1. THIS AGREEMENT, is made and entered into at Milwaukee, Wisconsin between the CITY OF MILWAUKEE, a municipal corporation, hereinafter referred to as "City", as municipal employer, and the MILWAUKEE POLICE ASSOCIATION, Local #21, I.U.P.A., AFL-CIO, hereinafter referred to as "Association", as the representative of certain non-supervisory employees of the City of Milwaukee in the Police Department.
2. The parties to this Agreement are desirous of reaching an amicable understanding with respect to the employer-employee relationship which exists between them and to enter into a complete Agreement covering rates of pay, hours of work, and conditions of employment.
3. The parties do hereby acknowledge that this Agreement is the result of the unlimited right and opportunity afforded to each of the parties to make any and all demands and proposals with respect to the subject of rates of pay, hours of work, and conditions of employment and incidental matters respecting thereto.
4. This Agreement is an implementation of the provisions of Section 111.70, Wisconsin Statutes, consistent with the legislative authority in effect on the execution date of this Agreement that is delegated to the City Common Council relating to: The Chief of Police and the Fire and Police Commission (as set forth in Section 62.50, Wisconsin Statutes); The Municipal Budget Law (as set forth in Chapter 65 of the Wisconsin Statutes); and any other statutes and laws applicable to the City. 1 obligations, or responsibilities of any agency or department of City government which is
2 now expressly provided for respectively either by: State Statute and Charter Ordinances
3 of the City of Milwaukee except as expressly limited herein.

4 6. It is intended by the parties hereto that the employer-employee relationship which exists
5 now and has heretofore existed by and between the City and the members of the
6 Association who are employed by the City shall continue to be the same in the event this
7 Agreement is terminated or by virtue of its terms becomes terminated.

4 ending at 12:01 a.m. on January 1, ~~2020~~2023. This Agreement will terminate on January
5 1, ~~2020~~2023, unless the parties hereto both agree to extend it beyond that date.
- 6 2. Not earlier than June 15, ~~2019~~2022, nor later than July 1, 2019, the Association shall give

17 b. At the meeting of the Fire and Police Commission wherein the matter of the
18 extension is discussed, the affected employee will be given the opportunity to be

20 and be heard on behalf of the employee, if the employee so requests, and/or on
21 behalf of the Association.

6 ~~satisfactory modifications to Article 7 only.~~

7 I. GRIEVANCE PROCEDURE

8 A. GRIEVANCES

9 1. Differences involving the interpretation, application or enforcement of the
10 provisions of this Agreement or the application of a rule or regulation of the
11 Milwaukee Police Department affecting wages, hours, or conditions of
12 employment shall constitute a grievance under the provisions set forth
13 below. Matters of departmental discipline involving application of the rules
14 or regulations of the Milwaukee Police Department which are not subject to
15 appeal to the Board of Fire and Police Commissioners, shall constitute a
16 grievance under the aforementioned provisions and matters of departmental
17 discipline involving application of the rules or regulations of the Chief of
18 Police which are subject to appeal to the Board of Fire and Police
19 Commissioners shall not constitute a grievance under the aforementioned
20 provisions. Matters involving approval of medical (or dental) insurance
21 claims filed by an employee, or medical (or dental) insurance claims filed
22 by an employee on behalf of his/her dependents, shall not constitute a
23 grievance under the aforementioned provisions.

24 Obligations of the City under Chapter 65, Wisconsin Statutes, and any
25 pension matter under the exclusive jurisdiction or control of any duly
26 constituted pension board shall not constitute a grievance under the
27 provisions aforementioned.

1 2. This Grievance Procedure shall be inapplicable to grievances involving
2 health and life insurance benefits. A grievance concerning health insurance
3 or life insurance benefits, other than a matter involving claims, shall be
4 submitted directly to the City Labor Negotiator for review within fifteen
5 (15) calendar days of the occurrence of the incident leading to such
6 grievance. Within fifteen (15) calendar days following receipt of such
7 grievance by the City Labor Negotiator, representatives of the MPA shall
8 meet with the City Labor Negotiator, or his/her designee, at a mutually
9 convenient time and place in an attempt to resolve the grievance.
10 Following such meeting, the City Labor Negotiator shall answer the
11 grievance in writing setting forth the reasons for his/her decision and
12 submit same to the Association Grievance Committee Chairman within
13 twenty-five (25) calendar days of such meeting. If the grievance is not
14 settled, the Association may proceed to final and binding arbitration as
15 hereinafter provided.

16 3. All grievances and grievance appeals shall set forth the provision of the
17 Agreement and/or the rule or regulation of the Chief of Police under which
18 the grievance was filed. All appeals of duly filed grievances not submitted
19 by the Association or employee (hereinafter referred to as "member")
20 within the time limit specified shall be termed abandoned grievances and as
21 such shall be considered as being resolved in favor of the City and not
22 subject to provisions of this GRIEVANCE AND ARBITRATION
23 PROCEDURE. By mutual agreement, the parties may waive any of the
24 steps contained in this GRIEVANCE AND ARBITRATION
25 PROCEDURE. With the consent of the Association, the City Labor
26 Negotiator may waive any of the steps contained in this GRIEVANCE
27 AND ARBITRATION PROCEDURE for grievances involving economic
28 matters; this waiver provision shall not apply to grievances over matters of

1 Departmental discipline.

2 4. In the event the Chief or Department takes a particular action which, in the
3 Association's view, results in a violation of the agreement and such action
4 adversely affects a number of members under circumstances that are
5 essentially identical, the MPA grievance committee may file a group
6 grievance on their behalf at the second step, within 15 calendar days of the
7 occurrence of the incident leading to such grievance. The group grievance
8 shall identify by name, all members alleged to have been adversely affected
9 by such action. If the MPA grievance committee is unable to identify all
10 members of the group, by name, within the time limit allowed for the filing
11 of grievances, it shall specify those facts which cause the adversely affected
12 members to be identically situated in its view. Before responding to the
13 grievance, the Department shall provide the Association with information
14 or access to information reasonably necessary for the Association to
15 identify the members covered by the group grievance. The Association
16 must identify all members covered by the group grievance before appealing
17 it to arbitration. Alleged violations occurring after the occurrence of the
18 incident giving rise to the group grievance shall not be considered to be
19 covered by the group grievance, even if the facts are alleged to be
20 essentially identical. In such a case, separate grievances or group
21 grievances must be timely filed in order to be considered. Nothing herein is
22 intended to preclude the parties from agreeing to consolidate grievances and
23 group grievances for purposes of arbitration.

24 5. The aggrieved member shall reduce his/her grievance to writing on a
25 provided numbered form and shall present such written grievance to the
26 Association. The Association shall meet with the grievant and if the
27 grievant so desires and the Association so determines, the Association shall
28 submit the written grievance to the Personnel/Administration Bureau within

1 fifteen (15) calendar days of the occurrence of the incident leading to the
2 grievance. Therein, a request shall be made for a meeting with the Chief of
3 Police to consider the grievance. The Chief of Police and the Chief's Panel
4 together with the MPA Grievance Committee Chairman, or his/her designee
5 who shall be a member of the MPA bargaining unit, shall meet at a
6 mutually agreeable time. The grievant shall be entitled to be present at such
7 appeal meeting and shall have the right to be represented by the Grievance
8 Committee Chairman, or his/her designee who shall be a member of the
9 MPA bargaining unit, and the parties shall discuss the grievance in good
10 faith and attempt to resolve the matter. Within thirty (30) calendar days of
11 receipt of the written appeal to the grievance, unless the time period is
12 mutually extended by the parties, the Chief shall, in writing, advise the
13 Chairman of the MPA Grievance Committee and the grievant as to the
14 Chief's decision with respect to the grievance. If the grievance is not settled
15 the Association may proceed to final and binding arbitration as hereinafter
16 provided.

17 II. GRIEVANCE ARBITRATION

- 18 A. Final and binding arbitration may be initiated by serving upon the Chief of Police
19 and City Labor Negotiator a notice in writing of an intent to proceed to final and
20 binding arbitration within 30 calendar days of receipt of the Chief's decision. Said
21 notice shall identify the grievance and the employees involved.
- 22 B. The parties shall have one hundred twenty (120) calendar days following the
23 receipt of such written notice to agree upon the selection of an arbitrator, If the
24 parties cannot agree upon an arbitrator within the allotted timeframe, the
25 Association shall, within thirty (30) calendar days, request, in writing, the
26 Wisconsin Employment Relations Commission to submit a list of five (5) ad hoc
27 arbitrators to both parties. The parties shall, within seven (7) calendar days of the
28 receipt of said list, select the arbitrator by alternately striking names from the list

1 until one name remains. Such person shall then become the arbitrator. Failure to
2 make a request to the Wisconsin Employment Relations Commission for an ad hoc
3 arbitrator panel within the said period of time shall constitute a settlement of the
4 grievance.

5 C. The arbitrator shall hold hearings at a time convenient to the parties, with the
6 location of such hearings alternating between the MPA offices and the offices of
7 the City Hall complex. The arbitrator shall take such evidence as in his/her
8 judgment is appropriate for the disposition of the dispute. Statements of position
9 may be made by the parties and witnesses may be called. In disputes involving
10 application of rules or regulations of the Milwaukee Police Department, the Chief
11 of Police or his or her representative shall be permitted to participate in the
12 proceeding and to state the Department's position on the dispute.

13 D. The arbitrator shall neither add to, detract from, nor modify the language of the
14 Agreement or of the rules and regulations in arriving at a determination of any
15 issue presented that is proper for final and binding arbitration within the limitations
16 expressed herein. The arbitrator shall have no authority to grant wage increases or
17 wage decreases.

18 E. The arbitrator shall expressly confine himself/herself to the precise issues
19 submitted for arbitration and shall have no authority to determine any other issue
20 not so submitted to him/her or to submit observations or declarations of opinion
21 which are not directly essential in reaching the determination.

22 F. In reviewing any difference over application of a departmental rule or regulation
23 under this grievance and arbitration procedure, the arbitrator shall take into account
24 the special statutory responsibilities granted to the Chief of Police under Section
25 62.50, Wisconsin Statutes, 1977. The arbitrator shall not impair the ability of the
26 Chief of Police to operate the Department in accordance with the Statutory
27 responsibilities under Section 62.50, Wisconsin Statutes, 1977, nor shall he/she
28 impair the authority of the Chief of Police to maintain, establish and modify rules

1 and regulations for the operation of the Police Department, provided such rules and
2 regulations are not in violation of the specific provisions of this Agreement. In
3 addition, the arbitrator shall not prohibit the Chief of Police from executing
4 Departmental rules and regulations in a fair and equitable manner.

5 G. All expenses which may be involved in the arbitration proceedings shall be borne
6 by the parties equally. However, the expenses relating to the calling of witnesses
7 or the obtaining of depositions or any other similar expense associated with such
8 proceedings shall be borne by the party at whose request such witnesses or
9 depositions are required.

10 H. For the purpose of receiving testimony and evidence, the provisions of Section
11 788.06 and 788.07 of the Wisconsin Statutes shall apply. The arbitration award
12 shall be reduced to writing and shall be subject to Sections 788.08 through and
13 including 788.15 of the Wisconsin Statutes. All other sections and provisions of
14 Chapter 788 are hereby expressly negated and of no force and effect in any
15 arbitration under this Agreement.

16 I. It is contemplated by the provisions of this Agreement that any arbitration award
17 shall be issued by the arbitrator within sixty (60) calendar days after the notice of
18 appointment unless the parties to this Agreement shall extend the period in writing
19 by mutual consent.

20 J. The arbitrator shall submit in writing his/her award to the parties.

1 **ARTICLE 8**

2 **PROHIBITION OF STRIKES AND LOCKOUTS**

3 1. The Association pledges itself to make every effort to maintain unimpaired the police
4 service and protection of the community. It shall not cause, condone, counsel or permit its
5 members, or any of them, individually or in concert, to strike, slow down, disrupt, impede
6 or otherwise impair the normal functions of the Department.

7 2. Should one or more members of the bargaining unit, during the term of this Contract or
8 any extension thereof, breach the obligations of Subsection 1, the City Labor Negotiator
9 shall immediately notify the officers of the Association that a prohibited action is in
10 progress.

11 3. The Association shall forthwith, and in any event, within twelve (12) hours, by the senior
12 responsible officer of the Association, disavow said strike, shall order its member or
13 members in writing to return to work or cease the prohibited activity and provide the City
14 Labor Negotiator with a copy of its order, or alternatively accept the responsibility for the
15 strike.

16 4. If the Association disavows the prohibited activity, the City shall not hold the Association
17 financially responsible and the Association shall interpose no defense to the City's
18 imposition of such penalties or sanctions as the City may assess against the participants.
19 Such penalties may include:

- 20 a. Discharge

- 27 1. Employees remaining in classifications they were in immediately prior to execution of this
- 28 Agreement shall continue to be paid at the pay step at which they were paid immediately
- 29 prior to execution of this Agreement. Employees entering new classifications during the
- 30 term of this Agreement, where the biweekly pay rate of the maximum pay step for the new
- 31 classification is greater than the rate for the maximum pay step of the classification the
- 32 employee previously occupied, shall, upon entering these classifications, be paid at the
- 33 lowest numbered pay step which pays more than the biweekly base salary they previously
- 34 received. Employees entering new classifications during the term of this Agreement,
- 35 where the biweekly pay rate of the maximum pay step for the new classification is less
- 36 than or equal to the rate of the maximum pay step for the classification the employee
- 37 previously occupied, shall continue to be paid at the pay step at which they were paid
- 38 immediately prior to entering such new classification. Employees hired for employment
- 39 during the term of this Agreement shall be paid at the lowest numbered pay step of the
- 40 classification for which they are employed.
- 41 2. Employees completing one year of active service within a pay step other than the highest

1 pay step shall advance to the next higher pay step of their classification. Employees in
2 active service shall have time spent receiving a duty disability retirement allowance
3 counted as active service for purposes of computing current and prospective pay step
4 advancement.

5 3. Base salaries of employees shall be paid biweekly and shall be in compensation for the
6 full performance of the regularly scheduled hours of work for the given biweekly pay
7 period in accordance with the HOURS OF WORK provision of this Agreement. When
8 less than the full schedule of hours is worked by an employee during any such biweekly
9 pay period, the employee's biweekly base salary shall be reduced by an amount equivalent
10 to one-eightieth (1/80) of his/her biweekly base salary for each hour or fraction thereof to
11 the nearest 0.1 of an hour during which work is not performed.

12 4. The parties agree that where the City deems it necessary to aid recruitment, the City may
13 make reallocations or change recruitment rates during the term of this Agreement;
14 however, in such cases, the City agrees to inform the Association prior to implementing
15 such changes.

16 5. The City reserves the right to make classification changes, but said changes shall not
17 operate to reduce the salary of current incumbents. These changes shall not be subject to
18 arbitration under any established grievance procedure.

19 6. While occupying the Police Matron classification, employees shall be entitled to the same
20 biweekly base salary paid to employees occupying the Police Officer classification; they
21 shall be paid at the numbered pay step for the Police Officer classification which
22 corresponds to their pay step in the Police Matron classification.

23 7. All employees shall participate in direct deposit of paychecks.

24 8. The parties elect not to be bound by the required frequency of wage payment provision of
25 §109.03 (1) (a), Stats., in respect to retroactive wages payable under the terms of this
26 Agreement. Retroactive wage payments under the terms of this Agreement shall be paid
27 no later than sixty days from the execution of this Agreement. For purposes of this
28 provision, the execution date of this Agreement shall be the date the resolution approving

1 this Agreement is approved by the Mayor.

1 **ARTICLE 11**

2 **LONGEVITY PAY**

- 3 1. Except as provided in subsection 3 of this Article, below, each employee covered by this

5 service but less than fifteen (15) years of service as of that time shall be eligible to receive
6 \$300, each employee covered by this Agreement at the close of the calendar year who has
7 completed at least fifteen (15) years of service but less than twenty (20) years of service as
8 of that time shall be eligible to receive \$550, and each employee covered by this
9 Agreement at the close of the calendar year who has completed twenty (20) or more years
10 of service as of that time shall be eligible to receive \$900. An employee's "years of
11 service," as used herein, shall mean his/her active service as a member of the WERC-
12 certified bargaining unit represented by the Association or its predecessor, the
13 Professional Policemen's Protective Association.
- 14 2. Except as provided in subsection 3 of this Article, below, payments earned under these
15 provisions shall be made as soon as is administratively practicable after December 31.
- 16 3. An employee retiring on normal pension, or resigning voluntarily from the Police
17 Department shall be entitled to the benefits provided by subsection 1 of this Article,
18 above, prorated on the basis of his/her active service in the calendar year he/she retired,
19 computed to the nearest calendar month. For purposes of prorating, an employee on the
20 Police Department payroll for at least 14 days in a calendar month shall be deemed as
21 having been on the payroll for the full calendar month; in the event the employee is on the
22 Police Department payroll less than 14 days in a calendar month, then the employee shall
23 be deemed as not having been on the payroll at all during the calendar month. For
24 purposes of determining eligibility for the benefits provided in subsection 1, above, years
25 of service shall be computed as of the effective date of the employee's normal retirement
26 or voluntary resignation. Payments earned hereunder shall be made as soon as is
27 administratively practicable after the employee's retirement or voluntary resignation; the

1 employee contribution required under subsection 5.b., below, shall be deducted from these
2 payments. All other provisions of this Article shall apply unchanged.

4 provisions of this Article shall not be included in the determination of overtime
5 compensation or any other fringe benefits.

6 5. Employees in active service who retire from active service on normal pension shall have
7 their Longevity Pay benefits included in final average salary for purposes of computing
8 their service retirement allowance. For purposes of interpretation and construction of the
9 provisions of this Article:

10 a. The Longevity Pay benefit to which the employee is entitled to include in the Final
11 Average Salary computation shall be an amount equal to the Longevity Pay
12 payment the employee received for December 31 of the calendar year immediately
13 preceding the employee's effective date of retirement. For such employees who
14 retire after December 31, 1997, and who have attained 20 years or more of service
15 by the end of the calendar year which includes their effective date of retirement,
16 that amount shall be the longevity pay payment the employee would have received
17 had he or she remained in active service for the calendar year which includes his or
18 her effective date of retirement.

19 b. Employees shall be required to contribute to their respective City pension funds
20 \$1.00 of the Longevity Pay payment they received for that year. The contribution
21 shall be a payroll deduction made at the time the payment is made.

22 6. Employees in active service shall have time spent receiving a duty disability retirement
23 allowance counted as active service for purposes of computing current and prospective
24 longevity benefits.

25 7. An employee who is on detached status under the Contract Administration provisions of
26 this Agreement or an employee who has returned to active duty from detached status
27 under the Contract Administration provisions of this Agreement, or a prior Agreement
28 between the City and the Association, shall be entitled to these benefits under the terms

1 and conditions set forth if the combination of his/her "years of service," as defined in
2 paragraph 1., hereof, and his/her service in detached status establish eligibility therefore.

3 8. An employee on a military leave of absence for performance of duty as a member of the
4 State of Wisconsin National Guard or a reserve component of the Armed Forces of the
5 United States shall be eligible for Longevity Pay benefits for a calendar year prorated on
6 the basis of the employee's active service with the Department in that calendar year
7 subject to the following:

8 a. The military leave is a result of being called to, or volunteering for, active duty
9 under the authority granted to the President of the United States or the Congress of
10 the United States for a period of more than 30 calendar days;

11 b. The length of service requirements provided in section 1., above, shall determine
12 the amount of Longevity Pay benefits to which the employee is entitled;

13 c. Length of service shall be calculated as of the effective date the employee
14 separated from active service with the Department and began his/her unpaid
15 military leave of absence.

16 d. For purposes of prorating Longevity Pay benefits, an employee on the Police
17 Department payroll for at least 14 days in a calendar month shall be deemed as
18 having been on the payroll for the full calendar month; in the event the employee is
19 on the Police Department payroll less than 14 days in a calendar month, then the
20 employee shall be deemed as not having been on the payroll at all during the
21 calendar month.

1 **ARTICLE 12**

2 **SPECIAL DUTY AND TEMPORARY ASSIGNMENT PAY**

- 3 1. Each employee in the Police Officer job classification shall be paid an additional amount
4 for time spent underfilling the position of Desk Sergeant at the direction of his
5 commanding officer. The additional amount for each hour of time so spent shall be
6 equivalent to the difference between the base salary hourly rate of step one of Pay Range
7 808 and the Police Officer's base salary hourly rate.
- 8 2. Effective Pay Period 11, 1995, employees in the Police Officer classification who are
9 assigned or continue to be assigned by the Chief to the Communication Operations
10 Division to perform dispatch duties and the two Police Officers who are assigned or
11 continue to be assigned to the Court Administration Section to perform work as court
12 coordinators shall be entitled to receive temporary assignment pay for all active service in
13 such assignments. For purposes of this paragraph only, temporary assignment pay is
14 defined as a flat dollar amount equal to the difference between the maximum bi-weekly
15 pay rate for pay range 801 and the maximum bi-weekly pay rate for pay range 804.
- 16 3. Any payment made under the provisions of this Article shall not have any sum deducted
17 for pension benefits nor shall such payments be included in the determination of pension
18 benefits or other fringe benefits.
- 19 4. Effective at the start of the first full pay period following execution of the 1998-2000
20 Agreement, the two individuals who are currently underfilling the position of Court
21 Liaison Officer shall be appointed, through the appropriate procedures set forth by law, to
22 that position.

