RE: Milwaukee, WI 53221  
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Dept. of Public Works - Operations Div.  
(Name of City Department)

Amount of the charges \$ 205.15

Charge relative to: Ordinance No. 116-8 sidewalks to be kept clean snow/ice

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

We were out of town this weekend Fri - Sun. I shoveled and put salt down on Monday. There was a lot of ice but I could not get it to come up. My husband had shoulder surgery so I have been doing all the shoveling to the best of my ability. I have lived here nearly 5 years and never had any problems. Please grant us some grace. Thank you for your time!

P.S. I have been having a difficult time with the condo unit next to me due to the fact that their snow shovel service keeps pushing the snow out my property.

I also never received a warning only a letter w/ a fine. I thought I would receive that at the least first.
