As we discussed, In File Number 011124 the title "Urban Forestry Crew Leader 3/" was reallocated from Pay Range 260 to Pay Range 282. Although no title change was intended, the title was inadvertently added to Pay Range 282 as "Urban Forestry *Specialist* Crew Leader 3/." In order to restore the original title, the following amendment would be needed:

Amend Part 3 of File Number 011124, passed by the Common Council on March 5, 2002 (Effective Pay Period 7, 2002 - March 17, 2002), under Pay Range 282 by deleting the title "Urban Forestry Specialist Crew Leader 3/" and substituting the title "Urban Forestry Crew Leader 3/."
