TO: RONALD E. LEONHARDT, City Clerk
City Hall, Room 205

Stojan Coralic, the Licensee, and The Brew House, the Business located at 2936 South 13th Street, Milwaukee, Wisconsin, by his attorney Ronald C. Shikora, and as and for Written Objections to the Recommendation of Licenses Committee dated January 25, 2010, state as follows:

In January 2009 Ricardo D. Artega, the manager of the Business applied for a Class B Liquor License for The Brew House, but was turned down because there was "over concentration" of taverns in the area. However, about six months prior to that, a Class B Liquor License was issued for an establishment next door to the Brew House, and that establishment did not even have a lease.

In Mid-October of 2009, Stojan Coralic and his manager Ricardo D. Artega met with the Milwaukee Police Department to set forth a plan for a better and safer operation of the business. Stojan Coralic and his manager implemented the proposed plan, and thereafter no allegations of any shootings or disturbances, other than one disorderly conduct offense citation were issued to an alleged patron on 11/08/2009.

The only evidence that anyone involved with The Brew House was involved in either of the two shooting alleged to have occurred, indicates only that a victim had been a patron of The Brew House.

The Licensee also believes that one of the reasons for this action being taken at this time is the obvious ethnicity of the majority of the patrons of the Business.

Therefore, the Licensee herewith submits the above objections in opposition to the aforesaid Recommendation of Licenses Committee dated January 25, 2010.
