Fond Du Lac Av

Good evening, Infinity Lounge was placed in Nuisance status on January 17, 2024, due to the shooting on January 17, 2024, and the battery cutting on June 7, 2023. Infinity Lounge had another shooting on Saturday, April 20, 2024. There has been a tremendous number of issues with this lounge from

- Having strippers
- Having a large swimming pool in the parking lot
- Cooking food and selling to citizens and making someone ill (Health department was involved)
- Large brawls during closing time Fights,
- Shots fired
- Vandalism to vehicles
- Citizen's parking vehicles on the sidewalk

The shooting that happened on January 17, 2024, Mario Spencer the owner was very cooperative with the officers and detectives and provided his video surveillance interior and exterior and his security staff information. The most recent shooting this Saturday, April 20, 2024, Mario stated that he didn't know what happen. Mario stated that he didn't know how to operate his surveillance cameras.

The summer isn't here, and we are already having multiple problems with Infinity Lounge. I understand that Infinity Lounge is under a TRO from the last incidents with strippers and

not having the correct license last year. We were informed that we are waiting on the judge to figure out if Infinity Lounge will be suspended for 30 days or not. They had their license hearing in February, and everything was put on hold. Now the new incidents that occurred, nothing can be done until 2023 incidents are closed. I would like to know, what is the next step to get the TRO completed?

Since Infinity Lounge is in nuisance status, I will be billing him for a big fight inside the establishment on March 19, 2024, and the video is on Facebook; some vehicles were vandalized, shots were being fired and today the shooting on April 20, 2024. The City Attorney Theresa Montag, Mario Spencer and I created an abatement plan that Mario must follow and he has not kept his end of the bargain. Mario has not attended any of our monthly Crime and Safety meeting. We need to see if Mario conducted a background check on his new security staff. We are unaware if he hired a new security company with CCW and insurance. We need to schedule a meeting with Mario to see if all surveillance cameras are working. Today Mario was not cooperating and didn't want to comply with criminal investigation.

This email is received. Parking has been responding to complaints in this area for quite some time now. Staff reports that they are often verbally abused by patrons of the establishment. We have reached out to Dist. 7 in the past for assistance but was unsuccessful.

These are videos from Thursday and Friday. You will see lottering, cars parked on sidewalk, cars blocking my driveway, people arguing, three wheelers driving on sidewalk, a lot of smoke coming out the bar, people on my property, loud music, and a person passed out on the ground next to the bar. This is what all the Aldermen voted for 😞. Just because you guys might give him a 6 months Suspension doesn't mean nothing because he is don't care know!! Also some of the videos you might think they're the same but they're not. It's showing you how long they stayed there.

On Saturday June 24th, 2023, at approximately at approximately 1:34am, Squad 7471 P.O. Molly KRUEGER, and I responded to a Tavern Check at Infinity Lounge located at 4001 W. Fond Du Lac Av. This location is within the City and County of Milwaukee.

Synopsis

On Saturday June 24th, 2023, at approximately 1:12am The next-door neighbor of Infinity Lounge identified as Lydia D. MELTON B/F 01-03-73 phone number 414-888-1987, called and requested a tavern check on Infinity Lounge. MELTON stated that Infinity Lounge was over capacity, and many vehicles were parked illegally on W. Fond Du Lac Av.

On July 2nd, 2023, I conducted follow up by calling MELTON on the phone to gather more information on MELTON'S complaints. MELTON indicated that she has constant problems with Infinity Lounge, and she has gone to the alderman regarding her concerns. MELTON mostly complained about the loud noise coming from Infinity Lounge, and the illegal parking by the patrons of Infinity Lounge. MELTON indicated that she believed that Infinity Lounge was selling tobacco for a profit, and the patrons from Infinity Lounge were underaged, and smoking marijuana.

Officer Observations on June 24th, 2023

At approximately 1:34am, P.O. KRUEGER and I parked our vehicle in the median that is on W. Fond Du Lac Av. just northwest of Infinity Lounge. While monitoring the area, I observed patrons going into and leaving out of Infinity Lounge and the bar across the street called Geno's Bar and Grill located at 3910 W. Fond Du Lac Av. Due to the complaint that the tavern was over capacity and the large number of vehicles parked on W. Fond Du Lac Av. P.O. KRUEGER and I entered Infinity Lounge to count the number the number of patrons inside the establishment.