1 **ARTICLE 13**

2 **MOTORCYCLE PAY**

- 3 1. Motorcycle traffic patrol duty shall also include the time spent performing the duties and
4 responsibilities associated with winter storage of the officer's assigned motorcycle. Such
5 duties shall be prescribed by the Chief of Police, who may, from time to time, change
6 them. The duties shall include, but not be limited to, frequent visual inspection, periodic
7 recharging of the motorcycle's battery, performing the prescribed shut down procedure at
8 the beginning of winter storage and a startup procedure at the end of winter storage and
9 washing and waxing the motorcycle. The duration of time spent by an employee in the
10 performance of winter storage duties shall not exceed 1½ hours per month; no employee
11 shall devote more time to such duties without obtaining prior authorization from the
12 employee's commanding officer.
- 13 2. A motorcycle shall be stored only in a private storage area approved by the Chief. The
14 period of winter storage shall be determined by the Chief of Police.
- 15 3. For the duration of the winter storage period, an officer who maintains his/her assigned
16 motorcycle in an approved private storage area shall receive \$20.00 biweekly in addition
17 to base salary in lieu of any other compensation for the duties (and the expected amount of
18 time devoted to those duties) described in sections 1 and 2, above.
- 19 4. Except as modified by sections 1 through 3, all heretofore existing administrative
20 procedures associated with the \$20.00 biweekly payments received by employees
21 assigned to motorcycle traffic patrol duty shall remain unchanged.
- 22 5. Winter storage of City motorcycles and compensation therefore, as set forth in sections 1
23 through 4, may be terminated at any time at the sole discretion of the Chief of Police.

1 **ARTICLE 14**

2 **HOURS OF WORK**

3 1. The normal hours of work for employees covered by this Agreement shall consist of work
4 shifts of eight (8) consecutive hours which in the aggregate results in an average normal
5 work week of forty (40) hours.

6 2. Within the normal hours of work, any shift assignment of eight consecutive hours, which
7 is of 10 consecutive eight-hour work shifts in duration or longer, with each eight-hour
8 work shift starting at the same time or in the case of special assignments such as vice-
9 squad with possible differing starting times for each eight-hour work shift shall be
10 deemed to be a regularly scheduled eight-hour shift assignment; except that within the
11 normal hours of work Christmas Store detail or Summerfest detail shall also constitute a
12 regularly scheduled eight-hour shift assignment. The regularly scheduled eight-hour shift
13 assignment of employees assigned to the Professional Performance Division (PPD) who
14 perform duties traditionally performed by PPD, including criminal investigations of
15 department members and investigations of claims to which the department is a party,
16 shall be established in the same manner as that of employees assigned to the vice-squad
17 as stated above.

18 3. The regularly scheduled eight-hour shift shall be established by the Chief of Police in
19 accordance with the requirements set forth above.

20 4. Except on those occasions when an emergency situation exists, if the Department desires
21 to change the off days falling within a single pay period for a member who otherwise
22 continues to be assigned to the same schedule and off day group, the member must be
23 given personal notice of such change, at least seven days prior to the start of the pay
24 period in question. If the Department fails to give such notice, all hours worked on either
25 of the off days in question shall be treated as falling outside the regularly scheduled eight-
26 hour shift, as provided in Article 15.

1 **ARTICLE 15**

2 **OVERTIME**

3 1. DEFINITION:

4 Overtime shall be all authorized assignments outside the regularly scheduled eight-hour
5 shift as hereinbefore defined under the Article “Hours of Work.” Notwithstanding the
6 fact that trade off of work assignments or other rescheduling of work assignments
7 authorized by the Department at the request of the employee results in work assignments
8 outside of the regularly scheduled eight-hour shift, such time shall not be considered
9 overtime.

10 2. OVERTIME RATES

11 a. Overtime earned as a result of training time or roll-call time shall be compensated
12 for at base salary rates (1X).

13 b. Overtime earned as a result of court time shall be compensated as follows:

14 (1) Each court appearance less than or equal to two and one-half (2½) hours in
15 duration shall be compensated at one and one-half base salary rates
16 (1½X); however, a minimum of two and one-half (2½) hours’ pay at one
17 and one-half base salary rates (1½X) shall be granted employees covered
18 by this Agreement when said employees are officially required to appear
19 in court on their own time, provided said employees are excused before
20 completing the two and one-half (2½) hour minimum.

21 (2) Each court appearance greater than two and one-half (2½) hours in
22 duration shall be compensated at one and one-half base salary rates (1½X)
23 for the entire time of such appearance.

24 (3) Notwithstanding the foregoing, within any court appearance, the first hour
25 of court-ordered lunch time shall be unpaid.

26 (4) Parking During Court Overtime Appearance

27 Subject to the following terms and conditions, the City will provide

1 employees with City-paid parking at MacArthur Square parking facility
2 (located at 841 N. James Lovell Street) when they are on authorized Police
3 Department business during off-duty hours as a result of either a court
4 overtime assignment or when ordered to the Police Department
5 Administration Building by a commanding officer:

6 (a) If the MacArthur Square parking facility has no available parking
7 space, the City will honor parking receipts from the MATC
8 parking facility.

9 (b) Each instance of City-paid parking shall be limited to:

10 i. Court Overtime

11 The duration of the employee's court overtime appearance
12 beginning at the time the employee is required to be in
13 court, ending at the time the employee is released by the
14 court and including a reasonable amount of time for the
15 employee to get to and from his/her parked vehicle. An
16 employee assigned to the early shift on a regular basis who
17 receives City-paid parking hereunder as a result of a court
18 appearance during his/her off-duty hours shall also be
19 entitled to an extension of such parking until the end of
20 his/her assignment on that date if he/she is assigned to early
21 shift duty on that date and the conclusion of the court
22 appearance falls within two hours of the start of his/her
23 shift.

24 ii. Authorized Departmental Business at Police
25 Administration Building

26 The duration of the employee's appearance at the Police
27 Administration Building beginning at the time the
28 employee is required to be there, ending at the time the

1 employee is released by the Department and including a
2 reasonable amount of time for the employee to get to and
3 from his/her parked vehicle.

4 (c) In order to receive City-paid parking benefits, the employee shall,
5 immediately following the conclusion of a court appearance,
6 present the court overtime time card for that appearance and the
7 designated parking facility receipt covering the time period of the
8 appearance to a supervisory police officer designated by the Police
9 Department Administration. The overtime card shall indicate the
10 duration of the court appearance. Based on the overtime card, the
11 designated supervisory officer shall authorize the payment of the
12 parking fee to cover the time period of the court appearance and a
13 reasonable amount of time for the employee to get to and from
14 his/her vehicle and the court. The time allowed to get to and from
15 the employee's parked vehicle and the court shall be the same as in
16 provided in Departmental Order #8947, adopted November 27,
17 1984. This Order provides that each instance of City-paid parking
18 shall be limited to the duration of the employees' court overtime
19 appearance and include actual time up to 30 minutes prior to the
20 start of the court overtime and no more than 30 minutes after the
21 conclusion of the court overtime. City-paid parking benefits
22 associated with an employee's appearance at the Police
23 Department Administration Building during off-duty hours on
24 authorized Departmental business pursuant to order of a
25 commanding officer shall be administered in accordance with
26 procedures established for that purpose by the Police Department
27 Administration.

28 (d) The City shall be held harmless against any and all claims, actions

1 and lawsuits relating to theft or personal property damage brought
2 against the City by employees using parking facilities pursuant to
3 the parking allowance benefits provided herein. The City shall be
4 held harmless against any and all claims, lawsuits, actions,
5 damages and judgments due to the employee's operation of his or
6 her private vehicle at parking facilities which are subject to the
7 parking allowance benefits provided herein. Nothing herein would
8 operate to relieve the City of any liability it may have arising from
9 its actions or omissions or preclude the employee from pursuing
10 any rights or claims he/she may have under Wisconsin State
11 Statute 895.46.

12 c. Overtime earned as a result of an authorized eight-hour shift assignment which
13 falls outside the regularly scheduled eight-hour shift in whole or in part and which
14 because of the nature of the work performed does not fall within 2.a. or 2.b.,
15 above, shall be compensated at one and one-half (1½X) the base salary rate,
16 except that if an employee's regularly scheduled eight-hour shift, as established
17 by the HOURS OF WORK provision of this Agreement, is changed, then all time
18 worked on the new regularly scheduled eight-hour shift shall be compensated at
19 (1X) the base salary rate.

20 d. Overtime earned as a result of an authorized assignment outside of the regularly
21 scheduled shift which does not fall within 2.a., 2.b. or 2.c., above, shall be
22 compensated at one and one-half (1½X) the base salary.

23 3. OVERTIME PAYMENTS

24 a. Definitions

25 (1) Compensatory Time Off Balance (CTB)

26 The term "compensatory time off balance (CTB)", as used in subsection 3
27 of this Article, shall mean the unused amount of overtime the employee has
28 earned that was compensated in time off instead of cash.

1 (2) Overtime Earned

2 The term “overtime earned,” as used in subsection 3 of this Article, shall
3 mean the amount of overtime worked times the rate at which it is
4 compensated; for example, one hour of overtime worked that is
5 compensated at straight time rates (1X)*¹ under this Article shall equal one
6 hour of overtime earned and one hour of overtime worked that is
7 compensated at a rate of time and one-half (1½X) under this Article shall
8 equal 1½ hours of overtime earned.

9 b. Payment

10 All overtime earned for work performed during the term of this Agreement, shall
11 be paid for in cash except that:

12 (1) If an employee’s compensatory time off balance (CTB) recorded on the
13 most current Police Department Personnel Status Report is less than 225
14 hours, the employee may elect to be compensated in time off instead of
15 cash for each instance of overtime work performed after issuance of the
16 most current Status Report until issuance of the next Status Report which
17 indicates the employee’s CTB is equal to or greater than 225 hours.

18 (2) An employee may use compensatory time off on dates he/she has requested
19 provided the employee gives his/her commanding officer reasonable
20 advance notice of the dates requested and the dates are determined
21 available by the commanding officer in accordance with the needs of the
22 Police Service. The processing of requests for use of compensatory time
23 off shall be on a first-come, first-served basis. Decisions made by the
24 employee’s commanding officer with respect to the availability of the
25 dates the employee has requested shall be subject to all of the provisions

¹ *Less than two and one half hours of Court Overtime worked shall equal two and one half hours of overtime earned at 1.5X Base Salary.

1 of subsections 3.b. (3) and (4).

2 (3) The parties recognize and shall implement the U.S. Department of Labor's
3 position that prior to denying a request to use accrued compensatory time,
4 and even when granting the request would bring operations below
5 prescribed staffing levels, an employer must first attempt operational
6 alternatives to fill its prescribed staffing levels by using replacement
7 officers at premium overtime rates when required by the FLSA.
8 Accordingly, the City, working with and through the Milwaukee Police
9 Association, has established a system which guarantees that no one is
10 denied compensatory time off when prescribed staffing levels can be met
11 through a replacement (paid at FLSA premium rates where they apply). If
12 a police officer is denied a request to use compensatory time on the
13 regularly scheduled shift that the officer has requested, whether on the
14 basis of prescribed staffing levels or for any other reason(s), the provisions
15 enumerated as subsections (a) through (k) at the end of this paragraph will
16 be utilized in order to obtain, when at all possible, a suitable replacement
17 for the officer, excepting under the following circumstances in which the
18 below-described duties fall within the officer's regularly scheduled shift:

19 (aa) where that police officer is required to testify at a hearing, trial, or
20 other proceeding on behalf of the City (including, *inter alia*, Fire
21 and Police Commission meetings or hearings, grievance arbitrations,
22 or lawsuits) to the exclusion of any other police officer, and where
23 he or she has not been subpoenaed to testify;

24 (bb) where a police officer is mandated to appear at a charging
25 conference in the office of the District Attorney, or before any other
26 public prosecutor, and where his or her involvement in the arrest or
27 other pertinent events mandates that the police officer appear to the
28 exclusion of any other police officer; and

1 (cc) in those circumstances where the police officer (excluding those
2 assigned to the Patrol Bureau and excepting those police officers
3 assigned to the Patrol Support Division), possesses unique technical
4 skills which are required to be made available to the Police
5 Department during a particular period of time. In the event that an
6 officer is denied compensatory time off (or is initially granted
7 compensatory time off and is subsequently denied) under this
8 subsection (cc), s/he shall be compensated at the rate of 1-1/2x (or
9 2x if cancelled within 24 hours of the start of the compensatory time
10 previously granted) for all hours of that shift for which
11 compensatory time off had been requested if the following
12 conditions are satisfied prior to notification by the Department that
13 s/he would be required to work during that time:

- 14 1. the officer made arrangements for a replacement; and
- 15 2. both the officer requesting compensatory time off and the
16 replacement executed and filed with the Department the forms
17 specified in Article 15 Section 3.b.(3)(1), of this paragraph,
18 below.

19 The Chief of Police shall develop a form, which will be posted at each work
20 location throughout the Police Department, upon which employees seeking
21 replacements may identify themselves and the pertinent date(s). The
22 availability of this form shall not preclude the use of replacements obtained
23 by police officers through other means. The following conditions will apply
24 to replacements obtained under this subsection. If these conditions are
25 fulfilled, the replacement will work in place of the employee who has
26 requested the use of compensatory time off and that request shall be
27 granted.

28 (a) Arrangements for a replacement must be made and confirmed at

1 least 48 hours in advance of the start of the compensatory time
2 which is to be taken off.

3 (b) The replacement worker is within the same “box” as shown on the
4 “Milwaukee Police Department Organizational Chart” attached
5 hereto as page 1 of Appendix G (as may be in effect, modified or
6 changed from time to time by the Department or the Fire and
7 Police Commission) as the employee exercising his/her right to use
8 compensatory time off, except as specifically provided on page 2
9 of Appendix G or unless the employee’s commanding officer in his
10 or her discretion approves a replacement obtained by the employee
11 from a different “box.” In the event that the Department or the
12 Fire and Police Commission modifies the organizational chart, the
13 parties will immediately engage in collective bargaining to provide
14 for reasonably comparable access to replacement workers.

15 (c) The replacement must have more than one (1) year of service from
16 date of hire and must have completed field training.

17 (d) The replacement must be of the same rank as the employee
18 requesting use of compensatory time off.

19 (e) The replacement will be permitted to work as a replacement only
20 on a day when he/she would otherwise be on a regular day off.

21 (f) An employee is ineligible to work as a replacement for more than
22 two (2) regular off days in a pay period.

23 (g) An employee is ineligible to work as a replacement for more than
24 four (4) hours during a shift that immediately precedes or follows
25 that employee’s regular work shift, not to exceed two (2) occasions
26 per pay period. However, if, because of staggered shifts, the shift
27 of the officer who is being replaced ends or begins one hour before
28 or after the shift of the replacement officer, such shift shall be

1 deemed to “immediately” precede or follow the replacement’s
2 regular work shift. When this occurs, the replacement shall work
3 the one-hour of gap (for a maximum of five (5) hours work), which
4 gap time shall be compensated as if it was regular replacement
5 time, as specified in subsection (h), immediately below.

6 (h) The regular shift replacement hours will be compensated in cash at
7 straight-time (1X) rates (except for the four (4) contractual
8 holidays specified at Article 32 paragraph 1 of this Agreement
9 which will be paid at 1½X Base Salary). Time worked as a
10 replacement under this subsection shall be counted as “hours
11 worked” for FLSA purposes, so long as the requirements of the
12 FLSA apply to the City.

13 (i) The replacement will not receive out-of-shift premium.

14 (j) The replacement shall be subject to all of the obligations applicable
15 to any employee who is regularly scheduled for duty.

16 (k) If the replacement reports sick on a day when he/she is scheduled
17 to work as a replacement, he/she will be ineligible thereafter to
18 work as a replacement for a period of 90 days. If the replacement
19 reports injured off-duty on a day when he/she is scheduled to work
20 as a replacement, the replacement will be ineligible thereafter to
21 work as a replacement for a period of 90 days unless: (1) the off-
22 duty injury occurred subsequent to the time at which the
23 replacement agreed to serve in that capacity; and (2) the
24 replacement provides medical substantiation of the off-duty injury.

25 (l) A replacement will, at the time of his/her selection, execute on a
26 form prescribed by the Chief of Police his/her agreement to serve
27 as a replacement in accordance with the terms and conditions of
28 this Agreement. The officer taking compensatory time off who

1 arranged for the replacement will also execute this form.

2 (4) An officer, at his/her option and under preexisting practices, may also seek a
3 “body-for-body” trade as allowable under 29 C.F.R. § 553.31 (“Substitution”) in
4 order to use compensatory time off when desired. This shall not be a prerequisite
5 to the procedure set forth in subsection 3.b.(2) and (3) for obtaining a
6 replacement.

7 c. Compensatory Time Off Segments

8 (1) Subject to the terms and conditions provided for in subsection 3.b.(2) of
9 this Article, above, and except as provided in 3.c.(2), below, an employee
10 authorized to use earned compensatory time off must use it in units of
11 either eight-hour days or four-hour segments.

12 (2) Subject to the terms and conditions provided for in subsection 3.b.(2) of
13 this Article, above, an employee may request to use earned compensatory
14 time off in units of one (1) hour for purposes of significant personal
15 importance. Such requests will be granted at the discretion of the
16 supervisor consistent with the needs of the service and shall not be denied
17 arbitrarily or capriciously. It is understood that the needs of the service
18 are of preeminent importance in weighing such requests.

19 4. All overtime shall be at the option of the Chief of Police.

20 5. Application of the provisions contained in this Article shall not involve pyramiding of
21 overtime. During a period of time there are two (2) concurrent overtime rates, the
22 following procedure shall be used to determine the rate for that period:

23 a. If both rates are at time and one-half ($1\frac{1}{2}X$), the employee is paid at a rate of time
24 and one-half ($1\frac{1}{2}X$).

25 b. If one of the rates is time and one-half ($1\frac{1}{2}X$) and the other straight-time ($1X$), the
26 employee is paid at a rate of time and one-half ($1\frac{1}{2}X$).

27 c. If both rates are straight-time ($1X$), the employee is paid at a straight-time ($1X$)
28 rate.

1 d. For purposes of construction and interpretation of this provision, a court
2 appearance involving the three and three quarter hour court overtime minimum
3 payment shall be deemed a two and one-half-hour period of time and one-half
4 (1.5X) overtime beginning with the start of such court appearance.

5 6. The hourly pay used in the computation of overtime shall be equal to one-eightieth (1/80)
6 of the employee's current biweekly base salary as provided for in the BASE SALARY
7 provision of this Agreement.

8 7. Overtime shall be compensated for each actual hour or nearest 0.1 of an hour of
9 authorized overtime worked.

10 8. Any payment made under the provisions of this Article shall not have any sum deducted
11 for pension benefits nor shall such payments be included in the determination of pension
12 benefits or other fringe benefits.

13 9. The terms and conditions agreed to between the parties in respect to Police Band
14 overtime (except as stated below), court overtime parking and negative comp time
15 balances, which are set forth respectively in City/MPA Memoranda of Understanding
16 dated: September 14, 1983 (Police Band Overtime), October 12, 1983, and November
17 16, 1983 (Court Overtime Parking) and December 15, 1983 (Negative Comp Time
18 Balances) shall be incorporated into the provisions of this Article and be made a part of
19 this Agreement as Appendix B. The terms and conditions of the Memorandum of
20 September 14, 1983 (Police Band Overtime) shall be amended to provide that the
21 Compensatory Time Off Bank (CTB) time is the same as provided in subsection 3.b.(1)
22 of this Article.

23 10. Miscellaneous Overtime Provisions

24 a. Roll Call

25 Existing roll-call time practices will be maintained for the term of this Agreement
26 or any agreed-upon extension thereof. Effective August 11, 1985, and for so long
27 as employees are covered by the Fair Labor Standards Act (FLSA) during the
28 term of this Agreement, or any agreed upon extension thereof, the 18-minute roll-

1 call period shall be reduced to a 12-minute period with all overtime earned during
2 such 12-minute period compensated at time and one-half (1½X) the base salary
3 rate. If and when employees are no longer covered by the FLSA, the roll-call
4 period shall be increased to an 18-minute period and overtime earned as a result
5 of roll-call shall be compensated at base salary rates (1X). Identification
6 Technicians who are assigned to perform street duties shall attend roll call and
7 receive roll call pay.

