar and Grill) regarding a shooting investigation.

Upon my arrival I observed that there were two individuals lying in the parking lot of the tavern just outside of the main entrance and it appeared that they both had been shot. There were several citizens in the area regarding this incident and they stated several times that they had been shot.

I observed that one of the victims was not breathing and did not have a pulse. I also observed that the other victim on scene had been shot to the chest. I began CPR on the victim who was not breathing and was later assisted by other officers and MFD. The victim died despite our life saving efforts.

The victim who was shot to the chest was transported to the hospital where he later succumbed to his injuries. There were an additional two shooting victims that were transported from the scene to the hospital prior to my arrival on scene. Both of these additional victims were in serious condition. It should be noted that upon review of the security camera footage it appears that the suspect in the shooting comes from inside of the tavern and does not go to a vehicle prior to drawing his gun and shooting four people. This leads me to the conclusion that the suspect was inside of the tavern with the firearm in his possession prior to the incident.

This is an ongoing investigation and for additional information please refer to the incident report.

I noted that the time I arrived on scene was 2:43am, which is 13 minutes past bar close. I also noted that there were several vehicles still in the parking lot at the time of my arrival. Several individuals were still inside of the tavern but I am not aware if they were employees or customers.

PA-33E Narrative

This report is written by PO James Dana L. BELONGIA assigned to District 7, Community Prosecution Unit. On Thursday 08/18/16 at 1:00PM, a meeting with the owner, Jennie NUELLE, License Investigations Unit Sgt. RADEN, CLO PO D. PIERCE, CPU PO J. BELONGIA, City Attorney N. DeSATIO, Safe & Sound member, S. LABOTT held at District 7 Police Station conference room.

J. NUELLE was very cooperative to the meeting and openly discussed the two shooting incidents that resulted in three individuals injured and two homicides. NUELLE stated that she is placing the business up for sale and does not want to be involved any more with the bar. NUELLE stated that she has a minimum age of 25 for her patrons and the average age is approximately 35 years old. NUELLE stated that the former owner, a Mr. PARKER, is no longer affiliated with the business in any manner. NUELLE stated that she purchased a four camera system and gave it to the church across the street to possibly have them placed on the building with some of the cameras pointed at bar.

NUELLE stated that the busiest nights are Wednesday (Ladies Night), Friday and Saturday. In discussing how the bar determines if a patron is on the banded from the bar &, who retains that list. NUELLE stated that she has no physical list or book but she remembers who was kicked out.

Sgt. RADEN, made a suggestion that perhaps she should consider a professional security company for outdoor security. NUELLE seemed open to the idea of private security.

NUELLE was issued a nuisance letter for the bar by PO PIERCE.

The meeting concluded at approximately 2:15PM.

Re: Notice of Nuisance Premises

Dear Jennie Nuell:

This letter is notice to you that the Milwaukee Chief of Police, by the chief's designee, the district commander, has determined that the premises located at 4001 W. Fond du Lac Avenue ("the premises") is a nuisance pursuant to Milwaukee Code of Ordinances ("MCO") § 80-10, Chronic Nuisance Premises.

The Milwaukee Police Department has responded to the following described nuisance activities at the premises on the corresponding dates, which qualify the premises as a nuisance:

1. On October 10<sup>th</sup>, 2015 at 2:35am a call was placed to the Milwaukee Police Department regarding a fight at 4001 W. Fond du Lac Avenue. Police officers were sent to the location and during the investigation it was determined that a patron was struck by unknown patrons while attempting to leave All Star Sports Bar. That patron received a laceration that required medical attention. This incident was given Milwaukee Police Incident Number #15-283-0022. This is a violation of MCO 80-10-2-c-1-k.
2. On July 21<sup>st</sup>, 2016 at 1:41am a call was placed to the Milwaukee Police Department regarding a shooting complaint at 4001 W. Fond du Lac Avenue. Multiple police officers were dispatched and upon arrival located a subject who had been shot in the torso. According to multiple witnesses shots were fired towards the premise and then subjects leaving the premise fired back. The subject who was the victim of the shooting was caught in the middle of crossfire as he was seated on his motorcycle. This incident was given Milwaukee Police Incident Number #16-203-0015. This is a violation of MCO 80-10-2-c-1-k and 80-10-2-c-1-L.
3. On August 13<sup>th</sup>, 2016 at 2:40am a call was placed to the Milwaukee Police Department regarding a shooting complaint at 4001 W. Fond du Lac Avenue. Multiple police officers were dispatched and upon arrival located multiple subjects who had been shot. Upon speaking to witnesses the victims had been standing outside of the premise when approached by a subject. This subject produced a hand gun and began to fire towards the victims. In total four victims had been shot, two died as a result. This incident was given Milwaukee Police Incident Number #16-226-0019. This is a violation of MCO 80-10-2-c-1-k and 80-10-2-c-1-L.