While inside the tavern, I estimated that there were approximately 50 people inside the tavern, some were drinking, and some were dancing. I did not observe any illegal activity inside the tavern. I spoke to the owner of the tavern Mario A. SPENCER 08-08-80 and informed him that we were receiving complaints regarding the Infinity lounge's Operation. SPENCER stated that he believed it was MELTON who complained on him because she complained on him to the alderman all the time. I informed SPENCER about making sure he knows his capacity limit and told him to make sure his patrons were legally parking. Spencer was very cooperative during this investigation.

While outside of Infinity Lounge, I observed many patrons began to move the vehicles due to City of Milwaukee Parking Enforcement arriving on scene to issue parking citations.

On Friday, July 16th, 2023, at 12:27am, I was dispatched to 4001 W Fon Du Lac Av (Infinity Lounge), for a noise nuisance.

Upon arrival I observed individuals walking into the above listed location which was still open for normal business hours.

I attempted to speak to the caller / complainant who did not answer their phone.

I drove around the perimeter of the business and found no issues with the noise related to the business, per the caller / complainant.

I tried to contact the caller / complainant once again and received no answer, therefore since the business didn't appear to be a nuisance, or violating any local city ordinances I did not enter the business to speak with the owner / manager.

Searching through previous call history this caller / complainant reported a similar issue on April 10th, 2023, and would not answer their phone on police callback CAD (#231000057), and again on June 24th, 2023, under CAD (#231750100), where the complaint was unfounded.

Case #:240260162

OtherEvent #: 24-LP-0219

On Sunday, the 20th of August 2023, at approximately 7:21 p.m. I was dispatched to the Infinity Lounge, 4001 W. Fond Du Lac Ave. in the City and County of Milwaukee for a "Subject with Gun" call for service.

The 9-11 caller stated the following:

CLLR STS THERE WAS A FIGHT AT THE LISTED LOC AND THE SUBJECTS CALLED THERE BOYS AND THE SUBJECTS CAME TO THE LOC WITH GUNS

CLLR STS SHE IS IN THE RESTROOM...CLLR STS CAN YA'LL PLEASE HURRY UP AND DISCONNECTED THE LINE

Upon our arrival I did not observe any subjects outside of the dispatched address with guns or anybody fighting. P.O. YOUNG and I entered the location and did not observe anybody with guns or anybody fighting. It was reported by an unidentified patron that there was a "violent altercation" however everybody left. It was reported that this altercation was outside of the bar. Because the caller was supposedly in the bathroom we did check the bathroom but did not find the caller.

We attempted to speak to the caller via telephone however they did not answer.

We did not locate a victim to the "violent altercation".

The owner of the bar was pointed out by a bar patron. I spoke to licensed premise owner who was identified through MPD records as Mario A. SPENCER a M/B, 08/08/80. The business owner was cooperative with the investigation. I do not recall seeing any security officers on scene.

I did not review any video surveillance footage because we did not have a victim for any crime.

I did not check to see if any business licenses were posted. During my investigation for "Subject with Gun" I did not observe any violations in the licensed premise.

This report is written by PO Christopher AREVALO, assigned to District 7, Late Shift.

Case #: 232530042

OtherEvent #: 23-LP-2992

On Sunday, September 10, 2023 at 4:11 AM, while assigned to Squad 7352, PO Corey HARRIS and I, were dispatched to a Tavern Violation Complaint at the address of 4001 W. Fond Du Lac Avenue, which is located in the City and County of Milwaukee, WI.

Upon *our arrival* I observed the establishment with the lights turn off. I did not observe any staff members inside or outside the establishment. The parking lot was empty and adjacent to the bar was a small hot dog stand with several people surrounding it playing music.

I spoke with the caller, identified as Lydia (414-745-0499) who believes they were passed business hours still serving alcohol and loud music, but I did note the bar closed. Lydia states she lives near the location and can hear loud music playing.