8 b. Compensatory Time Off

9 If and when the City is required by law to pay cash for overtime work performed
10 that could otherwise have been paid for in compensatory time off under the
11 provisions of this Agreement, the City may modify overtime provisions to assure
12 that overtime compensation (whether in cash, compensatory time, or both) for all
13 overtime work performed shall not exceed 1½X the employee's base rate of pay.

1 **ARTICLE 16**

2 **FIRE AND POLICE COMMISSION OVERTIME**

3 1. Definition

4 Fire and Police Commission Overtime shall be defined as time spent by an employee
5 outside of his/her regularly scheduled eight-hour work shift, (as such eight-hour work shift
6 is defined under the HOURS OF WORK Article of this Agreement) under subpoena at a
7 trial proceeding conducted by the Board of Fire and Police Commissioners (FPC);
8 provided such FPC trial proceeding resulted from either a citizen complaint filed with the
9 FPC, or an appeal from discipline administered by the Chief of Police, and provided
10 further that the employee so subpoenaed was involved in the incident which gave rise to
11 the complaint or the discipline. The extent of involvement occasioning an employee's
12 appearance at a FPC trial proceeding, where such appearance was solely for the
13 dispositional phase of that proceeding, shall, in addition to covering involvement in the
14 incident which gave rise to the complaint or the discipline, cover any other involvement
15 such employee had in the course of his/her employment in the Police Department with the
16 defendant(s) in such complaint or discipline. The term, "FPC trial proceeding," as used
17 herein, shall also include FPC conciliation proceedings.

18 2. Limitations

19 a. Fire and Police Commission Overtime shall not include overtime assignments
20 made by the Chief of Police. Overtime assignments made by the Chief of Police
21 shall be covered by Article 15 of this Agreement entitled OVERTIME.

22 b. An employee shall not be entitled to any compensation for an FPC trial proceeding
23 during the time period he/she is suspended from duty with pay.

24 c. An employee shall be required to turn over to the Police Department
25 Administration all witness fees he/she received as a result of a FPC trial
26 proceeding for which the employee received Fire and Police Commission
27 Overtime pay, and make no subsequent claim for this money whatsoever.

1 3. Fire and Police Commission Overtime Rates

2 a. Fire and Police Commission Overtime earned as a result of an appearance at a FPC
3 trial proceeding that was not limited solely to the dispositional phase of the trial
4 proceeding, shall be compensated at:

5 (1) Base salary rates (1X) for all time spent at such appearance when the
6 appearance is less than or equal to two hours in duration; however, a
7 minimum of two hours' pay at base salary rates (1X) shall be granted
8 an employee when he/she is subpoenaed to appear at such FPC trial
9 proceeding on his/her own time, reports thereto, and is excused
10 before completing the two-hour minimum.

11 (2) Base salary rates (1X) for the first two hours of such appearance and
12 at time and one-half (1 1/2X) the base salary rate for all time in
13 excess of the first two hours of such appearance, when such
14 appearance is greater than two hours in duration.

15 b. Fire and Police Commission Overtime earned as a result of an appearance at a FPC
16 trial proceeding that was solely for the dispositional phase of the trial proceeding,
17 shall be compensated at a flat rate equal to two (2) hours of pay computed at the
18 employee's base salary rate (1X) in effect at the time of the appearance. The flat
19 amount provided hereunder shall not be construed as a limitation on the length of
20 an employee's appearance at such dispositional phase.

21 4. Fire and Police Commission Overtime Payments

22 Fire and Police Commission Overtime earned under the provisions of this Article shall be
23 compensated for in cash or compensatory time off in accordance with, and subject to, the
24 provisions of subsection 3 set forth in Article 15 of this Agreement. Fire and Police
25 Commission Overtime earned, that is compensated for in compensatory time off shall
26 count towards the employee's CTB and be recorded on the Police Department Personnel
27 Status Reports. For purposes of interpretation and construction of the provisions of this
28 subsection, each instance of Fire and Police Commission Overtime worked of less than

1 two hours' duration at a FPC trial proceeding, that was not limited solely to the
2 dispositional phase, shall equal two hours of Fire and Police Commission Overtime earned
3 and each instance of Fire and Police Commission Overtime worked at an FPC trial
4 proceeding that was limited solely to the dispositional phase shall equal two hours of Fire
5 and Police Commission Overtime earned.

6 5. Employees receiving compensation under the provisions of this Article for an appearance
7 at a FPC trial proceeding shall be covered by the provisions of subsection 2.b.(4) set forth
8 in the Overtime Article of this Agreement for that appearance.

9 6. Application of the provisions contained in this Article shall not involve pyramiding of Fire
10 and Police Commission Overtime, nor shall it involve pyramiding with compensation
11 provided under the Overtime Article of this Agreement. For purposes of interpretation
12 and construction of the provisions of this subsection, the terms and conditions set forth in
13 subsection 5 of the Overtime Article shall be applicable.

14 7. The hourly pay used in the computation of Fire and Police Commission Overtime shall be
15 equal to 1/80th of the employee's biweekly base salary in effect at the time of the FPC
16 trial proceeding for which such compensation is being provided.

17 8. Except for compensation received under subsection 9 of this Article, any payment made
18 under the provisions of this Article shall not have any sum deducted for pension benefits
19 nor shall such payments be included in the determination of pension benefits or other
20 fringe benefits.

21 9. An employee under subpoena to a FPC trial proceeding during the period which falls
22 within his/her regularly scheduled eight-hour work shift shall be entitled to his/her regular
23 base salary for that period; provided that such employee is not on paid leave, was actually
24 scheduled to work or worked a portion of such shift. Eligibility for compensation under
25 this subsection, and witness fee reimbursement requirements, shall be subject to the same
26 terms and conditions applicable to Fire and Police Commission Overtime that are set forth
27 in subsections 1 and 2 of this Article.

28 10. Administration

- 1 a. The Executive Director of the FPC, or his/her designee, shall record the employee's
2 appearance at a FPC trial proceeding, noting the time the employee was required to
3 report to such proceeding and the time the employee was excused from such
4 appearance. The Executive Director, or his/her designee, shall also note if the
5 employee was subpoenaed solely for the dispositional phase of the trial
6 proceeding. This information shall be forwarded to the Police Department
7 Administration. As a condition of eligibility for receipt of the compensation
8 provided hereunder, an employee must submit his/her subpoena, or clear facsimile
9 thereof, to the Executive Director (or his/her designee) at the time the employee
10 reports to the trial proceeding.
- 11 b. Administration and control of the provisions of this Article shall be under the City
12 which shall have the authority to establish such rules and procedures that it deems
13 necessary to administer the benefits provided by this Article.

1 **ARTICLE 17**

2 **INFORMATION RECOMMENDED TO BE FURNISHED TO ASSOCIATION**

- 3 1. The City will recommend to the Annuity and Pension Board of the Employees' Retirement
4 System of Milwaukee, hereinafter referred to as Board, that it supply actuarial information
5 to the Association or its actuary upon receiving a written request herefor for the purpose
6 of costing out proposals by the Association for pension changes for collective bargaining
7 conditioned upon the Board's actuary having such information available.
- 8 2. The City will recommend to the Board that the Board or the Board's actuary supply to the
9 Association or any actuary acting on behalf of said Association, any and all information
10 which said Association actuary requests for purposes of costing out proposals upon which
11 the Association may wish to collectively bargain on with the City.
- 12 3. All costs or expenses involved in supplying information either under Subsections 1 or 2
13 above to the City or to the Board involved under Subsections 1 or 2 above shall be paid
14 for by the Association in the manner required either by the City or the Board in
15 connection with the supplying of such information.
- 16 4. Excluded from Subsections 1 or 2 shall be such matters of a private or confidential nature
17 so determined by the Board as may be supplied to the Board by individual employees or
18 retirees.

1 **ARTICLE 18**

2 **RETENTION OF PENSION AND ANNUITY RIGHTS**

3 The City agrees not to diminish any contractual pension and annuity rights presently
4 vested in any employee including any rights enumerated herein.

1 **ARTICLE 19**

2 **PENSION BENEFITS**

3 Pension benefits for an employee covered by this Agreement who is a member of the
4 Employee's Retirement System of Milwaukee (ERS) shall be those benefits defined in
5 Chapter 36 of the City Charter (ERS Act) that are applicable to a "policeman". Except for
6 the following provisions, these pension benefits shall continue unchanged during the term
7 of this Agreement:

8 1. Chapter 36 of the Milwaukee City Charter regarding pension benefits for
9 employees covered by this Agreement who are members of the Employee's
10 Retirement System of Milwaukee (ERS) may be amended to the extent necessary
11 for such plan to remain qualified under Section 401.a. and 501.c. of the Internal
12 Revenue Code of 1986 as amended. In the event the IRS rules that the Charter
13 amendments have become invalid, then the Charter Ordinance will reflect back to
14 the old language of the Charter.

15 2. The City agrees that it will never seek to increase the age/service requirements
16 applicable to employees in active service and enrolled in the Employee's
17 Retirement System as a "policeman" prior to December 20, 2015, that are provided
18 for under section 36-05-1-f of the ERS Act. Effective Pay Period 1, 2016,
19 employees newly eligible for service credit as a "policeman" in the Employee's
20 Retirement System will be eligible for normal service retirement benefits no earlier
21 than age 50 with 25 years of service as a "policeman".

22 3. Subject to the conditions contained therein, the parties agree to abide by the
23 pension provisions of the October 29, 1999 Final Global Settlement Agreement for
24 Active Police Officers, as amended by Charter Ordinance.

25 If any portion of the Global Pension Settlement Agreement or implementing
26 Charter Ordinance is held invalid, or if compliance with it is restrained by
27 operation of law or by any court of competent jurisdiction, the parties shall

1 immediately enter into collective bargaining for the purpose of arriving at a
2 mutually satisfactory replacement for such portion of the Global Pension
3 Settlement Agreement or Charter Ordinance.

4 This paragraph shall in no way affect or restrict other benefits unrelated to pension
5 benefits in the Global Settlement Agreement.

6 4. Creditable service for active military service, as provided in 36-04-c, shall be
7 extended to members of the MPA who participate in the combined fund and who
8 retire on a service retirement on and after January 1, 2003.

9 5. Effective June 19, 2016, when a retirement application is filed by an employee
10 covered by this Agreement who seeks a Duty Disability Retirement Allowance, the
11 application shall be referred to the Medical Council established under s. 36-15-12
12 of the Milwaukee City Charter. The Medical Council shall determine and certify
13 whether the applicant is permanently and totally incapacitated for duty in
14 accordance with the requirements of Chapter 36 of the Milwaukee City Charter. In
15 the event the Medical Council does not have a specialist in the area of the
16 employee's injury, it shall refer an employee to a physician for an examination, the
17 referral will be made to a Tier 1 specialist (to the extent the City's Health Plan
18 Administrator provides for Tier 1 rankings) where a Tier 1 specialist exists. In any
19 reexamination authorized by Chapter 36 of the Milwaukee City Charter of such
20 retired beneficiary, the beneficiary shall be referred to the Medical Council for
21 reexamination and such Medical Council shall make the determination and
22 certification required under the provisions of Chapter 36 of the Milwaukee City
23 Charter for reexaminations.

24 6. Effective Pay Period 1, 2016, employees enrolled in the Employee's Retirement
25 System as "policeman" prior to October 3, 2011, shall contribute 7% of their
26 earnable compensation toward the employee share of their pension.

1 **ARTICLE 20**

2 **LIFE INSURANCE**

3 1. Amount of Life Insurance Coverage

4 Eligible employees shall be enrolled in, at no cost, basic life insurance coverage in an
5 amount equal to \$55,000, so long as they remain in active service. Employees shall be
6 eligible to purchase additional life insurance, in 50% increments of the employee's base
7 salary, at no cost to the City, in an amount not to exceed three (3) times the employee's
8 base salary. However, in no instance shall the amount of the additional life insurance
9 exceed \$300,000.

10 2. Adjustment of Coverage

11 The amount of life insurance coverage to which an employee is entitled shall be adjusted
12 annually on January 1 of the calendar year to reflect changes in the employee's annual
13 base salary rate. The term, "Annual Base Salary Rate," as used herein, shall be defined as
14 an amount equivalent to the employee's biweekly base salary, as his biweekly base salary
15 is defined and determined under the BASE SALARY provision of this Agreement,
16 divided by fourteen (14) and then multiplied by three hundred and sixty-five (365).

17 3. Conditions and Eligibility for Election of Coverage

18 a. Subject to the terms and conditions provided in subsection 3.b. through 3.c. of this
19 Article, below, an employee shall be enrolled in basic life insurance coverage
20 provided in subsection 1., above, on the 1st of the month following the completion
21 of 180 consecutive calendar days of active service as a full-time (40-hour per
22 week) employee following his/her initial date of employment with the City.

23 b. An employee re-employed subsequent to a separation from active service, for
24 whatever reason, must re-establish his/her eligibility for life insurance coverage on
25 the same basis that would be applicable to a new employee having the same
26 starting date that the re-employed employee had following re-employment.

27 c. An employee who has previously waived additional life insurance coverage

1 provided by the City, either hereunder or otherwise, while employed with the City
2 or a City Agency (the term, "City Agency" being as defined in subsection 36.02(8)
3 of the Milwaukee City Charter, 1971 compilation, as amended) shall be permitted
4 to elect additional life insurance coverage only on such terms and conditions as are
5 established and maintained from time to time by the City and/or its life insurance
6 carrier.

7 4. Cost of Additional Life Insurance Coverage

8 Employees eligible for the basic life insurance coverage described under Subsection 1 of
9 this Article, above, who elect additional life insurance coverage as described in subsection
10 1, shall pay to the City an amount equal to a cost per thousand, per month, at age banded
11 rates, for each \$1,000 of coverage in excess of the basic \$55,000. These payments shall
12 be accomplished by periodic deductions from employees' biweekly paychecks. The City
13 shall make all necessary payments for the basic life insurance coverage described in
14 Subsection 1. of this Article, above. Employees who have enrolled in additional life
15 insurance coverage may also purchase life insurance for spouses and dependents at no cost
16 to the City.

17 5. Conditions and Limitations on Benefits

18 a. Life insurance benefits shall be subject to the terms and conditions contained in the
19 contract between the City and its life insurance carrier.

20 6. Right of City to Change Carrier

21 7. It shall be the right of the City to select and, from time to time, to change the carrier(s),
22 subject to a sixty (60) day advance notice to the MPA, that provide the benefits set forth
23 above. The City shall, at its sole option, have the right to provide these life insurance
24 benefits on a self-insured basis.

25 8. Retiree Life Insurance Benefits

26 a. Amount of Life Insurance Coverage

27 (1) To be eligible for retiree life insurance benefits, employees, regardless of
28 age, must have maintained at least 50% of their base salary as additional

1 life insurance coverage at the time of retirement to continue to be part of the
2 City's life insurance program. All elections for additional life insurance
3 coverage must be in multiples of 50% of the base salary at the time of
4 retirement, not to exceed the additional insurance percentage elected as an
5 active employee at the time of retirement.

6 (2) Upon attaining age 65, and having maintained additional life insurance
7 coverage, as described in 1.a., of this subsection, from retirement to age 65,
8 the city shall provide \$10,000 of life insurance coverage.

9 (3) Retirees may reduce additional life insurance coverage to any multiple of

3 Unused Sick Leave is expressed in eight-hour work days and represents the
4 amount of earned and unused sick leave credited to an employee's sick leave
5 account on the effective date of his/her retirement.

6 City Contribution is expressed as a percentage of the effective Highest Cost
7 Plan subscriber cost for the enrollment status applicable to the retiree and
8 represents the maximum contribution made by the City on behalf of such
9 retiree.

10 If the per capita subscriber cost for enrollment in the plan selected by the
11 retiree exceeds the maximum City contribution for retirees provided, the
12 retiree shall have the amount of such excess cost deducted from his/her
13 pension check.

14 (2) Surviving Spouse

15 The provisions of subsection 3.c.(1) shall be applicable to a surviving
16 spouse eligible for retiree health care coverage under subsections 2.b or 2.c.
17 of this Article. An eligible surviving spouse without eligible dependents
18 shall be covered by subsection 3.c.(1)(a); in all other circumstances he/she
19 shall be covered by subsection 3.c.(1)(b). For purposes of interpretation and
20 administration, the age the deceased retiree would have been 65 shall
21 determine the City contribution.

22 d. Duty Death

23 Depending on single/family enrollment status, the cost of coverage for the
24 surviving spouse of an employee receiving a duty death pension, under either
25 Section 36.05(5) of the ERS Act or Chapter 35.01(34) of the Milwaukee City
26 Charter, shall be as follows:

27 During calendar years ~~2018–2020~~, 2021, and ~~2019~~2022, the City will
28 contribute an amount toward meeting the subscriber cost for enrollment in the
29 plan elected of up to 100% of the monthly subscriber cost of either single or

1 family enrollment in the Highest Cost Plan. If the subscriber cost for
2 enrollment in the plan elected exceeds the maximum City contribution
3 provided, the employee shall have the amount of excess cost deducted from
4 his/her paycheck on a monthly basis.

5 e. Cost of Health Insurance After Conversion From Duty Disability

6 Upon conversion from a duty disability retirement allowance to a service
7 retirement allowance, the cost of the retiree health care coverage to which
8 he/she is entitled hereunder until he/she attains age 63 shall be as provided
9 under subsection 3.a. of this Article. The health care coverage shall be in
10 lieu of the health care coverage provided under subsection 3.c. Thereafter,
11 until attainment of age 65, the cost of such coverage shall be as provided
12 under subsection 3.c. of this Article, except that the individual's unused sick
13 leave as of the effective date his/her duty disability retirement allowance
14 commenced shall be used to compute the City-paid retiree health care
15 coverage to which he/she is entitled hereunder.

16 4. Cost of Coverage -- Dental Plan Only

17 For calendar years ~~2018-2020, 2021,~~ and ~~2019~~2022, the City will contribute an amount up
18 to \$13.00 per month for single enrollment and an amount up to \$37.50 per month for
19 family enrollment towards meeting the subscriber cost of the dental plan. If the subscriber
20 cost for single or family enrollment in the Dental Plan exceeds the maximum City
21 contribution provided, the employee shall have the amount of such excess cost deducted
22 from his/her paycheck on a monthly basis.

23 5. Self-Administration Offset

24 The per capita subscriber costs associated with the health care or dental coverage provided
25 by each of the plans listed in subsection 1., above, includes amounts allocable to the
26 administrative costs of the carriers providing such coverage. If the City elects to self-
27 administer the Basic Dental Plan, then effective with the calendar month during which this
28 election becomes effective, and so long as it continues in effect, the maximum City

1 contributions provided in subsection 4, above, for employees covered by such a self-
2 administered plan shall be reduced by an amount equal to 100% of the difference between
3 the monthly administrative costs associated with such plan prior to the effective date it
4 became self-administered and the monthly administrative costs associated with the plan
5 when it is self-administered, capitated for each subscriber in the plans on the basis of
6 single or family enrollment status. While in effect, this provision shall not increase an
7 employee's payroll deductions required to meet the costs of his/her dental insurance
8 benefits beyond the deductions that would be required under subsections 4 and 8 of this
9 Article, if the provision was not in effect.

10 6. Non-duplication

- 11 a. If more than one City employee is a member of the same family, as that term is
12 defined in provisions of the Plans defined in subsection 1. of this Article, the
13 coverage shall be limited to one family plan.
- 14 b. A retiree shall be ineligible to receive the retiree health care coverage provided
15 hereunder when receiving health care coverage from other employment or from
16 the employment of the retiree's spouse if the health care coverage received by the
17 spouse cover the retiree.
- 18 c. City health care coverage cost contributions provided hereunder to retirees shall
19 be in lieu of any other City retiree health care coverage contributions provided by
20 ordinance, resolution or by other means, while retirees are receiving the health
21 care coverage hereunder.
- 22 d. In the event an employee becomes eligible for Medicare benefits prior to attaining
23 age 65, the City will contribute an amount up to the City's maximum contribution
24 provided in subsection 3.c.(1), of this Article towards the cost of coverage for the
25 City's Medicare Supplemental Plan.

26 7. Employees on Leave of Absence

27 Employees in active service may elect to be covered by the health care coverage in
28 subsection 1.a. of this Article, above, while on an authorized leave of absence. Individuals

1 on an authorized leave of absence shall pay 100% of the cost associated with their
2 coverage. The rates for such coverage shall be determined by the City and may be
3 adjusted from time to time. This provision shall be applicable only during the first 12
4 months of an employee's authorized leave of absence.

