

To whom it may concern my name is Keith Newson and I was traveling down Brown dear road going East by hwy 57 or should I say 4400 west brown dear road at approxmely about 9:45 on Saturday April 23, 2022 and the city workers closed off the lanes on the right side of me and on the left side of me as well, however they had a guy in a truck plus a guy in the city truck and he was real close to me as the traffic was going slow because of the city workers and I was thinking he was going to wait till the traffic pass to do what they had to do, however the city worker just start driving the truck and spraying white chalk lines on the ground and moving forward going East in my directions with the traffic.. I thought nothing of it just an average day, however I went to go get my car washed I say about 30 minutes latter.. I see that side of my truck has all this white paint on it from the front of the truck to the rear of the truck even my tires as well was white from the city worker doing what they were doing..... This has cause a problem to me and my truck that's why I'm writing to you'll to get your attention on the damages that was cause by these city worker...

P.S. I went to get an estimate on my truck and I'm sending you'll a copy as well... if you have any question please feel free to contact me @ 414-469-5038...