There were no witnesses at the location.

The bar was already closed, and no manager, employee, security or associates were on scene to speak with.

There is video surveillance footage, but the establishment was closed when we arrived on scene.

While on scene, I observed the doors locked and vehicles on the property.

LICENSED PREMISE REPORT

Cvetan, Zachary D 028449

09/23/2023

This report is written by P.O. Zachary CVETAN, assigned to Late Power Shift at District 7.

On Saturday, September 16th, 2023, at approximately 7:07 PM, Squad 7471 (P.O. Kyle KLOETY and I), along with Squad 7240 (P.O. Jazmin ROWE and P.O. Samuel SCHWABENLANDER) were assigned to monitor Infinity Lounge, a tavern, located at 4001 W Fond Du Lac Ave. which is in the City and County of Milwaukee regarding a high profile event they were hosting. Prior to my shift I was advised by Milwaukee Police Department Intelligence Division that Infinity Lounge would be hosting "Twerk Fest" and having special musical artist guest, Ying Yang Twins, at their establishment.

Upon our arrival, P.O. KLOETY and I walked into Infinity Lounge to speak with either the licensee, Mario SPENCER and/or any other employees. I was attempting to ensure they had a plan to handle the expected large crowds. I made contact with a bartender and a DJ who stated SPENCER had not arrived yet. The bartender and DJ wished to not disclose their identity to us. The bartender and DJ did not wish to speak with us regarding the event.

At approximately 9:00 PM we went back and made contact with SPENCER, who was on scene, to advise him we would be watching his establishment to ensure peace in the neighborhood. SPENCER was cooperative and was glad we would be in the area.

We monitored Infinity Lounge from approximately 7:09 PM to 2:45 AM. During the observation period I didn't observe any behavior or activity that would have been disorderly or obscene. I did observe several vehicles throughout the night that would park on W Fond Du Lac Ave. in front of the establishment which obstructed traffic for short periods of time.

End of report.

Michaels, David A 024686

10/03/2023

This report is written by P.O. David Michaels, assigned to District Seven, Late power shift, assigned to Squad 7469.

On Tuesday, October 3, 2023, at 8:30 p.m. P.O. Zachary Cvetan and I went to the address of 4001 W. Fond Du Lac Av. for a subject wanted complaint. We were searching for a known wanted subject Victor Brown (b/m, 06-29-82), who has multiple warrants for his arrest. We received information that Brown was working as a security guard at Infinity Lounge.

I spoke to Antonio Jarvis (b/m, 05-07-85), who stated Brown had been working at the bar but no longer works there. While speaking with Jarvis I observed a partially rolled marijuana blunt along with a clear plastic bag which contained green plant-like material, suspected of being marijuana. I confiscated the suspected marijuana and P.O. Cvetan weighed, tested and placed it on MPD inventory. Total weight 4.0 grams and tested positive for THC. MPD inventory 23031854 item 1.

I asked Jarvis if Mario Spencer, the owner, was working and Jarvis stated he was not.

I spoke to the bartender, Kennecia Terry (b/f, 07-22-86) I requested to see proof that she is a licensed bartender, which she was not able to produce any forms indicating she is licensed. I was unable to locate an officer who would be able to look up Terry's license status.

While on scene, I asked Terry if the bar's licenses were posted, and she stated they were not posted but in a binder. Terry retrieved a binder, and I was able to see that the bar's licenses were up to date. During my investigation for a subject wanted/ tavern check. The only violation I observed was the marijuana that was located on the top of bar. We were unable to determine ownership of the marijuana, however, it was located on the top of the bar closest to Jarvis, who was acting as an employee of the bar.

All employees of the bar were cooperative.

Lac Av, regarding a complaint of a Fight.

Upon my arrival, I observed a small group of individuals near the address of 3928 W Fond Du Lac Av, but the group quickly dispersed. I was unable to determine if the possible fight occurred at Infinity Lounge (4001 W Fond Du Lac Av), or if they had attended Infinity Lounge.