5 8. An employee who retires on pension during the term of this Agreement shall be entitled to
6 the health care coverage provided during the term of this Agreement so long as he or she
7 is less than age 65. After this Agreement expires, such an individual, so long as he or she
8 is less than age 65, shall be entitled to:

9 (1) The same health care coverage benefits concurrently provided employees in
10 active service covered by the effective Agreement between the City and the
11 Association as is in effect from time to time (it is understood that the exclusion of
12 retirees from coverage under dental insurance benefits, as set forth above, shall
13 continue unchanged). If a retiree eligible for health care coverage dies prior to
14 age 65, the retiree's surviving spouse shall be eligible for health care coverage
15 until the last day of the month in which the deceased retiree would have attained
16 age 65; and

17 (2) The same City/retiree health care coverage cost sharing formula that was provided
18 for such retiree by this Agreement.

19 This paragraph shall only cover the kinds of retirements for which health care
20 coverage is provided by this Agreement.

21 9. Effective Date

22 Except where specifically provided otherwise herein, the provisions of this Article shall be
23 deemed to be in force and effect beginning January 1, ~~2018~~2020, and ending December
24 31, ~~2019~~2022.

25 10. Subject to the conditions contained therein, the parties agree to abide by the retiree health
26 care coverage provisions of the October 29, 1999 Final Global Settlement Agreement for
27 Active Police Officers.

28 If any portion of the Global Pension Settlement Agreement or implementing Charter

1 Ordinance is held invalid, or if compliance with it is restrained by operation of law or by
2 any court of competent jurisdiction, the parties shall immediately enter into collective
3 bargaining for the purpose of arriving at a mutually satisfactory replacement for such
4 portion of the Global Pension Settlement Agreement or Charter Ordinance.

5 This paragraph shall in no way affect or restrict other benefits unrelated to retiree health
6 insurance benefits in the Global Settlement Agreement.

14 account. Employees may utilize sick leave with pay credited to their accounts during
15 periods of sick leave for the period of time they would have worked in accordance with the
16 regularly scheduled hours of work as established under the HOURS OF WORK provision of
17 this Agreement.

18 4. Regardless of the sick leave credit earned the maximum amount of sick leave with pay
19 which employees may utilize from their accounts for any one period of continuous sick
20 leave shall not exceed 365 calendar days. Interruption of such period of sick leave shall
21 only be considered if the employee resumes his/her regular duty.

22 5. Whenever an employee requests sick leave with pay he or she shall immediately notify his
23 or her commanding officer of this fact. Such notification may be by telephone. Each
24 instance of sick leave that the employee fails to comply with the requirements of this
25 subsection shall result in the employee losing his/her entitlement to any sick leave with pay
26 for that instance.

27 6. Except as otherwise provided herein, sick leave may be permitted without requiring the

1 employee to submit medical substantiation from a private physician, provided that the
2 employee completes Form PS-16 (Application for Sick Leave), and submits same to his or
3 her commanding officer. An employee may be required by his or her commanding officer
4 to provide acceptable medical substantiation from a private physician or dentist for each
5 absence, regardless of duration, if the commanding officer is informed or believes that the
6 employee is misusing sick leave. The City shall not be responsible for the payment of any
7 fee charged by the physician or dentist to provide the acceptable medical substantiation.

8 7. When medical substantiation from an employee's private physician is required, the failure of
9 the employee to comply with this requirement shall permit the City to deny that employee
10 the sick leave benefits provided hereunder until he/she is in compliance with such
11 requirement.

12 8. The sick leave account for an employee returning to active service from duty disability
13 retirement shall be the employee's unused sick leave credit or 30 working days of sick leave,
14 whichever is greater.

15 9. Employees reporting absent on sick leave shall be governed by the rules and regulations and
16 standard operating procedures of the Police Department pertaining thereto in effect on the
17 execution date of this Agreement.

18 10. Attendance Incentive Program

19 a. The Sick Leave Control Incentive Program shall be in effect beginning Trimester 1,
20 ~~2018~~2020, and ending, at the end of Trimester 3, ~~2019~~2022. Nothing herein shall be
21 construed as requiring the City to continue the program for time periods after
22 Trimester 3, ~~2019~~2022.

23 b. The trimester periods for each calendar year are defined as follows:

24 Trimester 1 - Pay Period 1-9

25 Trimester 2 - Pay Period 10-18

26 Trimester 3 - Pay Period 19-26 or Pay Period 19-27, whichever is
27 appropriate.

28 c. An employee shall be eligible for a trimester sick leave incentive benefit only if:

- 1 (1) During the full term of the trimester, the employee did not use any paid sick
2 leave, did not receive injury pay for the full term of that trimester, was not on
3 an unpaid leave of absence, was not AWOL, was not tardy, was not suspended
4 from duty for disciplinary reasons and did not take any unpaid time off the
5 payroll; and
- 6 (2) During the full term of the trimester, the employee was in active service; and
- 7 (3) At the beginning of the trimester, the employee had an amount of earned and
8 unused sick leave credit in his/her sick leave account of 20 days; and
- 9 (4) The employee was represented by the MPA at the end of the trimester period.

10 d. In a Trimester period set forth in subsection a. and b., above, that an employee is
11 eligible for an attendance incentive program benefit, the commanding officer shall
12 determine which one of the two types of attendance incentive benefits listed below
13 the eligible employee shall receive (at the commanding officer's discretion, the
14 employee may make this determination in accordance with procedures established
15 for that purpose by the Department):

- 16 (1) A special attendance incentive payment

17 An employee receiving a special sick leave incentive payment, shall be entitled
18 to receive a lump-sum cash payment equivalent to eight hours of his/her base
19 salary computed on the basis of his/her hourly base salary rate in effect on the
20 last day of the trimester for which the payment was earned. Such payment
21 shall not be deemed part of the employee's base salary and shall not have any
22 sum deducted for pension benefits nor shall it be included in determination of
23 pension benefits or any other benefits and/or compensation provided by the
24 City. Attendance incentive payments provided hereunder shall be made as
25 soon as is administratively practicable following the close of the Trimester
26 Period in which they were earned.

- 27 (2) A special incentive leave

28 An employee receiving a special incentive leave, shall earn one eight-hour day

1 off with pay. Such day off with pay must be used by the employee in the next
2 succeeding trimester. An employee may use such day off with pay on a date
3 he/she has requested provided the employee gives his/her commanding officer
4 reasonable advance notice of the date requested and the date is determined
5 available by the commanding officer in accordance with the needs of the
6 Department. The processing of employee requests for time off earned under
7 the attendance incentive control program shall be on a first-come, first-served
8 basis. Decisions by the employee's commanding officer with respect to the
9 availability of the date the employee has requested shall be final.

1 **ARTICLE 23**

2 **FUNERAL LEAVE**

3 1. DEFINITION: Funeral leave as provided herein is for absence from duty because of the
4 death of a family member or relative.

5 2. Employees covered by this Agreement shall be granted leave of absence of the length
6 requested by the employee as follows:

7 a. Not to exceed (3) three days with pay, in case of death of the employee's wife,
8 husband, child, father, mother, sister, brother, mother-in-law, father-in-law, sister-in-
9 law, brother-in-law, son-in-law, daughter-in-law, or grandchild ;

10 b. Not to exceed one (1) day with pay in case of death of the employee's grandparents;
11 and

12 c. Not to exceed three (3) days with pay in case of death of the employee's step-mother,
13 step-father or step-children by virtue of the employee's current spouse; during the
14 employee's lifetime, eligibility to use step-parent funeral leave benefits shall be
15 limited to one (1) step-father and one (1) step-mother, regardless of the number of
16 step-parents.

17 An employee eligible for the leave with pay provided hereunder may only use that leave
18 during the seven (7) consecutive calendar day time period immediately following the date of
19 the death that occasioned the employee's request for the leave.

20 3. In the event of the death of any other relative, employees shall be permitted to change their
21 next regular day off so they may attend the funeral.

22 4. At his/her option, an employee who is granted funeral leave during a scheduled vacation
23 period may elect to either extend his/her vacation period by the number of funeral leave days
24 granted or have the vacation days that were changed to funeral leave days rescheduled at a
25 later date as a segmented vacation. The employee shall notify the Police Department
26 Administration of his/her decision with respect to such election prior to the end of the
27 vacation period in which the Funeral Leave was granted.

- 1 5. Employees requesting a leave under the provisions of this Article shall be governed by the
- 2 Rules and Regulations of the Police Department.

1 **ARTICLE 24**

2 **ILLNESS IN FAMILY**

- 3 1. A leave of absence, with pay, for one day may be granted by a commanding officer to any
4 member of his/her command in case of serious illness in his/her immediate family or other
5 extraordinary emergency.
- 6 2. Employees reporting an absence under the provisions of Subsection 1, above, shall be
7 governed by the Rules and Regulations of the Police Department.
- 8 3. An employee shall not be required to remain at his/her residence when granted leave under
9 the provisions of Subsection 1, above.

1 **ARTICLE 25**

2 **INJURY PAY**

- 3 1. When employees, covered by this Agreement, sustain injuries within the scope of their
4 employment for which they are entitled to receive worker's compensation temporary
5 disability benefits, as provided by Chapter 102 of the Wisconsin Statutes (Worker's
6 Compensation Act), they may receive 80% of their base salary as "injury pay" instead of
7 such worker's compensation benefits for the period of time they may be temporarily totally
8 or temporarily partially disabled because of such injuries. Such injury pay shall not be
9 granted for more than 365 calendar days for any one compensable injury or recurrence
10 thereof. A compensable injury associated with or arising from one or more separate
11 incidents occurring prior to the incident constituting its immediate cause shall be deemed a
12 recurrence and shall not give rise to additional injury pay entitlement. The 80% provision
13 shall become effective January 1, 1985, and shall cover employees receiving injury pay
14 benefits on or after that date regardless of the date on which the compensable injury, or
15 recurrence thereof, occurred.
- 16 2. In providing injury pay in an amount equal to 80% of the employee's base salary, the
17 employee agrees to allow the City to make a payroll adjustment to his/her biweekly
18 paycheck deducting an amount equal to 20% of his/her base salary for that portion of the
19 pay period he/she received injury pay and make no subsequent claim for said amount
20 whatsoever. Such deduction shall be administered so as not to reduce employee pension
21 benefits. For purposes of interpretation of the provisions of this Article, the term base salary
22 as used herein shall mean the employee's base salary pay rate in effect during the pay period
23 he/she is claiming injury pay as that base salary rate is established in the BASE SALARY
24 Article of this Agreement.
- 25 3. After "injury pay" benefits have been exhausted, employees shall have the option of
26 accepting sick leave benefits or accepting worker's compensation temporary disability
27 benefits. This option, which shall be in writing, may be terminated without prejudice to

- 1 temporary total or temporary partial disability benefits under the Worker's Compensation
2 Act thereafter, but such termination shall not be retroactive and any sick leave already used
3 at the time of such termination of option shall not be restored to the employee.
- 4 4. Questions involving eligibility for injury pay shall be determined under the applicable law
5 and the substantive and procedural rules of the Department of Workforce Development
6 relative to Worker's Compensation and in the event of a dispute between the City and the
7 employee relative to such eligibility, the Department of Workforce Development and the
8 courts upon the statutorily prescribed review thereof shall be the sole and final arbiters of
9 such dispute.
- 10 5. In all third-party claims or actions, the City shall not be limited in its recovery to the amount
11 of temporary disability benefits which would otherwise have been payable under the
12 Worker's Compensation Act, but shall instead be entitled to recover the amount of injury pay
13 received by the employee. In the event the City recovers an amount of injury pay received
14 by the employee, the City shall restore the employee's number of calendar days (equivalent
15 amount of recovery) for said injury.
- 16 6. Whenever an employee sustains a compensable injury, he or she shall immediately notify
17 his or her commanding officer of this fact. Each instance of injury pay that the employee
18 fails to comply with the requirement of this subsection shall result in the employee losing
19 his/her entitlement to any injury pay for that instance.
- 20 7. Employees reporting absent due to a compensable injury shall be governed by the Rules and
21 Regulations and Standard Operating Procedure of the Police Department pertaining thereto.
- 22 8. If the Internal Revenue Service (IRS) determines that the injury pay benefits provided
23 hereunder are taxable as wages, then beginning with the effective date of such
24 determination, the City will no longer require the 20% employee deduction from injury pay
25 benefits provided for in subsections 1. and 2. of this Article, above.
- 26 9. In no case shall temporary disability benefits and injury pay be allowed for the same period
27 of time.
- 28 10. Employees appointed to the Police Officer position classification shall not be entitled to the

1 injury pay benefits provided hereunder for any injury they may sustain while on duty prior
2 to the start of field training during the period of time they are assigned to the Police Training
3 Academy for recruit training. Such employees shall instead be covered by State of
4 Wisconsin Workers' Compensation Act (WCA) temporary disability benefits during such
5 period, including all applicable terms and conditions provided for in the WCA. The
6 provisions of subsections 6, 7 and 9, above, shall be applicable to employees governed by
7 this subsection.

- 8 11. During the period of an employee's absence from duty due to a duty-incurred injury, the
9 employee shall be permitted to leave his/her residence or place of confinement so long as
10 he/she has first obtained a written statement from his/her personal physician stating that such
11 travel will further his/her recuperation and the employee has first presented his/her personal
12 physician's statement to his/her commanding officer or shift commander. Whenever an
13 employee authorized to leave his/her residence or place of confinement, leaves the confines
14 of Milwaukee County, he/she shall provide his/her commanding officer written advance
15 notice of this departure indicating on the notice the time period he/she will be out of
16 Milwaukee County, location(s) where he/she can be reached and, if a location has an address
17 and/or telephone number, the address and/or telephone number of the location(s). While
18 outside the confines of Milwaukee County, the employee shall be required to notify his/her
19 commanding officer of his/her whereabouts by telephone of any changes in the locations
20 indicated on the advance notice. During any fifteen (15) day period, an employee shall not
21 be permitted to remain outside the confines of Milwaukee County for more than 14
22 consecutive calendar days. Except as provided herein and in subsection 6 of the
23 VACATION Article of this Agreement, Rule 5, Section 7 of the Milwaukee Police
24 Department Rules and Regulations shall remain unchanged and in full force and effect.

25 * * *

26 The fact that the parties have entered into an agreement preserving the status of Article 25
27 shall not be used by either party as evidence or argument in pending proceedings to revoke
28 the City of Milwaukee's self-insured status. In the event of a final determination by a

- 1 competent tribunal, both parties shall abide by the decision and negotiate any modifications
- 2 either party feels are necessary in the successor agreement.

1 **ARTICLE 26**

2 **TERMINAL LEAVE**

- 3 1. An employee retiring on City pension under either the Employees' Retirement System of
4 Milwaukee plan or the Policemen's Annuity and Benefit Fund plan (but excluding retirement
5 on deferred pension when employee has less than 25 years' service or actuarially reduced
6 pension, as they are defined in both plans) shall, upon retirement, be entitled to receive a
7 lump sum payment equivalent to one eight-hour workday's base salary for each one eight-
8 hour day of the employee's earned and unused sick leave up to a maximum of fifty-five (55)
9 such equivalent eight-hour workdays of base salary. The term "eight-hour workday's base
10 salary," as used herein, is defined as an amount equivalent to the employee's biweekly base
11 salary, as defined and determined by the BASE SALARY Article of this Agreement, divided
12 by 10.
- 13 2. When a terminal leave payment is paid to a deferred retiree with 25 or more years' service,
14 the payment will be made on the deferred retiree's effective date of separation based on
15 his/her pay rate and sick leave accumulation in effect at that time.
- 16 3. An employee shall be eligible to receive the terminal leave pay benefit only once during
17 his/her lifetime.
- 18 4. Terminal leave payments shall not be construed as being part of employee's base salary and
19 shall not be included in the computation of any fringe benefits enumerated in this
20 Agreement.
- 21 5. Terminal leave payments shall not have any sum deducted for pension benefits nor shall
22 such payments be included in any computation establishing pension benefits or payments.

1 **ARTICLE 27**

2 **MILITARY LEAVES**

3 1. Short Term Military Leaves of Absence (Reserve or National Guard Duty)--Less Than 90
4 Days Per Calendar Year

5 a. Subject to the terms and conditions provided in subsections 1.b. through 1.d. of this
6 Article, below, employees shall be entitled to time off with pay when they are
7 required to take a leave of absence for: (i) military training duty and/or (ii) military
8 duty in the State of Wisconsin because of riot or civil disturbance.

9 b. Maximum Amount of Time Off With Pay

10 (1) Continuous Service

11 If either military training duty leave or military duty on account of civil
12 disturbance is limited to a single period during the calendar year, then such
13 leave shall be granted with pay not to exceed fifteen (15) successive calendar
14 days (including Saturdays, Sundays and legal holidays) during a calendar year.

15 (2) Intermittent Service

16 If either military training duty leave or military duty on account of civil
17 disturbance is taken on an intermittent basis during the calendar year, then such
18 leave with pay shall not exceed eighty (80) hours during the calendar year.

19 (3) Combined Maximum

20 During each calendar year of this Agreement, the amount of time off with pay
21 for military leaves of absence provided hereunder that is taken by an employee
22 on a continuous service basis, together with the amount taken on an
23 intermittent service basis, shall be in aggregate not exceed eighty (80) hours in
24 aggregate for military training duty and eighty (80) hours in aggregate for
25 military duty in the State of Wisconsin because of riot or civil disturbance.

26 c. All employees who, because of honorable service in any of the wars of the United
27 States, are eligible for veterans' preference for employment by the City and/or as

1 provided in Section 45.35(5) of the Wisconsin Statutes (as it may be amended from
2 time to time), shall receive full City pay plus all military pay for duty covered under
3 subsection 1.b. of this Article, above. In all other cases, the employee agrees to allow
4 a payroll adjustment to his/her biweekly pay check, deducting an amount equal to
5 his/her military pay for such duty (up to a maximum equal to his/her City pay
6 received under subsection 1.b. of this Article, above), and to make no subsequent
7 claim for it whatsoever. Such deduction shall be administered so as not to reduce
8 employee pension benefits.

9 d. Return to City Employment from Short-Term Military Leave

10 The time off with pay for short-term military leaves provided hereunder shall be
11 granted only if the employee taking such leave reports back for City employment at
12 the beginning of his/her next regularly scheduled eight-hour work shift after the
13 expiration of the last calendar day necessary to travel from the place of training or
14 civil disturbance duty to Milwaukee following such employee's release from military
15 duty.

16 2. Long Term Military Leaves of Absence -- 90 Days or Longer Per Calendar Year

17 a. Employees who enlist or are inducted or ordered into active service in the Armed
18 Forces of the United States or the State of Wisconsin, pursuant to an act of the
19 Congress of the United States or the Legislature of the State of Wisconsin or an order
20 of the Commanders-in-Chief thereof, shall be granted a leave of absence during the
21 period of such service.

22 b. Upon completion and release from active duty under honorable conditions and
23 subject to the terms and conditions provided in subsection 2.c., below, employees on
24 military leaves of absence shall be reinstated into the positions they held at the time
25 of taking such leave of absence or to a position of like seniority, status, pay and
26 salary advancement, provided, however, that they are still qualified to perform the
27 duties of their positions or similar positions.

28 c. The rights to reinstatement provided in subsection 2.b. of this Article, above, shall be

1 terminated unless the employee satisfies the following conditions:

2 (1) Reinstatement from Military Reserve or National Guard Duty

3 (a) Initial Enlistment With At Least Three Consecutive Months of Active
4 Duty

5 An employee who is a member of the Reserve or National Guard
6 component of the Armed Forces of the United States and is ordered to an
7 initial period of active duty for training of not less than three consecutive
8 months shall make application for re-employment within 31 days after:

9 (i) such employee's release from active duty from training after
10 satisfactory service, or (ii) such employee's discharge from
11 hospitalization incident to such active duty for training or one year after
12 such employee's scheduled release from such training, whichever is
13 earlier.

14 (b) All Other Active Duty

15 Subject to Section 673b, Title 10, United States Code, an employee not
16 covered under subsection 2c(1)(a) of this Article, above, shall report
17 back for work with the City: (i) at the beginning of the employee's next
18 regularly scheduled work shift after the expiration of the last calendar
19 day necessary to travel from the place of training to the place of
20 employment following such employee's release from active duty, or (ii)
21 such employee's discharge from hospitalization incident to such active
22 duty for training or one year after such employee's scheduled release
23 from such training, whichever is earlier.

24 For purposes of interpretation and construction of the provisions of subsections
25 2c(1)(a) and 2c(1)(b) of this subsection, full-time training or any other full-time duty
26 performed by a member of the Reserve or National Guard component of the Armed
27 Forces of the United States shall be considered active duty for training.

