Regarding: Your Food Dealer Retail Application as agent for "Top Line Grocery, LLC" for "Three Brothers Plus" at 4326 W Burleigh St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

This report is written by Police Sergeant Chad Raden, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 09/24/11 at 1:19 am, Milwaukee police were dispatched to 4610 W Fond Du Lac for a Shooting complaint. Investigation revealed a fight had taken place inside of Brooklyn's and that one of the security guards discharged his firearm and struck one of the patrons inside the restaurant. The security guard was identified as Antoine Harries. Further investigation found that the owner of the business as well as security guards had instructed two women, who held a party there, not to talk to police regarding what happened if they wanted their security deposit back. The fight appeared to have stemmed from two separate parties that were booked at Brooklyn's and involved a disagreement over tables and chairs for each party to use.
2. On 02/12/12 at 1:49 am, Milwaukee police were dispatched to 4610 W Fond Du Lac for multiply calls regarding a Fight outside of Brooklyn's. Upon police arrival, all parties involved in the fight were gone. Officers spoke Shantel Stovall who stated they had closed at approximately 1:30 am because she felt the crowd was getting out of hand and that shortly afterwards; a fight broke out in the parking lot. Stovall stated when she was advised of the fight, she called police. At the time no victims were located. At approximately 2:14 am, Milwaukee police were dispatched to 5000 W Chambers for a battery complaint. The victim stated she was involved in a large fight outside of Brooklyn's and that a female repeatedly hit her over the head with a high-heeled shoe. The victim was highly intoxicated and uncooperative with police. Police also spoke with witnesses who provided statements. Attempts were made by police to obtain video surveillance but were told by Stovall that every Sunday the video purges itself and that the video from that incident was no longer available.

- On 03/10/12 at 1:23 am, Milwaukee police conducted a License Premise Check at 4610 W Fond Du Lac. Police observed a large amount of patrons inside and spoke with the owner/bartender Shantel Stovall. Stovall was asked about the capacity for the business and if she knew how many patrons were inside. Stovall told officers that capacity was 100 and then had security personal start to close the bar and have patrons leave. Officers counted the number of patrons leaving from a couple of exits from the bar and found that there were 206 patrons in the tavern with about 10 employees still inside the business. Video was unavailable to officers.

Applicant has the following outstanding balances on traffic citations she received:

11140955	Violate Red Traffic Light	\$88.80	Due on 04/20/12

- On 07/01/12 at 11:12 pm, Milwaukee police responded to a Shots Fired complaint at 4709 W Leon Terrance. A witness, who was a patron of Brooklyn', observed a subject leave the Brooklyn's and go into a vehicle parked in the tavern's parking lot. The subject retrieved a firearm and then fired several rounds at the witness and his friends, who were walking down the alley. The investigation found one round struck a nearby home causing damage. Police attempted to view surveillance video from Brooklyn's, but it did not provide any information regarding this incident.
- On 08/04/12 at 2:52 am, Milwaukee police were dispatched to 4610 W Fond Du Lac for an Entry Into Autos complaint. Investigation revealed a patron's auto was broken into while he was inside the Brooklyn's. The victim had parked his auto in the business parking lot. Taken were cell phones and a purse, which contained \$400.00 cash inside. No video footage of the parking lot was captured. Report filed.
- On 10/15/12 at 2:18 am, Milwaukee police were flagged down by Shantel Stovall who stated there were two autos with multiple occupants in her parking lot, acting suspicious. Stovall stated, when she pulled into the parking lot of her business at 2:00am, a suspicious silver auto followed her into the lot. The passenger window of the vehicle rolled down and something was pointed at her. Stovall stated she heard someone say, "Pull up next to her". Stovall exited the lot and drove down the street when she observed a squad car and notified them of the suspicious auto. Police attempted to conduct field interview on the suspicious silver auto when one subject ran on foot. The subject was later apprehended and police recovered two guns on the path of where the subject fled.
- On 11/22/12 at 2:15 am, Milwaukee police were dispatched to 4600 W Leon Terrance for a Shots Fired complaint. Officers were later advised that two shooting victims walked into St. Joseph's Hospital. Investigation revealed that shots were fired in the parking lot of Brooklyn's located at 4610 W Fond Du Lac. Police recovered casings in the parking lot and police spoke with Shantel Stovall. Stovall stated there were no problems inside the bar prior to the shooting and that she did not witness or hear the shooting.
- On 12/06/12 at 8:33 am, Milwaukee police were dispatched to 4610 W Fond Du Lac for a Property Damage complaint. Investigation found a subject intentionally broke the door window of the business and was detained by a citizen witness. The subject was arrested and charged with CDTP.