The CAD (Computer Aided Dispatch) indicated the caller stated there is a large crowd of people, and that someone is fighting. The caller was unable to see if there were any weapons involved in the fight, but did state medical attention was needed. I attempted to contact the caller by phone but was unable to make contact with anyone at that time.

I did not speak with the license premise owner, but later learned the license agent to be Mario A SPENCER.

P.O. THOMPSON and I met Lelah Allen (Health Department) and Raymond Rutherford (DNS) outside of Infinity Lounge. LELAH stated that she has a food complaint and the citizen got sick.

The owner of Infinity Lounge, Mario Spencer came and open the door. Lelah asked MARIO, how do he prepared food to sell in the bar. MARIO stated that the food is cooked at a different location just because he doesn't have a kitchen and it's brought to the bar, and he sells it.

LELAH stated that he can't sell food inside the bar and the only thing he can sell is package products like bag of chips and peanuts. LELAH stated that she was going to come back in 30 days to inspect the bar. Mario asked LELAH and RAYMOND things he can and can't do in the bar regarding and about having a food truck park outside to sell food.

We all left Infinity Lounge around 4:30pm.

On Friday, December 22nd, 2023, I was assigned to Squad 7441 with P.O. Tyler STEFFEN. We were wearing a full Milwaukee Police Officer uniform, which included our department-issued badges and body-worn cameras.

At 12:52 a.m., we responded to the address of 4001 W. Fond Du Lac Avenue for a Battery Complaint. This location is Infinity Lounge, a licensed Bar/Tavern in the City and County of Milwaukee, WI.

Upon arrival, we spoke to the caller on-scene, who identified herself as Veronica C. NICHOLSON (B/F, 03/16/04). NICHOLSON stated that her friend was randomly punched in the face while inside the bar by an unknown male.

I spoke with her friend Ladavion M. WESTON (B/M, 12/09/03), who was crying and screaming hysterically. WESTON stated that he was dancing with his friend inside the bar when he was punched in the face randomly by an unknown male. I did not observe any injuries on WESTON, and when asked, he denied medical attention. WESTON went on to state that he and the unknown male were both escorted out of the bar, and he felt that it was not fair because he was randomly punched in the face. WESTON stated that he wanted the fifty dollars he and his friend paid for the cover charge returned to them.

After speaking with WESTON, I talked to the bar manager, Javonni D. CAMPBELL (B/M, 05/11/94). CAMPBELL stated that WESTON was dancing with his friend provocatively and got too close to another male subject, who got upset and punched him. CAMPBELL stated the male subject was removed from the premises immediately.

CAMPBELL stated that after being punched, WESTON remained inside the bar but began to cause a scene because of the incident, which led to security removing him. CAMPBELL stated that WESTON kept asking for a refund, which he could not give him, which upset WESTON.

While speaking with CAMPBELL, WESTON and NICHOLSON left the scene.

I did not observe any tavern violations.

A check revealed that the tavern's licenses were current and the tavern was operating within the allotted hours.

LICENSED PREMISE REPORT

Arango, Michael B 031921

01/17/2024

This report is written by P.O. Michael ARANGO (P.S. 031921) assigned to District Seven Late Shift Squad 7332 (P.O. AGUILAR and I).

On Wednesday, January 17th, 2024, we were dispatched to a shooting complaint that had occurred just outside the bar/club known as "Infinity Lounge" at the address of 4001 West Fond Du Lac Avenue located in the City and County of Milwaukee, Wisconsin.

We received multiple Shotspotter pings related to this shooting complaint of which was placed directly outside the Northern entrance to the "Infinity Lounge". We arrived on scene and observed many people leaving the bar. We asked multiple people in passing where the gunfire came from and if everyone was okay. Everyone walked past us stating nothing happened in the bar and that nothing happened. Knowing that one of the Shotspotter pings occurred right outside the door, we needed to gain entry into the "Infinity Lounge" to both check the welfare of the individuals inside and check for camera footage. We flagged down an employee who was standing outside the door. I attempted to speak with him and informed him that we need access to the video footage. The employee, who was later identified as Harley H. LEWIS (B/M, 03-05-1999), intentionally ignored me and stated he would be right back. LEWIS went inside the bar and did not return after a few moments.

