Project/Program Title: Development of the Center for Health Equity

Grantor Agency: University of Wisconsin-Madison-Population Health Sciences

Grant Application Date: April 2008

Anticipated Award Date: August 2008

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The MHD Center for Health Equity is expected to address health disparities in Milwaukee by working far “upstream” of most medical and even many standard public health interventions. The Center’s expected outcomes include the development of a “dashboard” of health indicators in Milwaukee showing clear existing links to poverty, race, and other social and economic factors that influence health, internal coordination of MHD programming to focus on disparities, and increasing awareness and resolve among community leaders and the general public regarding health disparities in Milwaukee.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

This program meets the strategic goal of addressing disparity in birth outcomes and also the reduction of infant mortality.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

This grant will cover a portion of the consultant contracted to work on the development of the Center for Health Equity.

4. Results Measurement/Progress Report (Applies only to Programs):

Annual reports will be generated for birth outcomes, infant mortality, health and well being of the clients served.

5. Grant Period, Timetable and Program Phase-out Plan:

June 15, 2008 – February 1, 2009.