9. On Tuesday, 01/01/13, at 3:32am, officers responded to 4610 West Fond Du Lac (Brooklyn's) regarding a shooting. Investigation revealed an unknown actor had discharged a firearm striking two victims. The shooting occurred in the parking lot of the business. Three autos parked in the business's parking lot were struck.
10. On 01/29/13 at 11:15 am, a conversation took place between the CLO of District Seven and James C Kirchen in regards to the property of 4610 W Fond Du Lac. A letter from the police department was sent advising Anthony D'Acquisto that the 4610 W FDL property was now considered a nuisance property and would be in a billing status because the CLO never received a written course of action from D'Acquisto. Kirchen stated that he pays the bills for D'Acquisto and wanted to know how to rectify the situation. Kirchen further stated he didn't understand the nuisance process and stated, "Alderman Wade said not to worry because the incidents never took place at Brooklyn's". A meeting was agreed upon with all parties and was conducted at District Seven at 2:00 pm. In attendance were Thomas Holmes, Anthony D'Acquisto and the Captain of District Seven as well as several officers and ADA Joy Hammond. Discussed were incidents that occurred at Brooklyn's located at 4610 W FDL and why the business was labeled a nuisance property. Police went over several incidents, which included a substantial battery and shooting. Both Thomas and D'Acquisto were unaware of these incidents and said the lease was just renewed two weeks ago. Thomas and D'Acquisto were shown a print out of Brooklyn's plan of action that included their floor plan, which also included the in and outside of their establishment, as well as the businesses parking lot where a lot of these incidents are taking place. Thomas then asked police if video ever captured any of the events that occurred at Brooklyn's and was advised that the licensee of Brooklyn's refuses to provide video to police when incidents occur. The billing process was explained and D'Acquisto stated he would do whatever it takes to make the problems stop. D'Acquisto was also given options as to how to rid some of the problems at the business, but stated he didn't care and he'd shut the place down.
11. On 02/14/13 at 3:00 pm, an officer made contact with James Kirchen via phone to receive an update regarding the nuisance property action for Brooklyn's. An officer spoke with Kirchen and inquired about the status in regards to his intent to evict Brooklyn's from the premise. Kirchen stated after the January 29th email was sent from Mr. Hunter to an officer at the district, Mr. D'Acquisto and his representatives had communication with Alderman Willie Wade, at which time they advised Alderman Wade of the circumstances of this matter, (based upon correspondence received from District Seven in the form of a nuisance letter) that they intended to contact an attorney to move forward with evicting Brooklyn's from the property. Kirchen further stated that Alderman Wade advised Mr. D'Acquisto to "hold off" on eviction because Alderman Wade believed the police department was "blowing all of this way out of proportion," and that the police department was out of line to "go after the property owner" for incidents that occurred "outside of the bar". Kirchen stated that Alderman Wade advised Mr. D'Acquisto and his representatives that he (Alderman Wade) would be arranging a future meeting with the City Attorney, the Police Captain, and Mr. D'Acquisto to discuss this matter. Kirchen stated he was waiting to hear back from Alderman Wade regarding the meeting and that D'Acquisto told Alderman Wade, "Tell me what to do and I'll do it." The officer was told that in response, Alderman Wade told D'Acquisto to "hold off" on evicting. Mr. Kirchen also stated that "someone" from the police department told D'Acquisto (and his representatives) that he (D'Acquisto) was "in big trouble" and that if he didn't come down to meet with police, and if he didn't evict Brooklyn's, he would receive thousands of dollars in fines. Kirchen also advised

D'Acquisto (and his representatives) to make contact with an attorney and advised the attorney of the circumstances. The attorney advised D'Acquisto that he believed the police department was in error and that D'Acquisto may be the subject of a lawsuit from Brooklyn's Restaurant and Lounge, if he took eviction action. Throughout the conversation, the officer advised Kirchen that the police department responds to calls for service, takes action upon observation of violations of city ordinances or criminal statutes, etc., but does not determine licensing status for business establishments. Kirchen was further advised that in addition to the aforementioned policing activity, the police department files various reports in regards to license premises experiencing associated criminal behavior or ordinance violation activities as specified by the Nuisance Abatement Ordinance (80-10). The officer also replied to Grant Hunter's email that was sent to him on January 29th, in regards to requesting status in the matter. As of the date of the report, the officer had not received a response.

