Subject: Milwaukee Arts Board Gratitude and Residency Update

Dear Sally,

It was such a pleasure to see you today! I want to extend my sincere gratitude for the opportunity to serve on the Milwaukee Arts Board. It is an honor to have been asked to contribute to this important work on behalf of our city's vibrant arts community.

When I was initially approached about serving, my family and I were in the midst of purchasing a new home. As a result, I no longer meet the residency requirements necessary for Board service. I apologize for the delay in sharing this update — after submitting the initial paperwork a month or so ago, I wanted to be certain of my circumstances before reaching back out.

Please know that I remain deeply supportive of the Milwaukee Arts Board and its mission, and I am grateful for the consideration extended to me. I hope there may be other opportunities in the future to partner with the Board in advancing the arts across our community.

Please share this with anyone who needs this update.

With appreciation,
Symphony Swan
