To the Honorable, the Common Council

Subject: Resolution to release a drainage easement located on
the properties of 3407, 3415 South 77th Street and 3406,
3414 South 78th Street

Dear Council Members:

The property owners at 3407 South 77th Street requested that the drainage easement be released from their property so that a building permit could be issued for a garage. After reviewing this matter, it was determined that the drainage easement was no longer necessary, and the easement could be released. The easement also traverses three other properties so the easement will also be released from these properties.

I recommend the adoption of this resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