12. On 03/02/13 at 12:30 am, Milwaukee Police conducted a License Premise Check at 4610 W Fond Du Lac and no violations were observed.
13. On 03/31/13, at 1:30am, officers conducted a tavern check at 4610 West Fond Du Lac (Brooklyn's). Upon arrival, the officers believed the establishment was over capacity due to their observations. An officer was staged at the front door, while officers conducted a count. A total of 316 patrons were counted with the occupancy of the bar area being 99. The count was conducted in the bar area only. The banquet room was not being used on the night of the tavern check and has a separate capacity of 99. The licensee Shantel Stovall was on scene and was advised of the violation. Stovall was issued a citation for the violation.
14. An officer from District Seven, along with a member from DNS, was attempting to inspect the bar/restaurant in which an appointment had been scheduled to do so. After several unsuccessful attempts to reach Stovall a message was left on Stovall's voicemail advising her that the inspection would be on 04/19/13 at 12:00 pm. On 04/19/13 at 12:00 pm, police and members of the DNS were at 4610 W Fond Du Lac to conduct an inspection of the business for a new occupancy permit due to a change in ownership. At 12:11 pm, police called Stovall who stated she was not aware of the inspection date or time. When asked if she listened to her voicemail where a message had been left, Stovall stated, "her voicemail was full and that Police were lying about having contacted her". Stovall stated that police should have continued to call her until he had actually contacted with her. Stovall was advised by the officer to call when she knew she could meet up for the appointment. As of 04/30/13, the officer had not heard from Stovall.
15. On 05/01/13 at 11:00 am, Milwaukee police, along with Inspectors from the Department of Neighborhood Services met with the licensee, Shantel Stovall, at Brooklyn's regarding the capacity of the business. The inspection determined several issues that needed to be addressed in order for the occupancy permit to be issued. Stovall was advised that there were open plumbing and electrical orders at her establishment, which needed to be closed out.

Capacity would be established at 99 per the inspector. As of the report date, Stovall decided to discontinue the use of a hall room at Brooklyn's because of the cost it would take to get the work done. Stovall stated she wanted to just concentrate on getting the bar side of the business up and running with the proper licenses. Stovall advised the inspectors that Brooklyn's would remain closed until the work was completed. A business card from the inspectors was left with Stovall should she have any questions and to schedule a final inspection once the work was completed.

16. On 05/08/13 at 2:00 pm, police, along with inspectors from DNS were to meet with Stovall regarding a re-inspection of the business property at 4610 W Fond Du Lac. Stovall arrived at 2:23 pm and an inspector found an exit sign was not functioning and advised Stovall this had to be fixed before he could sign off on her occupancy permit. An appointment was re-schedule for 05/09/13 at 9:30 am by Stovall and the inspector.
17. On 05/09/13 at 9:00am, a re-inspection was conducted and no violations were found and the inspector advised Stovall that he would sign off on the occupancy permit. The inspector advised Stovall that she still had to have another DNS inspector inspect the overhead hood of above the stove. Police were advised that temporary occupancy was granted until the permit could be issued.
18. On Friday, May 31, 2013, at 2:12am, Milwaukee Police were dispatched to a shooting complaint at St Josephs Hospital. The victim stated he was intoxicated and leaving Brooklyn's (4610 W Fond DU Lac) at about 2:00am. The victim stated he began to cross the street and observed a car accident. He observed subjects exit their cars and began to shoot at each other. The victim heard approximately five gunshots and was struck in the right thigh. Casings were located at 4619 West Fond Du Lac (across from Brooklyn's). On 06/03/13, at 12:35am, officers conducted follow up at Brooklyn's regarding the shooting on 05/31/13. Stovall informed officers that a security guard and patron advised her of shoots being fired around the block on. There was no record that call was made to police from the establishment regarding the shooting. Stovall informed officers she doesn't have working cameras that record the parking lot nor the adjacent street. Officers and employees were unable to retrieve any video and Stovall voluntarily submitted the video recording device to officers.
19. On May 31, 2013, at 9:00am, Milwaukee Police Officers contacted Stovall regarding her camera system. Stovall informed officers that the camera system for the exterior doesn't function. On January 14, 2013 Stovall was sent a Notice of Mandatory Security Measures. The letter was sent by Captain Howard of District Seven, to Stovall informing her that 3 or more incidents of violent or firearm related crimes had occurred at the establishment in a years time. The letter informed Stovall she was being mandated to install security cameras pursuant to Milwaukee Ordinance 105-91. Stovall was cited for not complying with the mandatory security measures.
