INSTALL STOP SIGNS ON  
EAST CONWAY STREET AT  
SOUTH WILLIAMS STREET

Dear Alderman Zielinski:

This is in response to your request to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that a sight obstruction on the northwest and southwest corners of this intersection reduces the available safe approach speed. We, therefore, in the interest of public safety, recommend the installation of stop signs on East Conway Street at South Williams Street.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

Subject: 13TH ALD. DIST. – FILE #040307  
INSTALL NO U TURNS  
TRUCKS 3 TONS OR OVER ON  
WEST MORGAN AVENUE AT  
SOUTH 9TH PLACE WESTBOUND

Dear Alderman Witkowski:

This is in response to your request on behalf of Ms. Joan Bennani to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that truck drivers attempt to make a “U” turn at this intersection and have to backup and go forward several times to make this turn maneuver, often running over the curb and grass area between the curb and sidewalk. This maneuver also causes a severe backup in traffic on West Morgan Avenue. We, therefore, in the interest of public safety, recommend the installation of this turn restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

Subject: 10TH ALD. DIST. – FILE #040307  
INSTALL NO LEFT TURN ON  
RIGHT TURN BYPASS ON  
NORTH 46TH STREET AT  
WEST WISCONSIN AVENUE SOUTHBOUND

Dear Alderman Murphy:

This is in response to your request on behalf of Mr. Devon Richard to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that vehicles are making a left turn at the right turn bypass in order to avoid the traffic signals at this intersection. This movement creates unwanted conflicts with motorists on West Wisconsin Avenue.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