As a consequence, the premises may be subject to a special charge for the cost of future enforcement for any of the nuisance activities listed in MCO § 80-10-2-c that occur at the

premises. Residential rental properties may be subject to an inspection by the Department of Neighborhood Services for compliance with the building maintenance and zoning code pursuant to MCO § 200-53.

You are directed to respond to my office within 10 days of receipt of this notice with an acceptable, written course of action that you will undertake to abate the nuisance activities occurring at the premises, or file an appeal. You may appeal this nuisance determination to the Administrative Review Appeals Board. Any appeal must be in writing and a processing fee will be charged. Please contact the Office of the City Clerk at (414) 286-2231 for additional information.

If you elect to provide a written course of action, I shall evaluate it to determine if it is a reasonable attempt at abating the nuisance activity.

Prior to responding with a written course of action, it is highly recommended that you obtain records relating to police responses regarding the premises. You may obtain these records from the Computer Aided Dispatch System (CADS) at the Open Records Section of the Milwaukee Police Department (District Three Station, 2333 North 49<sup>th</sup> Street, Second Floor) between 8:00 AM and 3:45 PM. There is a cost of 25 cents per page for these records.

Once you are able to determine the type of nuisance activity occurring at the premises, please review the following examples of nuisance abatement measures that you may include in your written course of action to abate the nuisance activity. These suggestions are not exclusive, may not apply to the particular premises, and you may propose other nuisance abatement measures that would be appropriate under your particular circumstances.

- Participate in the Department of Neighborhood Services' Landlord Training Program and make a good faith effort to apply the knowledge from the course and attend refresher classes. Information on this training program may be obtained by calling (414) 286-2954.
- Exchange names and telephone numbers with the owners and operators of neighboring premises.
- Participate in a local block watch, neighborhood association, landlord compact and property management association.
- Attend the monthly crime prevention meetings conducted by the local Milwaukee Police District Community Liaison Officer who can be contacted at CLO Phone Number.
- Institute the use of written screening criteria that are provided to each applicant at the time each proposed adult resident receives a written application; and, conduct background checks of all prospective adult tenants and residents.
- Institute the use of a written lease for each adult tenant that include provisions relating to disorderly behavior, noise, garbage disposal, use of common areas, illegal activity, tenant responsibility for guest conduct, and the prohibition of sub-leasing and long-term guests. Timely enforce any lease violations.
- Review the tenancies of all the current residents in the property. This may include the termination of tenancies and reapplication by existing tenants for new tenancy.
- Regularly inspect the interior of the property to confirm that the residents are your tenants, confirm that the premises are actually used as a residence, and to determine if the

doors and windows have been fortified or the premises outfitted with surveillance or delivery mechanisms.

- Monitor the property for evidence of drug activity. This may include observation of clear corner cuts of baggies strewn about, excessive quantities of plastic sandwich baggies found in odd places, presence of numerous weight scales or communication devices and drug paraphernalia such as unusual pipes, empty cigar wrappers, burned hollow tubes, etc.
- Install "No Loitering" signs in the front and rear of the exterior of the property. This signage permits police to cite loitering individuals in the yard and sidewalk area.
- Install "No Trespassing" signs in the front and rear of the exterior of the property. This signage permits police to cite trespassers in commercial properties.
- Install a sign with your name and contact information in a common area requesting law enforcement contact you if they are responding to a call for service at the premises.
- Record all rental properties owned by you with the Department of Neighborhood Services as required by local ordinance.
- Participate in the E-Notify system for email updates regarding the premises.
- Regularly file open records requests for Milwaukee Police Department Computer Aided Dispatch System (CADS) reports regarding the property.
- Institute a standing complaint with the local Milwaukee Police district station that will allow the police department to remove any individuals loitering on the property.
- Draft and serve a no trespassing order against identified nuisance persons and provide the local police district station a copy of the served order.
- Provide the local police district station with an updated current tenant list.

If you propose a course of action which is rejected by me or fail to timely respond to this request, and a subsequent nuisance activity occurs on or after 13 days after receipt of this notice, the premises will be subject to placement of a special charge as a lien on the property by the Commissioner of the Department of Neighborhood Services for the cost of any police services and enforcement.

Once you have been billed for the costs of police services and enforcement for three or more separate nuisance activities within one year of the date of this notice of nuisance premises, the premises may be designated a chronic nuisance, pursuant to MCO § 80-10-6, and each and every subsequent incident of nuisance activity at the premises may be deemed a separate violation and result in a citation being issued to you for failure to abate the nuisance activity. Each citation would subject you to a forfeiture of not less than \$1,000.00 or more than \$5,000.00. Upon default of payment of a chronic nuisance citation you would be subject to imprisonment in the county jail or house of correction for a period of not less than 40 days or more than 90 days for each violation.

Please contact Police Officer Daniel Pierce at 414-935-7314 with any questions, and I look forward to hearing from you.

Best regards,

EDWARD A. FLYNN