28 (2) Other Military Service with Active Duty Of At Least 90 Consecutive Days

1 An employee inducted or enlisted into active duty with the Armed Forces of
2 the United States for a period of at least 90 consecutive days, where such
3 active duty is not covered by subsection 2c (1), above, shall, upon satisfactory
4 completion of military service, make application for re-employment within 90
5 days after: (i) such employee's release from active duty, or (ii) such
6 employee's discharge from hospitalization incident to such active duty or one
7 year after such employee's scheduled release from active duty, whichever is
8 earlier.

9 (3) Exclusions From Reinstatement Benefits

11 this Article fails to meet the requirements provided in subsections 2c (1) or 2c
12 (2) of this Article, above, or the employee's military service is not covered
13 under these two subsections, the City shall be under no obligation or
14 requirement to reinstate such individual to City employment.

15 3. Military Funeral Leaves of Absence

16 Employees shall be allowed to attend military funerals of veterans without loss of pay when
17 a request for the leave is made by a proper veterans' organization that the service of such
18 officer or employee is desired for the proper conduct of a military funeral.

19 4. Induction Examinations

20 Employees shall be entitled to time off with pay for time spent taking physical or mental
21 examinations to determine their eligibility for induction or service in the Armed Forces of
22 the United States; such time off with pay shall be granted only for examinations conducted
23 by a United States military agency.

24 5. Administration

25 The Chief of Police shall have the authority to establish such rules and procedures that
26 he/she deems necessary to administer the military leave benefits provided by this Article.
27 These rules and procedures shall cover, but not be limited to, requirements that employees
28 provide the Chief of Police with reasonable advance notice of any contemplated military

1 leave and the appropriate military orders and papers that fully document such military leave.

1 **ARTICLE 28**

2 **VACATIONS**

3 1. **Definitions**

4 The following definitions shall be used solely for the purpose of computing the current and
5 prospective vacation benefits:

6 a. Anniversary Date: The date an employee completes twelve (12) months of active
7 service following appointment to the City of Milwaukee as a regular employee.
8 After the completion of the first twelve (12) months of active service an employee's
9 vacation anniversary date shall not change.

10 b. Active Service: The time spent as a regular employee on the City of Milwaukee
11 payroll including the performance of assigned duties for the City and paid time not
12 worked. In order for paid time to count as active service for vacation purposes, such
13 time, together with any authorized unpaid leaves of absence must be continuous from
14 the date of appointment. Active service shall also include the time spent by an
15 employee who takes a military leave. In the event of an employee's resignation,
16 discharge or retirement from City employment, active service shall cease as of the
17 employee's last day at work.

18 c. Year of Service: The duration of time in active service.

19 2. Eligibility for vacation shall begin after the completion of twelve (12) months of active
20 service following appointment. An employee whose service is expected to continue so as to
21 complete a year's active service may, after six months of service and at the sole discretion of
22 the Chief of Police be allowed to take vacation time within the year of appointment.
23 However, if the employee leaves the service of the City before the completion of the initial
24 12-month period, that vacation shall be deemed unearned and payments made during the
25 vacation shall be deducted upon termination of employment.

26 3. An employee shall earn vacation time at the following rates:

27 a. Rates For Calendar Years ~~2018-2020, 2021,~~ and ~~2019~~2022

- 1 (1) Eight (8) hours for each calendar month of active service since an employee's
2 last anniversary date up to a maximum of eighty (80) hours per calendar year
3 for an employee with less than seven (7) years of active service.
- 4 (2) Twelve (12) hours for each calendar month of active service since an
5 employee's last anniversary date up to a maximum of one hundred twenty
6 (120) hours per calendar year for an employee with at least seven (7) years but
7 less than twelve (12) years of active service.
- 8 (3) Sixteen (16) hours for each calendar month of active service since the
9 employee's last anniversary date, up to a maximum of one hundred sixty (160)
10 hours per calendar year for an employee with at least twelve (12) years but less
11 than twenty (20) years of active service .
- 12 (4) Twenty (20) hours for each calendar month of active service since an
13 employee's last anniversary date up to a maximum of two hundred (200) hours
14 per calendar year for an employee with at least twenty (20) years of active
15 service.
- 16 b. For purposes of pro-rating, an employee in active service for at least fourteen (14)
17 days in a calendar month shall be deemed as having been in active service for the full
18 calendar month; in the event the employee is in active service for less than 14 days in
19 a calendar month, then the employee shall be deemed as not being in active service
20 at all during the calendar month.
- 21 c. The time period during which an employee earns vacation with pay for a calendar
22 year shall be limited to the employee's period of active service between his/her
23 anniversary date for that calendar year and his/her immediate preceding anniversary
24 date. The amount of vacation time taken during a calendar year, except for
25 separation from service as provided in subsection 5 below, shall be limited to the
26 maximums noted in this subsection, above. These maximums are not guarantees; an
27 employee is not entitled to any greater vacation with pay in a calendar year than that
28 which he/she has earned for that calendar year.

- 1 4. Employees must use vacation time during the calendar year for which such vacation time is
2 earned; employees who do not use all of their entitled vacation time within the calendar year
3 for which it was earned shall lose all rights to the unused time off.
- 4 5. Vacation time taken before the full amount has been earned shall be considered time owed
5 the City until it is earned. Any employee who leaves the service of the City due to
6 resignation, retirement, termination, discharge, layoff or death will have the compensation
7 for vacation time owed the City deducted from the final paycheck. In the event the
8 employee's last pay check is for an amount less than the amount of compensation owed the
9 City, a deduction shall also be made from the employee's next preceding pay check that
10 covers the balance of compensation owed the City. Any employee who leaves the service of
11 the City due to resignation, retirement, layoff or death or who takes military leave will be
12 paid for earned vacation time that has accumulated. If an employee returns to duty prior to
13 his/her next following anniversary date, any vacation time earned and taken hereunder shall
14 be offset against the employee's earned vacation time for the calendar year in which that
15 anniversary date falls. Discharge employees are not entitled to pay for accumulated
16 vacation time.
- 17 6. An employee on authorized injury leave as a result of a duty-incurred injury may use
18 vacation scheduled during the period of such leave provided the Police Department
19 Administration receives a written advance request to use the vacation, which indicates the
20 time and place of the vacation, and provided further, the employee's private physician has
21 authorized use of this vacation. Injured employees not using vacation scheduled during the
22 period of their leave shall have their unused vacation rescheduled by the Police Department
23 Administration when they return to duty, if it is possible to do so, before the end of the
24 calendar year. In the event the Police Department Administration is unable to reschedule all
25 of the employee's remaining unused vacation before the end of the calendar year, the
26 employee shall be entitled to receive a lump sum payment equivalent to the dollar value of
27 the remaining unused vacation at the end of the calendar year, computed on the basis of the
28 employee's base salary rate in effect at the time for which the vacation was originally

1 scheduled. This lump sum payment shall be made as soon as is administratively practicable
2 following the end of the calendar year. The lump sum payment shall not be construed as
3 being part of the employee's base salary and shall not be included in the computation of any
4 fringe benefits enumerated in this Agreement. The lump sum payment shall not have any
5 sum deducted for pension benefits nor shall it be included in any computation establishing
6 pension benefits or payments. When authorized by the Police Department Administration,
7 an employee may elect to carry over into the next succeeding calendar year any remaining
8 unused vacation that the Police Department Administration was unable to reschedule by the
9 end of the calendar year, instead of the lump sum payment provided above. The vacation
10 carried over shall be used by March 1 of the following calendar year or the employee will
11 lose all rights to it, including all rights to the lump sum payment provided above. The
12 scheduling of carried-over vacation shall be subject to availability of the dates requested by
13 the employee, require prior approval by the employee's Commanding Officer and in no way
14 affect the scheduling of other employees' vacations.

15 7. Employees on authorized sick leave shall have their vacation that was scheduled during such
16 leave rescheduled by the Police Department Administration when they return to duty if it is
17 possible to do so before the end of the calendar year. In the event the Police Department
18 Administration is unable to reschedule all of the employee's remaining unused vacation
19 before the end of the calendar year, the City, upon the employee's return to duty, will restore
20 to the employee's sick leave account an amount of time equal to the amount of unused
21 vacation.

22 8. Employees in active service shall have time spent receiving a duty disability retirement
23 allowance included as years of service for purposes of computing current and prospective
24 vacation benefits.

25 9. Segmented Vacation Periods

26 a. An employee may segment up to all of the portion of his/her maximum annual
27 vacation time entitlement earned under paragraph 3 that exceeds eighty (80) hours
28 into units of one (1), two (2), three (3) or four (4) consecutive eight-hour work days.

1 The aggregate amount of an employee's segmented vacation for a calendar year shall
2 be deemed a segmented vacation period. All other vacation benefits to which an
3 employee is entitled shall be taken in five (5) consecutive eight-hour workday units
4 in accordance with existing Departmental practices.

5 b. A segmented vacation period may be used during the time period from January 1
6 through and including December 31 of a calendar year.

7 c. An employee requesting a segmented vacation period in a calendar year shall, prior
8 to March 15 of such calendar year, notify his/her commanding officer in writing of
9 this fact on a form provided by the City, setting forth thereon the number of
10 segmented days requested. Notification requirements as to the specific dates
11 requested by the employee for his/her segmented vacation shall be as set forth in
12 subsection 9.d., below. An employee failing to comply with this requirement shall
13 not be permitted a segmented vacation period during such calendar year. The Police
14 Department Administration shall have the authority to limit the aggregate number of
15 segmented vacation days requested in the time period provided for in subsection b.,
16 above, if it determines that granting additional requests for segmented vacation
17 periods will result in insufficient manpower being available to meet the needs of the
18 Police Service.

19 d. For each unit of segmented vacation, the employee shall provide his/her
20 commanding officer with reasonable advance notice indicating the date(s) on which
21 the employee wants to use such unit of segmented vacation; such advance notice
22 shall be provided in writing no later than 72 hours prior to the first day of the
23 segmented unit of vacation. Except for requested segmented vacation dates
24 occurring on or before March 15 of the calendar year, no requested dates for
25 segmented vacation will be processed by the Department until all non-segmented
26 vacations for that calendar year have been selected by every employee in the
27 Association bargaining unit. All segmented days must be scheduled or requested on
28 or before October 15th of the calendar year; provided, however, that subject to the

1 approval of an employee's commanding officer, the October 15 deadline may be
2 waived because of emergency, or other extraordinary circumstance, affecting the
3 employee. An employee failing to comply with requirements of this subsection shall
4 have his/her unused segmented vacation time scheduled for him/her by his/her
5 commanding officer.

6 e. All requests made by employees for scheduling units of segmented vacation that are
7 submitted in accordance with the time limit and notice requirements provided above
8 shall be processed on a first-come, first-served basis, subject to the availability of the
9 dates requested determined by the employee's commanding officer. No request will
10 be granted that results in another employee losing any non-segmented vacation dates
11 he/she had previously selected in accordance with Departmental practices established
12 for that purpose. In the event an employee's request for scheduling a unit of
13 segmented vacation is in compliance with all of the time limit and advance notice
14 requirements provided above, but the employee's commanding officer has
15 determined that some or all of the dates requested by the employee for that unit are
16 unavailable, it shall be the responsibility of the employee to schedule available
17 substitute dates with his/her commanding officer.

18 10. The vacation with pay benefits computed under the provisions of this Article shall be the full
19 and only vacation benefits to which employees covered by this Agreement shall be entitled
20 during calendar years ~~2018-2020, 2021,~~ and ~~2019~~2022.

21 11. The assignment and scheduling of vacations with pay shall be controlled by the Chief of
22 Police. However, in exercising those controls, supervisors charged with the responsibility of
23 scheduling vacations shall not be prohibited from tentatively agreeing to allow members to
24 rearrange their scheduled off days in order to change the starting date of a non-segmented
25 vacation, if projected staffing needs would appear to permit such a rearrangement. If it is
26 necessary to revoke the tentative approval granted due to staffing needs, the member shall be
27 given notice no later than seven days prior to the first day the member is tentatively
28 scheduled to be absent.

1 **ARTICLE 29**

2 **TIME OFF FOR JURY DUTY**

- 3 1. Employees covered by this Agreement shall be granted time off with pay for jury duty when
4 they are legally summoned for jury duty, subject to the terms and conditions provided for in
5 subsections 2 through 6, inclusive, of this Article, below.
- 6 2. When an employee is legally summoned to report for jury duty he/she shall:
- 7 a) Immediately notify his/her commanding officer and promptly submit to him/her a
8 written report, in "matter of" form, showing the date he/she is required to report for
9 such jury duty; and
- 10 b) Complete City of Milwaukee form C-139 (Application for Jury Duty Pay) and
11 County of Milwaukee form 2448R16 (Official Jury Notice), and forward both
12 documents to the Police Department Administration Bureau-Payroll Section; and
- 13 c) Submit a Certification of Jury Service form to the Police Department Administration
14 Bureau--Payroll Section at the end of his/her jury duty. Copies of this form may be
15 obtained from the Circuit Court Calendar Clerk.
- 16 3. While on authorized jury duty employees shall be considered by the Police Department to be
17 working the day shift and shall be permitted to change their off-duty days (regular off and
18 vacation days) subject to approval from the Police Department Administration. If the
19 employee's off-duty days are changed, the employee shall be required to turn over all jury
20 duty payments he/she receives (excluding official travel pay) to the City; in the event the
21 employee's off-duty days are not changed he/she shall be entitled to retain the jury duty
22 payments he/she receives for jury duty performed on his/her off-duty days, but shall be
23 required to turn over to the City all other jury duty payments he/she receives (excluding
24 official travel pay).
- 25 4. Employees shall not be eligible for overtime while on jury duty, even if such duty extends
26 beyond eight hours in one day; nor shall they be eligible for overtime for work performed
27 outside their regularly scheduled work shift that is the result of changes made pursuant to

1 subsection 3. of this Article, above.

- 2 5. On days when the employee is normally scheduled to work, no greater amount of time off
3 for jury duty shall be granted than is necessary. If an employee is called for jury duty on
4 such day and reports thereto without receiving a jury assignment for that day, or if he/she is
5 engaged in jury duty for part of such day, he/she shall immediately notify his/her
6 commanding officer of this fact by telephone and report back to work for the remainder of
7 his/her work day. If the employee is engaged in jury duty for part of a day that falls on a
8 work day, then such requirement to report back to work shall not be applicable on days
9 where the amount of time remaining in the employee's regularly scheduled eight-hour shift
10 for that day, together with travel time from the jury duty site to the employee's duty
11 assignment location, does not allow for a work period of reasonable length; in this
12 circumstance, the employee shall still be required to notify his/her commanding officer in
13 accordance with the requirement set forth above. The criteria used in determining what
14 constitutes reasonable length shall be based on present Police Department practices covering
15 jury duty; notwithstanding the foregoing, an employee released from jury duty prior to 12:00
16 noon on a work day must report back to work for the remainder of his/her work day.

1 **ARTICLE 30**

2 **PAID LUNCH**

3 Present practices are continued for the duration of this Agreement.

1 **ARTICLE 31**

2 **TIME OFF IN LIEU OF HOLIDAYS**

- 3 1. Employees shall be entitled to receive up to ninety-six (96) hours off with pay in lieu of
4 holidays per fiscal year, one eight-hour period of which shall be designated by the Chief of
5 Police to commemorate Dr. Martin Luther King's birthday.
- 6 2. Employees in active service less than a fiscal year shall be entitled to time off in lieu of
7 holidays with pay prorated on the basis of their length of service during the fiscal year.
8 Time off in lieu of holidays shall be earned at a rate of eight (8) hours per calendar month
9 for each calendar month in a calendar year that the employee was on the Police Department
10 payroll. For purposes of interpretation of this provision, an employee on the Police
11 Department payroll for at least 14 days in a calendar month shall be deemed as having been
12 on the Police Department payroll for the full calendar month; in the event the employee is
13 on the Police Department payroll for less than 14 days in a calendar month, then the
14 employee shall be deemed as not having been on the payroll at all during such calendar
15 month.
- 16 3. Except as provided in subsection 4 of this Article, below, such time off with pay shall be
17 used by the employee in the fiscal year in which they are earned; employees who do not use
18 all of their entitled time off in lieu of holidays within the fiscal year in which it was earned
19 shall lose all right to the unused time off.
- 20 4. If an employee is unable to use all of the time off in lieu of holidays with pay to which the
21 employee is entitled during a fiscal year because of an extended period of authorized sick
22 leave that does not allow the Chief of Police to reschedule some or all of the employee's
23 unused time off in lieu of holidays in that fiscal year, then the City, upon the employee's
24 return to duty in the next fiscal year, will restore to the employee's sick leave account an
25 amount of time equal to the amount of such unused time off in lieu of holidays with pay that
26 the Chief of Police was unable to reschedule. This provision shall only cover time off in
27 lieu of holidays that is not integrated into the employee's regular work schedule. (In the case

1 of an employee assigned to a District Station on an eight-hour shift basis whose regular
2 work schedule is five days on-duty, two days off-duty, followed by four days on-duty, two
3 days off-duty, etc., this provision would cover the 32 hours off in lieu of holidays per fiscal
4 year that are not integrated into the employee's regular work schedule and would not cover
5 any of the 64 hours off in lieu of holidays per fiscal year that are integrated into the
6 employee's regular work schedule.)

7 5. The scheduling of work days off in lieu of holidays with pay shall be controlled by the Chief
8 of Police.

1 **ARTICLE 32**

2 **HOLIDAY PREMIUM PAY**

3 1. Except as provided in paragraph 2, employees who are assigned to duty on July 4, December
4 25, January 1 and/or Labor Day (first Monday in September) of a calendar year shall be
5 compensated in cash at a rate of one and one-half (1½) their base salary for all such assigned
6 duty worked from 12:00 a.m. through 11:59 p.m., inclusive, during such days.

7 2. An employee may elect to receive such holiday compensation in compensatory time off in
8 lieu of cash, subject to the following terms and conditions:

9 a. The employee's compensatory time off balance (CTB) recorded on the most current
10 Police Department Personnel Status Report must be less than 225 hours;

11 b. Compensatory time off earned by an employee on a holiday listed above shall be
12 included in his/her CTB;

13 c. The procedures governing the use of compensatory time off earned on holidays shall
14 be the same as those provided in the OVERTIME Article of this Agreement for use
15 of compensatory time off; and

16 d. An employee may elect to receive compensatory time off in lieu of cash for work
17 performed during roll-call time on a holiday listed above, only if he/she elects
18 compensatory time off for all roll-call time worked during the Pay Period in which
19 the holiday occurred (this is consistent with existing Departmental procedures
20 governing eligibility for election of compensatory time off for roll-call time
21 overtime).

22 3. For administrative purposes, all time so worked shall be computed to the nearest 0.1 of an
23 hour. For purposes of interpretation and construction of this Article, the compensation
24 herein provided shall only be granted for authorized duty occurring on the actual calendar
25 dates that the four (4) holidays listed above fall; no such compensation will be granted for
26 duty on any other calendar date on which these four (4) holidays may officially be
27 celebrated or observed pursuant to law.

- 1 4. Application of the provisions enumerated herein shall not involve pyramiding of the
2 compensation described herein. No employee shall receive overtime benefits and/or shift or
3 weekend differential benefits in addition to holiday premium pay.
- 4 5. Any payment made in addition to the employee's base salary under the provisions of this
5 Article shall not have any sum deducted for pension benefits nor shall such payments be
6 included in determining pension benefits or other fringe benefits.

1 **ARTICLE 33**

2 **UNIFORM AND EQUIPMENT**

3 1. Uniform and equipment benefits for employees shall be as follows:

4 a. Initial Allowance

5 (1) Employees in the Police Officer job classifications shall, upon appointment,
6 receive an initial uniform and equipment issue, the specific items of which
7 shall be determined by the Chief of Police. These specific items shall remain
8 the property of the City and shall revert to the Police Department upon the
9 employee's severance from service from and after January 1, 1991.

10 (2) Effective as soon after September 14, 1987, as administratively practicable,
11 one silver badge patch for the windbreaker shall be included in the initial issue.

12 (3) Effective upon the execution date of the 2010-2012 Agreement, a uniform
13 outer carrier shall be included in the initial issue, which shall replace the initial
14 issue of a sweater.

15 b. Replacement Allowance

16 (1) Employees Occupying Classifications Other Than Detective, Chief Document
17 Examiner, Police Audio Visual Specialist, Latent Print Examiner, Identification
18 Systems Specialist, Document Examiner and Identification Technician

19 (a) The City shall replace articles of initial allowance of uniform and
20 equipment prescribed by the Chief of Police and, in addition, up to two
21 shirts or one uniform outer carrier and one turtleneck shirt or any
22 combination thereof totaling two items per year, whenever such articles
23 have been condemned on account of normal wear and tear. At his/her
24 option the employee may have either a summer short sleeve shirt or a
25 winter long sleeve shirt or a turtleneck shirt replaced. The Chief of
26 Police shall issue a requisition to a vendor selected by the Standards and
27 Procurement Division for each replacement article required. Whenever

1 an article has been replaced through requisition, the employee shall be
2 required to present the requisitioned article to the Police Academy for
3 approval and the employee shall be required to turn in the condemned
4 article at the Police Academy. (Note: The intent of this Article shall be
5 as provided in a clarifying Negotiating Note between the City and the
6 Association dated October 7, 1977).

