INSTALL YIELD SIGNS ON
WEST HOPE AVENUE AT
NORTH 73RD STREET

Dear Alderman Davis:

This is in response to a request from a local resident to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that a sight obstruction on the southeast corner of this intersection reduces the available safe approach speed. We, therefore, in the interest of public safety, recommend the installation of yield signs on West Hope Avenue at North 73rd Street.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
