Some people who received this message don't often get email from mljohnson778@gmail.com. [Learn why this is important](#)

Dear Committee Members:

I wanted to voice my opinion about the proposed apartment complex on Hackett Ave. I am against this project and agree with the "Keep Our Neighborhood Aesthetics" documents submitted to the committee members.

A quick search on Apartments.com shows over 140 market rate apartments in the 53211 zip code. I am against a zoning change for an already overly saturated market of high priced apartments.

Thank you,

Mellisa Johnson