7 (b) The City shall provide employees a uniform and equipment maintenance
8 allowance of \$300 per annum.

9 (c) Payments made under subsection 1.b.(1)(b) of this Article shall be paid
10 in December of the year in which they were earned. Pro-rata adjustment
11 to the nearest calendar month on the basis of length of service shall be
12 made for employees occupying applicable classifications for less than a
13 full calendar year. For purposes of prorating, an employee on the payroll
14 and occupying such classifications for at least 14 days in a calendar
15 month shall be deemed as occupying such classification for the full
16 calendar month; in event the employee occupies the classification for
17 fewer than 14 days in a calendar month, the employee shall be deemed as
18 not occupying the classification at all during that calendar month.

19 (2) Detectives, Chief Document Examiner, Police Audio Visual Specialist, Latent
20 Print Examiner, Identification Systems Specialist, Document Examiner and,
21 Identification Technician

22 (a) The City shall provide employees occupying the classification of
23 Detective, Chief Document Examiner, Police Audio Visual Specialist,
24 Latent Print Examiner, Identification Systems Specialist, Document
25 Examiner and Identification Technician a clothing allowance of \$450 per
26 annum.

27 (b) Payments made under subsection 1.b.(2)(a) of this Article shall be paid
28 in December of the year in which they were earned. Pro-rata adjustment

1 of the foregoing allowances to the nearest calendar month on the basis of
2 length of service shall be made for employees occupying the
3 classifications of Detective, Chief Document Examiner, Police Audio
4 Visual Specialist, Latent Print Examiner, Identification Systems
5 Specialist and Document Examiner and Identification Technician, for
6 less than a full calendar year. For purposes of prorating, an employee on
7 the payroll and occupying the classification of Detective, Chief
8 Document Examiner, Police Audio Visual Specialist, Latent Print
9 Examiner, Identification Systems Specialist Document Examiner and
10 Identification Technician, for at least 14 days in a calendar month, shall
11 be deemed as occupying such classification for the full calendar month;
12 an employee occupying the classification of Detective, Chief Document
13 Examiner, Police Audio Visual Specialist, Latent Print Examiner,
14 Identification Systems Specialist, Document Examiner and
15 Identification Technician, for fewer than 14 days in a calendar month
16 shall be deemed as not occupying the classification at all during that
17 calendar month.

18 2. Subject to the following terms and conditions, the City will provide each employee in the
19 Detective classification with one (1) windbreaker:

20 a. For employees appointed to the Detective classification, the windbreaker shall be
21 provided upon appointment as Detective.

22 b. The specifications of the windbreaker shall be prescribed by the Chief of Police.

23 c. The windbreaker shall be deemed "initial issue" for Detectives and replacement shall
24 be made in accordance with the provisions of paragraph 1.b.(1)(a) of this Article.

25 3. During the term of this Agreement, each member of the bargaining unit shall be
26 compensated for items of uniform and equipment prescribed by the Police Department
27 which are either (1) directly or indirectly destroyed in the line of duty, or (2) stolen from the
28 member while such member is on duty. The provisions of item (2) of this paragraph shall

1 only be applicable to claims made in relation to incidents of theft where there is no
2 negligence on the part of the member. The Chief of Police shall assess the amount of
3 damage, and he or she shall assess the amount of loss resulting from incidents of theft
4 compensable hereunder. For purposes of interpretation and construction, the term "items of
5 uniform and equipment prescribed by the Police Department" as used herein shall only
6 cover those items that were compensable under the terms of the UNIFORM AND
7 EQUIPMENT Article of the 2007-2009 City/MPA Agreement. Additionally, the Chief may,
8 at his or her discretion, approve other items of Uniform and Equipment as compensable
9 hereunder and shall assess the amount of damage or loss for such items.

10 4. The following provisions shall apply to soft body armor which is a part of the Department's
11 initial issue for appointments occurring on or after the May 18, 1989, or a replacement under
12 paragraphs 1.b.(1)(a) or 3. of this Article occurring on or after May 18, 1989:

13 a. As part of initial issue or replacement allowance that is provided under the
14 provisions of this Article, the Department will provide an employee with standard
15 issue soft body armor, the specifications of which shall be determined and prescribed
16 by the Chief of Police. The threat level for standard issue soft body armor prescribed
17 by the Chief shall not be less than threat level II (as this threat level standard is
18 defined and determined as of May 18, 1989), or its equivalent.

19 b. In lieu of the standard issue, an employee may elect soft body armor with a threat
20 level IIIA classification; such election shall be in writing in a manner prescribed by
21 the Department. The threat level IIIA soft body armor elected shall be provided by
22 the Department and shall conform to specifications prescribed by the Chief of Police.

23 c. Employees in active service appointed prior to May 18, 1989, who did not have the
24 option to elect soft body armor with a threat level higher than threat level II shall
25 have a one-time-only opportunity to elect threat level IIIA soft body armor
26 (employees making this election shall be required to turn in the soft body armor they
27 were issued at the time of their appointment). Such election shall be in writing in a
28 manner prescribed by the Department. Employees eligible to make an election must

1 do so before June 30, 1989.

2 d. The Department shall meet the cost of soft body armor provided hereunder.

3 5. Payments made under the provisions of this Article shall not be construed as being part of
4 the employee's base salary and shall not be included in the computation of any fringe
5 benefits enumerated in this Agreement. Any payment made under the provisions of this
6 Article shall not have any sum deducted for pension benefits nor shall such payments be
7 included in any computation establishing pension benefits or payments.

8 6. Notwithstanding any other provision of this Article, during a calendar month employees
9 shall not be entitled to receive benefits under both subsections 1.b.(1) and 1.b.(2); instead
10 eligibility for receipt of benefits under either of these two subsections shall be predicated on
11 the length of service therein, the subsection with greater service determining the benefit (in
12 the event the length of service is identical the employee shall be entitled to elect the
13 subsection under which his/her benefits shall be determined).

14 7. At the discretion of the Chief of Police, an employee may not be granted benefits provided
15 by this Article where circumstances render the situation inappropriate.

16 * * * * *

17 NOTE: As provided for the City/MPA Memorandum of Understanding relative to soft body
18 armor executed May 19, 1989, implementation of paragraph 4 of this Article is
19 contingent upon City Attorney approval requirements therein.

1 **ARTICLE 34**

2 **SAFETY GLASSES**

3 The City will provide safety glasses for police officers who are required to wear glasses for
4 corrective purposes under the same provisions under which these glasses are provided for
5 other City employees. Such glasses shall remain the property of the City of Milwaukee.

1 **ARTICLE 35**

2 **AUTO ALLOWANCE**

3 1. A member of the Department may use his/her privately owned vehicle for Departmental
4 business only under express authorization from his/her commanding officer. When such use
5 is authorized, the City will indemnify the officer for any property damage sustained by
6 his/her automobile and shall represent the officer and shall be responsible for any judgment,
7 damages and costs entered against the officer for acts arising out of his/her official capacity
8 while acting within the scope of his/her employment.

9 2. When an employee is authorized by his/her commanding officer to use his/her private
10 vehicle on Departmental business, in accordance with Departmental procedures established
11 for that purpose, and the vehicle sustains damage during such use, the employee shall submit
12 a written report of the damages to his/her commanding officer before the end of the work
13 shift in which the damages occurred. The report shall include a description of the damages,
14 the date and time of occurrence, and the cause. Reasonable costs of damages to the officer's
15 vehicle will be reimbursed by the City provided the employee submits documentation of
16 such cost to his/her commanding officer no later than seven (7) calendar days following the
17 occurrence of the damage and further provided that the City is subrogated to the extent of its
18 property damage payment in the event the officer recovers those damages from any third
19 party. If bona fide medical circumstances applicable to the employee preclude compliance
20 with the above time limits, the employer shall authorize a reasonable extension of these time
21 limits.

1 **ARTICLE 36**

2 **LOCKERS**

- 3 1. Except as provided in subsection 2, below, the City will provide each employee covered by
4 this Agreement with individual locker space.
- 5 2. The City shall not have to provide employees with individual locker space at locations
6 where sufficient existing space is not available or where providing individual locker space
7 would require extensive remodeling or construction. If individual locker space is not
8 available to accommodate every employee, then individual locker space shall be assigned on
9 a seniority basis identical to that which governs selection of vacations within the district or
10 bureau. Employees not assigned to individual lockers shall be assigned shared lockers.
- 11 3. If the City constructs new buildings, space shall be allotted for locker rooms containing
12 lockers for each individual employee.
- 13 4. The City shall continue to retain the right of inspection provided the employees whose
14 lockers are inspected are present during such inspection. If the employee is unable to be
15 present at the time of inspection or when a locker is opened as a result of loss of locker
16 privilege due to seniority and/or lack of availability of space a union representative shall be
17 present in their place. Any property within an opened locker shall be provided directly to
18 the employee or union representative, unless that property may be contraband or the
19 property of the Department. The City shall continue to be held blameless against loss, theft
20 or damage.
- 21 5. Members who use Department lockers shall be permitted to use private locks and shall
22 secure their lockers at all times. The Department will not establish a master key system so
23 long as paragraphs one through four, above, of this Article remain the same as those in the
24 1995-1997 City-Union labor agreement.

1 **ARTICLE 37**

2 **SPECIAL UNIT PAY**

- 3 1. Employees assigned by the Chief of Police to any of the following special units shall receive
4 an amount in addition to base salary equivalent to \$350 per annum: the Bomb Squad Unit,
5 the Underwater Investigation Unit, Arson Investigators, Honor Guard, and Tactical
6 Enforcement Unit. An employee may not receive more than \$350 per annum regardless of
7 the number of special units he/she may belong to at any one given time.
- 8 2. Payments made under the provisions of this Article shall be paid after December 31 of the
9 year in which they were earned. Pro rata adjustment to the nearest calendar month on the
10 basis of service in a Special Unit will be made for those employees who were assigned to a
11 Special Unit for less than a full calendar year. For purposes of pro rating, an employee
12 assigned to the Bomb Squad, the Underwater Investigation Unit, the Arson Investigation
13 Unit, the Honor Guard, or the Tactical Enforcement Unit for at least 14 days in a calendar
14 month shall be deemed as having been assigned to a Special Unit for the full calendar
15 month; in the event the employee is assigned to a Special Unit less than 14 days in a
16 calendar month, the employee shall be deemed as not having been assigned to a Special Unit
17 at all during the calendar month.
- 18 3. Payments made under the provisions of this Article shall not be construed as being part of
19 employees' base pay and shall not be included in the computation of any fringe benefits
20 enumerated in this Agreement.
- 21 4. Any payment made under the provisions of this Article shall not have any sum deducted for
22 pension benefits nor shall such payments be included in any computation establishing
23 pension benefits or payments.

1 **ARTICLE 38**

2 **UNDERWATER INVESTIGATION UNIT PAY**

3 Effective upon implementation of the 2013-2017 Labor Agreement provisions of this Article
4 have been incorporated into Article 37.

1 **ARTICLE 39**

2 **EDUCATIONAL PROGRAM**

3 1. Subject to the terms and conditions provided in subsections 2 through 6, below, upon
4 attainment of necessary credits or degree, an employee’s base salary shall be as identified in
5 Article 10 of this Agreement.

6 2. No employee will be eligible for Educational Pay unless he/she has a minimum of one year
7 of active service on the police force.

8 3. Courses for which credits or degrees are earned for which payment shall be made shall be
9 limited to courses of study in which the credits have been successfully earned from an
10 educational institution accredited by any of the following regional accreditation
11 associations:

12 North Central Association of Colleges and Schools

13 Middle States Association of Colleges and Schools

14 New England Association of Schools and Colleges, Inc.

15 Northwest Association of Colleges and Schools

16 Southern Association of Colleges and Schools

17 Western Association of Schools and Colleges

18 4. Employees who have earned a Baccalaureate and/or Advanced Degree shall request that the

1 **ARTICLE 52**

2 **UNPAID MATERNITY**

3 1. Female Maternity/Childrearing Leave

4 a. Unpaid Maternity Leave

5 (1) Length of Leave

6 Maternity leave shall be granted solely for the purposes of a medical disability
7 associated with pregnancy. A female employee shall be entitled to an unpaid
8 maternity leave of absence beginning on the date her attending physician
9 determines she is no longer fit for duty on account of medical reasons
10 associated with her pregnancy and ending no later than 135 consecutive
11 calendar days following the date of delivery resulting from such pregnancy.

12 (2) Notification Requirements

13 Maternity leave shall be granted an employee effective upon her attending
14 physician attesting in writing to the employee's lack of fitness for duty on
15 account of medical reasons associated with her pregnancy. Within seven (7)
16 consecutive calendar days following the date of her delivery, the employee
17 shall provide written notice to the Department Administration indicating
18 thereon the date of delivery. No later than 45 consecutive calendar days
19 following that date, the employee shall see to it that her attending physician
20 provides the Department Administration with a written statement indicating the
21 status of the employee's fitness for return to duty.

22 (3) Extension of Maternity Leave

23 At his/her discretion, the employee's attending physician may extend the term
24 of maternity leave beyond the 135-day post-delivery maximum, described
25 above, for medical reasons associated with such pregnancy until such time as
26 he/she determines that the employee is fit for return to duty. In this event the
27 attending physician shall submit the reasons for such extension, and its

1 expected duration, in writing to the Department Administration prior to the
2 date on which such 135-day post-delivery maximum occurs.

3 (4) Fitness for Duty

4 When the employee's attending physician determines that she is fit for return to
5 duty, the employee shall see to it that her attending physician provides the
6 Department Administration with a written statement, within 48 hours of such
7 determination, indicating the date on which the employee is fit for return to
8 duty. This requirement shall apply regardless of whether the determination
9 occurs prior to the 135-day post-delivery maximum or during an authorized
10 extension therefrom; if the determination is made prior to the 135-day
11 maximum, the employee shall be permitted to continue her maternity leave
12 until the date on which the 135-day maximum is reached.

13 b. Unpaid Childrearing Leave

19 without pay except that the employee may use her accumulated sick leave during the

21 she is unfit for duty on account of medical reasons associated with her pregnancy.
22 An employee may use the accumulated vacation, holiday time or compensatory time
23 off, to which she is entitled to receive under the VACATION, HOLIDAY and

25 leave is extended for medical reasons, as hereinbefore provided, the unpaid portion
26 of such leaves, together with the paid portion, shall not exceed the time limits
27 provided for in subsections 1.a. and 1.b., above. Under no circumstances shall an
28 employee be entitled to the benefits provided under the SICK LEAVE and INJURY

2 be entitled to the benefits under such INJURY PAY Article during a period of a
3 maternity leave.

8 2. Male Childrearing Leave

- 9 a. When requested, a male employee shall be entitled to an unpaid childrearing leave of
10 absence for up to 130 consecutive calendar days beginning on the date the
11 employee's spouse gave birth to a child. Such leave shall be granted solely for the
12 purpose of childrearing.

- 13 b. Such leave shall be without pay except that the employee may use the accumulated
14 vacation, holiday time and compensatory time off to which he is entitled to receive

16 during such leave. The unpaid portion of such leave together with the paid portion
17 shall not exceed 130 consecutive calendar days. Under no circumstances shall an

- 25 a. When requested, an employee shall be granted an unpaid special childrearing leave
26 of up to 130 consecutive calendar days in the event such employee legally adopts a
27 child under age five and the terms of the adoption require the presence of one
28 adoptive parent with the child. The employee shall be required to provide

1 documentation of such adoption to the Police Department Administration. Such
2 leave shall begin on the effective date of placement of the adopted child in the
3 employee's home.

4 b. Such leave shall be without pay except that the employee may use the accumulated
5 vacation, holiday time and compensatory time off to which he/she is entitled to
6 receive under the VACATION, HOLIDAY and OVERTIME Articles of this
7 Agreement during such leave. The unpaid portion of such leave, together with the
8 paid portion, shall not exceed 130 consecutive calendar days. Under no
9 circumstances shall an employee be entitled to receive the benefits provided under
10 the SICK LEAVE and INJURY PAY Articles of this Agreement during a period of a
11 special childrearing leave.

18 An employee requesting a return to duty from an authorized leave of absence
19 provided hereunder that is of less than 90 consecutive calendar days in duration shall
20 submit such request in writing to the Police Department Administration sufficiently
21 in advance of the date on which return to duty is requested to allow for either normal

14 requests return to duty, then the employee's reinstatement shall be effective on

4 with the duties, obligations and responsibilities which by law are delegated to the Common
5 Council, the Fire and Police Commission and the Chief of Police and these provisions shall

9 3. The parties hereto recognize that those rules and regulations established and enforced by the
10 Fire and Police Commission and/or the Chief of Police, which affect the wages, hours, and

6 established thereunder for that purpose and if the employee is ineligible to receive the sick
7 leave or injury pay benefits provided by this Agreement for reasons other than that the
8 benefits have been exhausted, the Chief of Police shall assign the employee to perform
9 duties structured consistent with the employee's medical capabilities within the Police
10 Department that have historically been performed by members of the Association bargaining
11 unit (including, but not limited to, temporary or permanent assignments to the
12 Communications Division, Criminal Investigation Bureau or Property Control Division).
- 13 2. In the event of a dispute over such assignment made by the Chief of Police, the employee
14 shall have the right to grieve and the right to arbitrate under the Grievance and Arbitration

16 arbitrator or permanent umpire, the dispute shall be appealable to a panel consisting of the
17 three physicians, one physician to be designated by the Association, one physician to be
18 designated by the Chief of Police and the third physician to be selected by agreement of the
19 other two physicians. The panel's jurisdiction shall be limited to deciding the medical
20 appropriateness of the Chief's assignment. Decisions made by the panel on matters which

1 **ARTICLE 62**

2 **PARKING ALLOWANCE BENEFITS FOR POLICE ADMINISTRATION BUILDING**
3 **EMPLOYEES**

4 1. An employee with a regular Departmental assignment that requires him/her to work at or
5 report to a Police Administration Building (PAB) work location at the start of his/her regular
6 work shift as of the 15th day of a calendar month shall be eligible for a Regular Parking
7 Allowance benefit for that calendar month; such an employee shall be termed an "eligible
8 employee." The City shall reimburse an eligible employee the basic/general parking rate in
9 affect at the time of reimbursement.2. The City shall provide the Association with a list of
10 City-approved parking facilities and will notify the Association of any change that the City
11 may from time to time make in this list at least sixty (60) calendar days prior to the effective
12 date of such change. Eligible employees shall be entitled to receive either a Regular Parking
13 Allowance benefit under the terms and conditions hereinafter provided:

14 a. Regular Parking Allowance Benefit
15 In order to receive a Regular Parking Allowance benefit for a calendar month, an
16 eligible employee must purchase a monthly parking permit for that month from a
17 parking facility on the City-approved list, endorse the permit (or permit stub/receipt
18 deemed acceptable to the Department, whenever the employee must retain the permit
19 in order to receive parking benefits) by indicating his/her signature and payroll
20 number on the portion of his/her monthly parking permit he/she receives from the
21 vendor and submit the endorsed permit (or acceptable permit stub/receipt) to the
22 Police Department Administration no later than the 15th day of the calendar month
23 covered by the monthly permit (i.e., the 15th of April for the month of April).
24 Following the Department's receipt of the endorsed permit (or acceptable permit
25 stub/receipt), the employee shall be entitled to receive reimbursement of the current
26 parking rate at the time of reimbursement.

27 Payments provided hereunder shall be made as soon as administratively practicable after the
28 close of the calendar month covered by the permit. Except as provided in subsection 3,

1 below, only approved parking facilities' monthly parking permits that are properly endorsed
2 shall be covered by the benefits provided herein.

- 3 3. The Association recognizes that there are a limited number of parking spaces available at
4 City approved parking facilities; accordingly, monthly parking permits for these spaces will
5 be sold to eligible employees on a first-come, first-served basis, subject to their availability.
6 During a calendar month when no monthly parking permit at any City-approved parking
7 facility(ies) is(are) available because the vendor(s) has(have) determined that no space is
8 available, the City will honor monthly parking permit receipts from parking facilities not on
9 the City-approved list that are within the geographic area bounded by Michigan Avenue on
10 the south, North 12th Street on the west, West Juneau Avenue on the north and North Van
11 Buren Street on the east. The employee shall endorse the receipt by indicating his/her
12 signature and payroll number on the monthly parking permit receipt and shall submit the
13 endorsed parking permit receipt to the Police Department Administration no later than the
14 15th day of the calendar month covered by the monthly permit (i.e., the 15th of April for the
15 month of April). Following submission of the parking permit receipt to the Police
16 Department Administration, the employee shall be entitled to receive a monthly parking
17 benefit for the month covered by the parking permit under the same terms and conditions
18 provided in paragraph 2, above.

