Re: Support for the Nomination of Karin Tyler as Director of the Department of Community Wellness and Safety

Dear Members of the Common Council,

I am writing to express my strong support for the nomination of Karin Tyler as Director of the Department of Community Wellness and Safety. This position plays a critical role in shaping the future of safety, healing, and community well-being in Milwaukee, and I believe Ms. Tyler is exceptionally well suited to lead this work.

Throughout her career, Karin Tyler has demonstrated a deep commitment to violence prevention and community wellness. Her leadership has been evident in the way she brings together outreach teams, neighborhood organizations, and city partners to build strategies that focus not only on responding to harm, but on preventing it before it occurs. She understands that true community safety requires collaboration, trust, and a willingness to listen to the people most affected by violence.

Ms. Tyler's approach is grounded in both professional expertise and genuine compassion. She has consistently shown the ability to build strong relationships with residents, community-based organizations, and public agencies. Her emphasis on data-informed decision-making ensures that programs are not only well-intentioned, but effective and responsive to real community needs. Under her leadership, Milwaukee has seen meaningful progress in strengthening prevention efforts and expanding healing-centered initiatives.

What stands out most about Karin is her ability to unite people around a shared vision for safer, healthier neighborhoods. She recognizes the importance of elevating community voices and ensuring that residents feel heard, respected, and included in the solutions that affect their lives. This kind of leadership is essential for a department tasked with addressing complex issues that require both strategic thinking and human understanding.

For these reasons, I respectfully urge the Common Council to confirm Karin Tyler as Director of the Department of Community Wellness and Safety. I am confident that her leadership will continue to move Milwaukee forward and strengthen the partnerships needed to support long-term community well-being.

Please ensure that this letter is filed with the City Clerk in support of her nomination.

Thank you for your time and thoughtful consideration.

Re: Support for the Nomination of Karin Tyler

Dear Members of the Common Council,

I am writing to share my support for the nomination of Karin Tyler as Director of the Department of Community Wellness and Safety. This work is deeply important to me as a Milwaukee resident, and I have seen firsthand how much leadership and consistency matter when it comes to strengthening our neighborhoods.

Karin has shown a genuine commitment to the people of Milwaukee. Her ability to connect with residents, listen to concerns, and work alongside community partners has helped build trust in places where it is often hard to earn. She approaches violence prevention and community wellness with both compassion and clarity, making sure that the work stays focused on healing, collaboration, and long-term solutions.

What stands out most to me is her steady presence. Karin doesn't just lead programs—she builds relationships. She understands that real progress happens when people feel heard and included, and she brings that mindset into every part of her work. I believe that kind of leadership is exactly what this department needs.

For these reasons, I respectfully encourage the Common Council to confirm her appointment. Please ensure this letter is filed with the City Clerk in support of her nomination.

Thank you for your time and consideration.