19 4. Daily Parking Receipts

20 During a calendar month when no monthly parking permit is available to an employee under
21 the provisions of either paragraph 2 or 3, hereof, because no space is available, the City will
22 honor daily parking receipts from parking facilities within the geographic area described in
23 paragraph 3, hereof, subject to the employee submitting a form prescribed by the
24 Department to the Police Department Administration within five consecutive calendar days
25 following the close of the calendar month. The form shall contain the following
26 information:

- 27 a. The employee's name, signature, and payroll number;
28 b. A listing of each individual daily parking receipt for the calendar month indicating

1 the date and amount arranged in date order with a total amount ("total amount") for
2 the calendar month plainly indicated; and

3 c. All of the daily receipts for the calendar month stapled to the back of the form.

4 Following submission of the prescribed Departmental form to the Police Department
5 Administration, the employee shall be entitled to receive a monthly parking benefit for the
6 calendar month covered by the daily parking receipts. Such benefit shall be in lieu of the
7 monthly parking benefits provided under paragraphs 2 and 3.

8 5. No employee shall be eligible for the parking benefits provided by the Parking during Court
9 Overtime Appearance paragraph of this Agreement for a calendar month for which he/she
10 receives benefits hereunder.

11 6. The benefits provided hereunder are intended to be used by an employee only for the
12 purpose of commuting to and from his/her Departmental work location in connection with
13 his/her City employment. The use of a parking permit by an employee for any other purpose
14 during a calendar month shall disqualify the employee from the benefits provided hereunder
15 for that calendar month.

16 7. Payments made under the provisions of this Article shall not be construed as being part of

2 **DRUG TESTING**

3 **MILWAUKEE POLICE DEPARTMENT DRUG TESTING POLICY STATEMENT**

4 The Milwaukee Police Department is charged with enforcing all laws and ordinances and
5 with maintaining a safe and peaceful community. The pervasive risk of harm caused by
6 drug trafficking and illegal drug use by members of the Police Department creates a clear
7 and present danger to the safety of the public and fellow law enforcement officers. The
8 illegal use of drugs cannot and will not be tolerated within the Milwaukee Police
9 Department. The law enforcement profession has several uniquely compelling interests that
10 justify the use of employee drug testing. The public has the right to expect that those who
11 are sworn to protect them are at all times both physically and mentally prepared to assume
12 these duties. There is sufficient evidence to conclude that the use of controlled substances
13 and other forms of drug abuse can seriously impair an employee's physical and mental
14 health, and thus, job performance. Where law enforcement officers participate in illegal
15 drug use and drug activity, the integrity of the law enforcement profession and public
16 confidence in that integrity is destroyed. This confidence is further eroded by the potential
17 for corruption created by drug use.

18 Therefore, in order to ensure the integrity of the Milwaukee Police Department and to
19 preserve public trust and confidence in a fit and drug free law enforcement profession, the
20 Department shall implement an expanded drug testing program to detect illegal drug use by
21 sworn employees. Officers of all ranks will be randomly tested in such numbers as to ensure
22 that a credible deterrent exists to illegal drug use.

23 **MILWAUKEE POLICE DEPARTMENT DRUG TESTING PROGRAM**

24 (Provisions applicable to MPA-represented Department Members)

25 **I. DRUG TESTING PROGRAM DESCRIPTION**

- 26 A. The term "Department" as used herein shall mean the Milwaukee Police Department.
27 The term "member" shall mean a Department employee in the WERC - certified
28 Department bargaining unit represented by the MPA.

1 B. Members shall be subject to drug testing under the following circumstances:

2 1. Where facts or circumstances are sufficient to constitute reasonable suspicion
3 that a Department member is illegally using drugs.

4 NOTE Reasonable Suspicion exists when evidence or information which
5 appears reliable is known to the police supervisor and is of such weight and
6 persuasiveness as to make the supervisor, based upon/his/her personal
7 judgment and experience, reasonably suspect that member of the department is
8 illegally using drugs. A reasonable suspicion that a member is illegally using
9 drugs must be supported by specific articulable facts from which rational
10 inference may be drawn. Reasonable suspicion cannot be based upon mere
11 "hunch" or solely upon poor work performance. If suspicion of drug use is
12 based upon observation of the suspected member's physical appearance, at
13 least two (2) supervisors must make observations.

14 2. Whenever a member is directly involved in an incident that results in death, or
15 great bodily harm as defined by State Statute.

16 3. Whenever a member is on probation, the member shall be tested prior to
17 completion of the member's probation period. Completion of the member's
18 probation period shall be contingent upon passing the drug test.

19 4. Whenever a member is eligible for promotion (including reclassifications), the
20 member shall be tested prior to promotion. Promotion shall be contingent
21 upon passing the drug test.

22 5. Whenever a member is returning from a leave of absence that exceeds 90
23 consecutive calendar days in duration. Reinstatement to the Department from
24 the leave of absence shall be contingent upon passing the drug test.

25 6. Random Drug Testing

26 a. Periodically a list of Department members selected for drug testing shall
27 be generated by an independent secure random selection process. The
28 frequency of random testing, and sampling rate, shall be as prescribed

1 from time to time by the Chief of Police. The independent agency
2 providing the random selection process shall be prescribed by the Chief.
3 Such independent agency shall be provided with a list of all Department
4 members covered by random drug testing encoded so that only the Chief
5 of Police and the Commanding Officer of the Professional Performance
6 Division know the identity of the Department members.

7 b. The Chief may increase the frequency of random testing, and sampling
8 rate over and above the frequency of random testing and sampling rate
9 he prescribes from time to time under paragraph 6.a., hereof, for
10 members assigned to the following Department Units: Vice Control
11 Division, Tactical Enforcement Unit, Property Control Section (only
12 those persons directly involved in the custody and handling of illegal
13 drugs), Professional Performance Division and, the Intelligence
14 Division. If subsequent Departmental reorganization results in
15 modifications to any of these units, the function performed by a unit as it
16 is presently constituted, shall continue to be covered hereunder no matter
17 how such unit is constituted following a future reorganization.

18 c. Members selected to be tested shall be notified by their Commanding
19 Officer, who shall give them a written order to report for testing. A copy
20 of such written order shall not be entered into a member's personnel file,
21 but shall be retained by the Department in a file kept at the Professional
22 Performance Division.

23 d. All members on paid leave who are selected for drug testing pursuant to
24 paragraphs 6.a. or 6.b., hereof, shall not be required to participate in such
25 test, except those members having the following status as of the notice of
26 selection:

27 (1) Members on sick or injury leave who have received permission to
28 leave the residence to further recuperation;

- 1 (2) Members on compensatory time off authorized after the selection
2 notice; or
- 3 (3) Members on "suspended with pay" or "dismissed with pay pending
4 appeal" status.
- 5 e. Members on regular off days shall not be subject to random drug testing.
- 6 f. Any member selected for testing who claims inability to participate due
7 to medical reason shall be examined by a physician designated by the
8 Chief. The physician shall determine if such member may be excused
9 from the test. If such member is excused from a scheduled test, he/she
10 shall be rescheduled for testing as soon as possible, irrespective of any
11 random sampling selection.
- 12 7. Members having sensitive assignments, referenced in paragraph 6.b., hereof,
13 shall be subject to drug testing upon entering and leaving these assignments, as
14 well as on an annual basis while serving in such assignments.
- 15 C. Refusal to submit to a drug test shall result in immediate suspension and discipline
16 up to and including dismissal from the Department. Attempts to alter or substitute a
17 test sample provided by the member being tested shall be deemed a refusal to submit
18 to a drug test. When the member appears unable to give a specimen at the time of
19 the test, testing personnel shall document the circumstances on the drug-test report
20 form. The member shall be permitted no more than three (3) hours to give a sample,
21 during which time he/she shall remain in the testing area, under observation.
22 Reasonable amounts of water may be given to the employee to encourage urination.
23 Failure to submit a sample shall be considered a refusal to submit a drug test.
- 24 D. Testing Procedure
- 25 1. The current testing procedure shall be continued. This procedure is currently
26 administered by Aurora Consolidated Laboratories. Nothing herein shall
27 prohibit the Chief of Police from changing the provider of this procedure, so
28 long as the new provider is DHHS-certified and performs the procedure

1 pursuant to DHSS standards.

2 2. Substances to be tested for include:

- | | |
|----------------------------------|---------------------|
| 3 Amphetamines | Opiates |
| 4 Canabinoids | Phencyclidine (PCP) |
| 5 Cocaine | |

6 Nothing herein shall prohibit the Chief of Police from amending this list of
7 substances, so long as the added substance is one for which DHHS has adopted
8 a quantitative standard for a positive test finding for the substance; the
9 Department will notify the MPA of amendments to this list of substances.

10 3. Split Samples

11 At the collection site, the technician shall either collect the specimen in two
12 containers or shall collect the specimen in one container and shall then split the
13 specimen into two containers. One sample (the primary sample) shall be tested
14 by the City-designated testing laboratory. The other sample (the split sample)
15 shall be stored by the testing laboratory should a verified confirmed positive
16 result from the test of the first sample.

17 If a verified, confirmed positive result is obtained from the test of the primary
18 sample, the member shall be informed that he/she has 72 hours to notify the
19 Medical Review Officer (MRO) that he/she wishes to challenge the test result
20 by means of independent testing of the split sample. The member must so
21 notify the MRO in writing within 72 hours of the member's being notified that
22 his/her test was verified confirmed positive for the presence of a drug. Upon
23 such a challenge, the split sample retained by the testing laboratory for use by
24 the member shall be forwarded by the testing laboratory to a DHHS-certified
25 laboratory selected by the member from a list of four such laboratories
26 designated by the City.

27 All costs associated with the testing of the split sample shall be borne by
28 the member, provided however, if the test of the split sample does not indicate
29 a positive drug test result, then the Department shall reimburse such member

1 for the costs of testing the split sample. Testing of split samples shall be
2 conducted pursuant to the retesting provision described in the Federal
3 Guidelines.

- 4 4. All test results shall be reviewed and interpreted by a Medical Review Officer
5 (MRO) who shall be a licensed physician with knowledge of substance abuse
6 disorders, designated by the Chief. The MRO shall examine alternative
7 medical explanations for any confirmed positive test result. This action may
8 include conducting a medical interview with the individual, review of the
9 individual's medical history, or review of any other relevant biomedical
10 factors. The MRO shall review all medical records made available by the
11 tested individual when a confirmed positive test could have resulted from
12 legally prescribed medication. The MRO shall forward the results of his/her
13 review to Chief of Police and/or Commanding Officer of the Professional
14 Performance Division.

15 II. ACCESS TO TEST RESULTS

16 Confirmed positive drug test results verified by the MRO shall be made available only to the
17 following:

18 Chief of Police

19 Commanding Officer of the Professional Performance Division

20 III. ADMINISTRATION/DISCIPLINARY ACTION

- 21 A. A member, who has been ordered to take and has taken, a drug test based on either
22 reasonable suspicion, or the requirements of paragraph I.B.2., hereof, shall not be
23 subject to disciplinary action until the test results are received by the Department.
24 During that period, however, the member may be required to surrender his/her
25 weapon, badge, I.D. card, cap shield, and callbox key, and may be suspended with
26 pay. This action shall be accomplished most discreetly and, whenever possible,
27 without advising other personnel of the reasons.

- 28 B. All discipline involving a member who has a confirmed positive test for illegal drug

1 use, verified by the MRO, shall be administered by the Chief; such discipline may
2 include dismissal from the Department. A challenge to a confirmed positive test
3 result by a member shall not affect or delay the effective date of discipline imposed
4 against the member pursuant to this section. The Department's position is that any
5 member proven to have illegally used drugs should be dismissed for such use,
6 subject only to the discretion of the Chief and review of the Fire and Police
7 Commission.

8 IV. EXCLUSION OF TEST RESULTS FROM CRIMINAL PROCEEDINGS

9 Drug test results obtained through the Milwaukee Police Department Drug Testing Program
10 may not be used as evidence against an officer in a criminal nor in a municipal ordinance
11 violation proceeding.

12 V. CONFIDENTIALITY

13 A. Except as provided in paragraph V.B., below, there shall be no dissemination of an
14 individual member's drug test results (including documentation or information
15 contained therein) to the public.

16 B. The provisions of paragraph V.A., hereof, shall not apply to an individual member's
17 drug test results in the following circumstances:

18 (1) Disciplinary hearings, or appeals therefrom, occasioned by such individual
19 member's drug test results.

20 (2) Non-disciplinary administrative hearings, or appeals therefrom, when such
21 individual member's drug test results would be relevant to such
22 hearings/appeals.

7 specifically waives the right to demand or to petition for changes herein, whether or not the
8 subjects were known to the parties at the time of execution hereof as proper subjects for
9 collective bargaining.
- 10 2. If any federal or state law now or hereafter enacted results in any portion of this Agreement
11 becoming void, invalid or unenforceable, the balance of the Agreement shall remain in full
12 force and effect and the parties shall enter into immediate collective bargaining negotiations
13 for the purpose of arriving at a mutually satisfactory replacement for such portion.

1 **ARTICLE 70**

2 **COPIES OF LABOR CONTRACT**

3 As soon as practicable following the execution date of this Agreement, the City will provide
4 to the Union one hundred and fifty copies of this Agreement. The covers of such copies will be
5 blue.

1 **ARTICLE 71**

2 **INTERNAL INVESTIGATIONS**

- 3 1. If an employee is required to submit to interrogation by the employer concerning an
4 allegation of misconduct and such interrogation could lead to discipline, demotion or
5 discharge, the interrogation shall be conducted on working days as defined in §227.01(14),
6 Stats. between the hours of 6:00AM and 9:00PM. This provision shall apply only to
7 interrogations that are compelled by a PI-21.
- 8 2. The Department's ability to extend an interrogation past 9:00PM shall only apply to one
9 interrogation at a time and may only be applied to the interrogation that is already in
10 progress. These time limitations shall not apply when the incident being investigated
11 involves death or great bodily harm or in the event the Chief determines there to be exigent
12 circumstances.
- 13 3. Prior to any PI-21 interrogation that could lead to discipline, demotion, or discharge, the
14 subject of the interrogation shall be allowed to view any audio or video obtained from the
15 subject's body worn camera or squad video, which relates to the investigation.

1 **ARTICLE 72**

2 **EARLY INTERVENTION PROGRAM**

- 3 1. At his or her discretion, the Chief of Police may establish an Early Intervention Program
4 (EIP) for the Milwaukee Police Department.
- 5 2. The City formed an EIP Advisory Group prior to implementation of the EIP. The EIP
6 Advisory Group included one representative from the MPA, MPSO, and ALEASP. The
7 Chief also appointed representatives to the Advisory Group. The purpose of the EIP
8 Advisory Group was to consider appropriate performance measurements and benchmarks
9 for the identification of employees whose performance indicates a need for intervention.
10 The EIP Advisory Group may make recommendations concerning performance
11 measurements and intervention benchmarks to the Chief. However, such
12 recommendations shall be advisory only. The Chief shall give due consideration to any
13 such recommendations. The Chief shall decide when the Advisory Group
14 recommendations are due.
- 15 3. The EIP is a management tool designed for multiple purposes, including, but not limited
16 to, evaluation of employees, identification of training or re-training needs and for referral
17 to the City of Milwaukee Employee Assistance Program (EAP) or to another outside
18 confidential counseling service.
- 19 a. If an employee is identified through any EIP analysis, the mere fact that he or she
20 was identified by the EIP shall not be used in the employee’s evaluation;
21 however, the data which led to the employee being identified by the EIP may be
22 used in the employee’s evaluation.
- 23 b. If the EIP analysis indicates a need for training or re-training, the employee shall
24 be required to participate in all training or re-training deemed appropriate by the
25 Chief.
- 26 c. An employee who is referred to the EAP or to an outside confidential
27 counseling service shall not be required to participate in the EAP or other
28 counseling service.
- 29 d. The failure of an employee to participate in the EAP or in outside confidential
30 counseling services shall not be grounds for discipline.
- 31 e. The identity and the nature of any outside counseling entities to which an
32 employee is referred shall not be noted on the employee’s evaluation.
- 33 4. The mere identification of an employee through any EIP analysis shall not be used for
34 disciplinary purposes; however, the data which led to the employee being identified
35 through EIP analysis may be or become the basis for discipline.

- 1 5. Neither the Chief, the Fire and Police Commission (FPC), nor any agent of the City shall
2 be allowed to request any information from an outside counseling entity to which an
3 employee is referred.
- 4 6. The Chief, the FPC and the City agree to treat the EIP database and the results of any
5 employee's EIP analysis, including whether an employee has exceeded or not exceeded
6 benchmarks or whether an employee has been referred to counseling, as confidential as
7 required by law.
- 8 7. The provisions of this Article apply only to the EIP and shall not affect other
9 departmental policies, procedures or contractual agreements.

For purposes of interpretation and construction of the free parking provisions provided for in the 1983-1984 City/MPA labor contract (Article 17, subsection 2.a.(4)), an employee shall be covered by such provisions when performing the following authorized overtime assignments, notwithstanding the fact that such assignments do not fall within the ambit of court overtime work as determined by the Police Department Administration:

1. An employee assigned to the First District, or a Bureau located at the Police Administration Building, required to meet with the First District Captain at the Administration Building to discuss a tavern violation matter.
2. An employee required to report to the Lieutenant in charge of the Traffic Accident office of the Traffic Bureau to discuss an accident investigation matter.
3. An employee required to report to the Captain of the Vice Squad on a matter involving a previously executed search warrant.

In the above 3 enumerated circumstances the employee shall not be entitled to court overtime, instead he/she shall submit an overtime card indicating a performance measure number determined by the Police Department Administration.

The aforesaid free parking provisions shall also be interpreted and construed to cover an employee subpoenaed to court on authorized Departmental business during a period the employee is on approval sick or injury leave; such coverage shall be limited to the duration of the court appearance resulting from the subpoena and the employee shall not be entitled to overtime benefits for such appearance.

The above provisions shall be deemed effective October 1, 1983 and, together with the

MEMORANDUM OF UNDERSTANDING

IUPA, AFL-CI
AND
THE NEGOTIATING TEAM FOR THE CITY OF MILWAUKEE

The parties hereto agree that for purposes of interpretation and construction of the provisions of subsection 3.c. of the OVERTIME Article of the current City/MPA labor contract, in respect to administration of negative compensatory time off balances, the following shall apply from and after December 19, 1983:

1. Subject to the requirements governing usage of compensatory time off provided for in subsection 3.c.(2) of such OVERTIME Article, an employee may use compensatory time off so long as his/her compensatory time off balance (CTB) recorded on the most current Police Department Personnel Status Report is not less than zero (0) hours, notwithstanding the fact that such usage may result in the employee having a negative CTB on the next following status report.
2. An employee with a negative CTB recorded on the most current Police Department Personnel Status Report shall have an amount equal to the cash value of his/her negative CTB deducted from the paycheck he/she receives for the Pay Period next following the Pay Period of the status report recording such negative CTB. The cash value of an employee's negative CTB shall be computed on the basis of his/her hourly base pay rate in effect during the Pay Period in which such negative CTB occurs as this rate is established under the BASE SALARY Article of the City/MPA Labor Contract in effect at that time.
3. An employee may not use time off which he/she has earned, such as vacation and holiday time or compensatory time off earned following publication of a Police Department Personnel Status Report indicating a negative CTB for the employee,

to offset a negative CTB and thereby avoid the paycheck deduction provided for in subsection 2, above.

4. In disputes over an employee's negative CTB, the compensatory time off taken and earned that is indicated on his/her time card (in the case of compensatory time off earned other than for roll-call, the time off earned indicated on the employee's overtime Tab Card—Form PO-7) for the Pay Period of the Police Department Personnel Status Report on which the disputed negative CTB was recorded, shall decide the dispute.

The parties further agree that all other terms and conditions of such OVERTIME Article shall remain unchanged and in full force and effect.

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE MILWAUKEE POLICE ASSOCIATION, LOCAL #21
I.U.P.A., AFL-CIO
AND
THE NEGOTIATING TEAM FOR THE CITY OF MILWAUKEE

The parties agree to amend subsection 3.c.(1) of the OVERTIME Article set forth in the 1983-1984 City/Milwaukee Police Association Memorandum of Understanding so that in the 1983-1984 City/MPA Labor Contract it will read as follows:

“(1) If an employee’s compensatory time off balance (CTB), including any remaining unused compensatory time off earned prior to September 11, 1983, recorded on the most current Police Department Personnel Status Report is less than 32 hours, the employee may elect to be compensated in time off instead of cash for each instance of overtime work performed after issuance of the most current Status Report until issuance of the next Status Report which indicates the employee’s CTB is equal to or greater than 32 hours.”

The parties further agree that with respect to authorized overtime assignments directly related to the Milwaukee Police Department Band function, the following provisions shall be applicable:

1. Notwithstanding the OVERTIME Article of the 1983-1984 Labor Contract between the City of Milwaukee and the Milwaukee Police Association, when an employee is a member of the Milwaukee Police Department Band and performs an authorized overtime assignment directly related to the Band function, he/she shall be compensated at base salary rates (IX) in compensatory time off for the duration of such overtime assignment. The time off so earned: Shall not count towards the 32-hour Compensatory Time Off Bank (CTB) limit determining the

employee's eligibility for overtime compensation in compensatory time off, instead of cash, that is provided for in subsection 3.c.(1) of the OVERTIME Article; Shall not affect the employee's CTB recorded on Police Department Personnel Status Reports; and shall not be included in the cash buyout provided for under subsection 3.d.(1) of the OVERTIME Article.

2. An employee may use earned time off from authorized overtime assignments directly related to the Police Band function on dates he/she has requested provided the employee gives his/her commanding officer reasonable advance notice of the dates requested and the dates are determined available by the commanding officer in accordance with the needs of the Police Service. The processing of requests for use of compensatory time off shall be on a first-come, first-served basis. Decisions made by employee's commanding officer with respect to the availability of the dates the employee has requested shall be final.
3. Administration of Band Overtime shall be in accordance with Departmental Order #7386, dated February 17, 1977, and attached herewith as Appendix A.

The parties further agree that for purposes of administering the benefits provided by aforesaid OVERTIME Article (as amended, above) the following provisions shall apply:

1. Except as provided in subsection 2, of this paragraph, below, the Police Department Personnel Status Report used to determine an employee's eligibility to elect compensatory time off instead of cash for an instance of overtime work performed shall cover overtime work performed during the 336 consecutive hour time period beginning at 12:01 a.m. on the second Wednesday of the pay period closest to the date on which the Status Report is issued. Normally, the Status Report would be issued on the second Wednesday of the pay period; in the event the Status Report is delayed, it shall be deemed effective retroactive to 12:01 a.m. on that Wednesday.
2. An employee may elect to be compensated in time off instead of cash for rollcall overtime if either of the two Police Department Personnel Status Reports that are issued during the

current pay period reflect a balance of less than 32 hours. Such election must be for all rollcall overtime earned in such pay period.

3. An employee may elect to be compensated in time off instead of cash for out-of-shift premium earned if the employee's CTB recorded on the most current Police Department Personnel Status Report in effect on the date that the out-of-shift assignment ends is less than 32 hours.

The parties further agree that all other terms and conditions of the aforesaid OVERTIME Article (as amended, above) shall remain unchanged and in full force and effect.

The parties further agree that the agreements provided for above shall be deemed to be in force and effect on September 11, 1983.

APPENDIX C

The parties hereto agree that whenever the Police Department Personnel Status Report for a pay period indicates a deficit in the time off entitlement of an employee because he/she has:

- (1) Exceeded his/her annual HOLIDAY OFF entitlement; and/or
- (2) Exceeded his/her annual VACATION entitlement; and/or
- (3) A negative SICK LEAVE BALANCE,

the Police Department Administration shall deduct unused time off in the employee's accounts indicated on such status report that are not in deficit by an amount of time off up to the time off that offsets, hour for hour, the employee's time off deficit unless the employee notifies the Police Department Administration prior to 3 p.m. on the Friday immediately following the date such status report is issued that he/she does not want the offset made; such notification shall be provided in accordance with Departmental procedures established for this purpose. If such notification is provided the offset will not be made and the deficit will be docked from the employee's paycheck for the pay period of the status report (the amount of such deficit to be computed on the basis of the employee's hourly base salary rate in effect during such pay period). If there is no unused time off in the employee's accounts indicated on such status report that are not in deficit, or if the amount of such unused time off is insufficient to offset the employee's time off deficit, the remaining deficit will be docked from the employee's paycheck on the same basis as is provided above when the notification requirements are met; and

The parties further agree that the terms and conditions herein shall not be applicable to negative compensatory time off overtime balances reflected on the Police Department Personnel Status Report, such negative comp time balances shall be governed by the provisions of a Memorandum of Understanding between the parties dated December 15, 1983.

In the event the Police Department Personnel Status Report for a pay period indicates a deficit in the time off entitlement of an employee because he/she has exceeded his/her INJURY PAY ENTITLEMENT as a result of the City's conclusion that an injury or illness is either not work related or that the employee fully recovered from such injury or illness while injury pay

had continued, the Department shall inform the employee in writing and the employee shall be provided with the opportunity to respond to the City's conclusion by indicating that he/she disputes the City's conclusion or does not dispute that conclusion.

If the employee does not dispute the City's conclusion, the employee will be given the choice of:

- (a) Applying any banked sick time, compensatory time and holiday hours to the overpayment of injury pay, and having any balance not covered by such accrued time deducted from the employee's bi-weekly paycheck at the rate of 10% of the employee's gross pay until such overpayment is fully offset, or;
- (b) Having the entirety of such overpayment deducted from an employee's bi-weekly paycheck at the rate of 10% of the employee's gross pay until such overpayment is fully offset.

If the employee disputes the City's conclusion, he/she will be provided with the opportunity to apply for a hearing under Chapter 102, Stats., and advised that if he/she fails to promptly do so the City may exercise its right to file a claim and seek a judgment of overpayment.

In the event that the Police Department Personnel Status Report for a pay period indicates a deficit in the time off entitlement of an employee because he/she has exceeded his/her INJURY PAY ENTITLEMENT as a result of anything other than the City's conclusion that an injury or illness is either not work related or that the employee fully recovered from such injury or illness while injury pay had continued, the process for HOLIDAY OFF, VACATION, and SICK LEAVE balance described above shall apply.

The parties further agree that this Appendix shall be made a part of the 2018-2019 City/MPA labor contract.

APPENDIX E

The following paragraphs from the Pension Benefits Article of the 1985-1986 City/Association Agreement are included for informational purposes:

1. Employees who are entitled to service credit during calendar years 1979 through 1986, inclusive, under either the Employee's Retirement System of Milwaukee or Policemen's Annuity and Benefit Fund of Milwaukee pension plans, shall receive such service credit at the rate of 2.5% per annum of Final Average Salary for each such year or part thereof.
2. Whenever the ERS Act provides that a medical panel make a determination affecting an employee's eligibility for benefits thereunder, a panel shall be substituted therefore consisting of three (3) physicians, one physician to be designated by the Association, one physician to be designated by the Employee Benefits Administrator and the third physician to be selected by agreement of the other two physicians. The panel may refer a member it is examining to an outside physician for examination. Decisions made by the panel on matters which are properly before it shall be by majority action and shall not be subject to the Grievance and Arbitration Procedure provisions of this Agreement. All costs associated with the panel, including costs of outside physicians used by the panel in making its determinations, shall be provided for by funds appropriated for that purpose from the budget of the City Annuity and Pension Board.
3. Effective January 1, 1985, for employees in active service on or after that date and who are members of the Policemen's Survivorship Fund of the Employees' Retirement System of Milwaukee, an increase in the current \$200/\$400 monthly survivorship benefits to \$300/\$600 per month, under the same terms and conditions applicable to such current benefits. This increase is being granted because there is no added cost, but if the experience is adverse, the benefits are to be reduced so as not to

increase cost. All other terms and conditions of survivorship benefits shall remain unchanged.

4. An employee who files an application for a duty disability retirement allowance with the ERS Board on or after August 1, 1985, shall not be eligible to continue to receive such allowance beyond the first of the month next following their 57th birthday; on and after the first of the month next following their 57th birthday, such an employee shall receive the service retirement allowance to which he/she would be entitled upon normal retirement at age 57 and he/she shall have the time spent receiving such duty disability retirement allowance included as creditable service for purposes of determining his/her service retirement allowance. The City will hold the Association harmless from claims and actions against the Association based upon this subsection and any ordinance or administrative action implementing this subsection, and the Association does hereby agree to tender the defense of any such claim to the City forthwith.
5. An employee appointed to the Police Officer position classification on or after August 1, 1985, shall not be entitled to receive a duty disability retirement allowance for any injury he/she may sustain while on duty prior to the start of field training during the period of time he/she is assigned to the Police Academy for recruit training, including any subsequent injury related to the injury sustained during recruit training. Such an employee shall instead be covered by State of Wisconsin Workers' Compensation Act benefits during such period and shall be subject to all provisions pertaining to such Act.
6. Effective January 1, 1985, for employees in active service on or after that date:
 - a. Whenever the Annuity and Pension Board of the Employees' Retirement System of Milwaukee grants a disability retirement allowance to an employee under the provisions of Subsections 36.05(2) or 36.05(3) of the ERS Act, such allowance shall become effective on the date the employee filed an application for it with the Board.

- b. If an employee, who becomes eligible to receive an ordinary disability retirement allowance under the provisions of Section 36.05(2) of the ERS Act on or after January 1, 1985, elects an optional benefit provided for under 36.05(7)(b) of the ERS Act, the option so elected shall become effective on the employee's effective date of ordinary disability retirement as determined under Section 36.05(2) of the ERS Act.
 - c. If an employee, who has attained the minimum service retirement age, elects an optional benefit provided for under Subsection 36.05(7)(b) of the ERS Act on or after January 1, 1985, the option so elected shall become effective on the employee's effective date of retirement determined under Subsection 36.05(1)(a) of the ERS Act.
7. An employee in active service on or after January 1, 1985, who is a member of the Employees' Retirement System of Milwaukee (ERS) and who has not attained the minimum normal retirement age and service requirements provided for in Sections 36.05(1)(b) or 36.05(1)(f) of the ERS Act shall be permitted to elect a protective survivorship option for his/her spouse under Section 36.05(7)(b)4 of the ERS Act to become effective upon his/her death provided the employee makes such election six months prior to the date upon which he/she first attained 25 years of creditable service as a "Policeman." Such election shall be irrevocable, but shall be automatically revoked in the event the surviving spouse pre-deceases the employee before retirement or the surviving spouse is legally divorced from the employee before retirement. If elected, the coverage under such option shall become effective on the date the employee would have first attained age 52. In the event the employee has not attained the aforesaid minimum normal retirement requirements, but has at least 25 years of creditable service as a "Policeman," then such employee shall have until six months following the execution date of this Agreement to elect such option; if elected, the coverage under such option shall become effective on the date of election. The increase in benefits provided herein shall not apply to a surviving

spouse entitled to receive benefits under the provisions of Section 36.05(5) of the ERS Act. The term, "Policeman," shall be as defined under Section 36.02 of the ERS Act. All other provisions of 36.05(7)(b)4 of the ERS Act shall remain unchanged in full force and effect.

8. Except for the contractual guarantees set forth in Chapter 441 of the Laws of 1947, Wisconsin Statutes, the provisions of Section 36.13(2) of the ERS Act shall not be applicable to employees appointed to City employment on or after August 1, 1985.

Implementation of the foregoing paragraphs was accomplished by amendments to the City Charter enacted prior to November 3, 1988. These amendments, together with the balance of pension benefits applicable to employees' covered by this Agreement under the 1985-1986 City/Association Agreement, are referenced in the introductory paragraph of the Pension Benefits Article of this Agreement.

WELLNESS AND PREVENTION PROGRAM AND WELLNESS AND PREVENTION COMMITTEE

A Wellness and Prevention Program and a Wellness and Prevention Committee shall be implemented to promote the wellness and prevention of disease and illness of City employees, retirees and their family members. The Wellness and Prevention Program shall include an annual Health Risk Assessment (HRA) and may contain, but shall not be limited to, some or all of the following components: benefit communication, medical self-care, nurse line, consumer health education, injury prevention, advanced directives, preventive medical benefits, targeted at-risk intervention, high-risk intervention, disease management, condition management, wellness incentive or other components agreed upon by the City and the unions.

The City shall retain a consultant to assist in developing a plan for a comprehensive wellness and prevention program for the City and to assist in making program adjustments.

A Wellness and Prevention Committee shall be established to assist the consultant in the design of the Wellness and Prevention Program and to provide oversight of the program. The Wellness and Prevention Committee shall be comprised of nine union members appointed by the unions and three management representatives appointed by the Mayor. The unions shall select the nine union representatives. The committee shall be structured to include two MPA members determined by the MPA.

Decisions of the committee shall be by consensus. Consensus shall be reached when ten committee members agree. The committee shall make no decisions that require employees to pay additional out-of-pocket costs unless they are ratified by every City bargaining unit. However, the committee may decide to provide additional lump sum compensation to employees, reduce an out-of-pocket monthly expense or provide some other type of benefit without ratification by the bargaining units. No decision made by the committee or failure to

make a decision shall be subject to any aspect of the various grievance procedures, complaint procedures, court action or any other type of dispute resolution mechanism.

The City shall develop a Request for Proposals (RFP) and solicit bids from third party vendors qualified to implement the Wellness and Prevention Program. Upon conclusion of the bidding process, the City shall meet with the unions to review the results of the RFP. The committee shall decide on the vendors giving due consideration to all City policies associated with the selection procedures. The City shall not spend more than two million dollars per year, including the cost of conducting the HRA, on the Wellness and Prevention Program.

All parties involved with the HRA shall abide by all laws governing the release of employee medical records.

APPENDIX J

Framework for a Memorandum of Understanding Between the City of Milwaukee And the Milwaukee Police Association Local #21 I.U.P.A., AFL-CIO

Re: Discretionary Days Off in Lieu of Discipline

Overview

The current disciplinary system within the Milwaukee Police Department frequently results in varying periods of unpaid suspension leave for employees. In essence employees are found guilty of violations of departmental rules and regulations and the Chief of Police Head makes a determination as to appropriate penalty. Upon Order of the Chief of Police, employees may be subjected to periods of unpaid suspension of one or more days in length. In such events the disciplined member is suspended for specific date(s) as determined by the Professional Performance Division, and said member suffers a financial loss for the unpaid date(s). It is recognized that financial losses are not typically borne by the offending member alone, but by his or her family as well. Additionally, members on paid suspension periods are absent from duty and therefore the Police Department suffers the loss of human resources. It is the intent of this agreement to provide for a suitable alternative to the current system, which will alleviate much of the financial loss to employees and their families, keep productive employees at their workplaces and still provide an effective means of discipline. This shall be accomplished by allowing Police Department members, under the below conditions, to substitute discretionary off time in place of suspension days.

Procedure

In those discipline cases wherein the Chief of Police orders the suspension of a member for a period of five days or less, the member subject to said discipline shall be served with the discipline order(s) consistent with current practices. In addition, the member shall also be served with a notice informing them of their option to substitute discretionary time in place of any or all suspension days. The notice shall advise the member that if he or she wishes to substitute

discretionary time, he or she must notify the Personnel Division in writing within five calendar days. Upon proper notification, the Personnel Division shall process the member's request and subtract the appropriate discretionary time from the member's balance. Failure to properly notify the Personnel Division or Administrator within the five-day period shall automatically result in the member forfeiting their ability to substitute discretionary time and the suspension shall proceed as ordered by the Chief.

Conditions of Agreement

- For applicable suspension as described above, the substitution of discretionary time shall be at the member's sole discretion, given that the member has the time available.
- Suspensions exceeding five days shall not be eligible for substitution.
- Only vacation days may be substituted. Substitutions shall be on a one-for-one basis, i.e. one vacation day replaces one suspension day.
- Compensatory time, sick time, etc., may not be utilized for substitution.
- Members may choose to substitute discretionary time for all or part of a suspension period. However, substitutions may only be made in full eight-hour blocks.
- Members may only substitute discretionary time that is available on the current Time Owed and Allowed reports. Members may not "borrow" future time.
- In the event that a member chooses not to substitute discretionary time, or does not have the time available to them on the current Time Owed and Allowed report, said member shall serve the suspension days as ordered by the Chief.
- A member's decision to substitute discretionary time shall have no bearing on their disciplinary record. All official Police Department disciplinary records, including the Personnel Order, shall continue to indicate that the member was suspended for the time period as ordered. Substituted suspension time shall continue to be a factor in matters such as progressive discipline, Sick Leave Incentive, promotional exams, etc.
- A member's decision to substitute discretionary time is neither an admission of guilt nor a waiver of grievance/appeal rights.
- In the event that a member chooses to substitute discretionary time and then is awarded a reduction of discipline through the grievance/appeal process, said member shall be credited with the awarded day(s), to the same account from which they were drawn. Time credited to the member's balance shall be governed by the rules in place for discretionary time applicable to the date the time is returned. For example: In January of 2005, a member is suspended for two days and substitutes two vacation days. The member grieves the discipline and in January of 2006, an arbitrator reduces the discipline to one day. The Police Department would then add eight hours to the member's vacation

balance for year 2006 and subsequently the eight hours would have to be utilized by the end of that calendar year, unless the arbitrator/umpire directs otherwise.

- For purposes of this memorandum of understanding, the parties recognize the authority of the arbitrator/umpire to direct that the member be able to utilize any returned time during a period of one year immediately following the date of the award.
- The Chief of Police shall not in any way consider a member's discretionary off-time balance when deciding upon discipline.
- The procedure would be implemented on a trial basis for the term of the 2007-2009 Agreement and could be extended beyond that date by mutual agreement.

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE CITY OF MILWAUKEE (City)
ANDY
THE MILWAUKEE POLICE ASSOCIATION
LOCAL #21, IUPA, AFL-CIO (Union)

The City and the Union agree to resolve Grv. No. 2009-6/WERC Case 600 regarding ARTICLE 54 – DUTY ASSIGNMENT, and any other grievance filed by the Union regarding Article 54 of the labor agreement that has not previously been resolved, as follows:

1. The “temporary exceptions” referenced in the last sentence of Article 54 of the labor agreement allows the Chief of Police:
 - A. To assign one or more employees to a day duty assignment to further the Training Academy’s mission. Such assignment may be made when in the Chief of Police’s judgment:
 - (i) The employee to be assigned under this provision has a specific skill set or knowledge base not possessed by an employee currently assigned to day duty, or
 - (ii) The needs of the service warrant such an assignment, due to the work schedule or the special assignment of an employee currently assigned to day duty who might otherwise be utilized in the Training Academy’s mission.

The assignment of each such employee to day duty shall be for a maximum of sixty (60) calendar days per year.

 - B. To assign one or more employees to a day duty assignment when in the Chief of Police’s judgment an emergency involving the needs of the service warrants such assignment. Any such assignment shall not exceed five (5) consecutive work days.
 - C. To assign an employee to day duty when an employee requests such an assignment due to a life hardship. A “life hardship” is defined as a catastrophic life-changing event, such as the death or terminal condition of the

spouse, child, brother/sister or parent of the employee seeking such an assignment. The determination of whether an employee is eligible for such an assignment, and the decision to grant or deny the request, for up to 180 days, is in the sole discretion of the Chief of Police. The Chief of Police may, if the criteria in this paragraph are met, extend such hardship assignment for up to an additional 180 days.

- D. The Milwaukee Police Department shall provide the Union with written notification prior to assigning any employee to day duty pursuant to any of the above circumstances. If impracticable due to an emergent situation an initial verbal notification shall be followed by the written notification.
 - E. The Union shall maintain the right to challenge any such exception and/or temporary assignment in accordance with the grievance process.
2. In addition to the provisions set forth in paragraph one, the City and the Union agree that the following special provisions apply to employees assigned to what is currently known as the Milwaukee Police Department's High Intensity Drug Trafficking Area (HIDTA) unit. The parties agree:
- A. Specific Exception. Those employees on the attached list who have been assigned in the past to day duty at the HIDTA unit, despite having insufficient seniority to be assigned to day duty, shall be "grandfathered" and are eligible to be assigned to day duty at HIDTA.
 - B. General Exception. The Chief of Police may from time to time assign to day duty up to six (6) employees [department wide] who will be primarily involved in narcotics investigation at the HIDTA unit, or any future unit that includes a similar function as HIDTA, providing such functional unit is considered the Department's primary narcotics unit; regardless of the employee's seniority. Each such employee selected by the Chief of Police may be so assigned on a one-time basis for not more than two (2) years under this provision.
3. Apart from those employees with insufficient seniority for a day duty assignment referenced in paragraphs 1 and 2 above, any employee currently assigned to a day duty assignment with insufficient seniority shall be reassigned by the Chief of Police consistent with the employee's seniority within thirty (30) days of the Union's providing the employee's name to the Chief of Police.
4. The City Shall provide the Union, on a quarterly basis, the Milwaukee Police Department's Day Shift Eligibility List. Prospectively, this information will be included as a new provision (*i.e.*, paragraph 2.h) under Article 50, Bargaining Unit Information, of the parties' labor agreement.