We then let ourselves into the bar. We then made contact with the owner/manager Mario A. SPENCER (B/M, 08-08-1980). I requested SPENCER provide me with the Video surveillance footage of the areas in which we had Shotspotter reports. I asked SPENCER multiple times. SPENCER initially seemed to ignore me. I then requested specific camera locations and times. SPENCER seemed to deliberately continue selecting the wrong cameras and times after having to be corrected multiple times. SPENCER then took it upon himself to stop looking for footage and then pay his employees so they could leave. It was only after these employees had left that SPENCER seemed to better understand what footage we were requesting. SPENCER then looked through the footage from the times and cameras requested and stated he did not see anything. P.O. AGUILAR and I then observed muzzle flash on the screen that SPENCER appeared to be covering with his thumb. It should be noted that the only way SPENCER was willing to access the footage was via his cell phone. P.O. AGUILAR and I both pointed out the muzzle flash we observed on the footage. SPENCER stated he did not see it. We requested to review the footage again and observed that the muzzle flash was coming from a handgun that was being fired by one of the security guards from the bar.

It should be noted that although SPENCER had complete and instant access to all of the many video cameras, he did not immediately cooperate with police. It should be noted that SPENCER did not start fully cooperating until his staff had left the scene. It should be noted that it seemed to officers on scene

that SPENCER did all of this intentionally in an attempt to delay police to allow possible suspects to flee the scene.

After the footage was actually found, SPENCER eventually allowed officers and detectives into his upper unit in which the main system was housed. SPENCER allowed police to gather footage from his system.

Spencer stated he did not know the security guards were but later in the investigation Spencer admitted that he knew who the guards were and identified the guards who were involved in the shooting, by name.

Spencer intentionally attempted to obstruct our investigation.

IT SHOULD BE NOTED THAT NO ONE FROM INFINITY LOUNGE CONTACTED THE POLICE OF THE SHOOTING INCIDENT OR SHOTS FIRED INCIDENT. LAW ENFORCEMENT OFFICERS WERE MADE AWARE OF THE SHOOTING AFTER THE VICTIM'S ARRIVED AT ST. JOSEPH'S HOSPITAL AND THE STAFF CONTACTED POLICE. THERE WERE THREE RELATED SHOTSPOTTER CALLS ONE STATED THERE WERE 25 ROUNDS, THE SECOND STATED 16 ROUNDS, AND THE THIRD STATED THERE WERE 5 ROUNDS WERE FIRED.

AT THE TIME OF THIS REPORT AT LEAST ONE OF THE HIRED SECURITY OFFICERS WAS ARRESTED FOR THE SHOOTING INCIDENT. ADDITIONAL SECURITY OFFICERS WERE OBSERVED ON SURVEILLANCE VIDEO WITH FIREARMS.

END OF REPORT.

Officers arrived and observed patrons leaving stating nothing happened. Officers attempted to speak with an employee who intentionally ignored officers. Officers entered the location and located the agent. Officers requested to review video surveillance, the agent then seemed to intentionally pull the incorrect video footage. The agent then took a break from reviewing video with officers to pay his employees for the night. After the employees left the agent appeared to be more cooperative of the video footage request. The officers observed from the video that one of the security guards was firing a handgun. Officers noted that it appeared that the agent was partially obstructing the investigation. The agent allowed employees to leave even though one of the employee was a possible suspect to the shooting complaint. The agent initially stated that he did not know the security guards but eventually provided employee names and a copy of the video requested. Officers were made aware of the shooting from shopspotter pings and a victim that was admitted to the hospital. Additional security was observed on video with firearms. One of the security guards was eventually arrested regarding the incident.

The victim stated security intervened and were pushing people outside. The victim stated they heard gunshots and began to run away when they realized they were shot. A second victim stated their friend was involved in a physical fight with another patron, when security intervened and they fled the bar. The 2nd victim stated they saw muzzle flashes coming from near the bar.

38. On 05/12/24 at 11:43p.m., Milwaukee Police were dispatched to a SpotShotter at 3291 N. 40th St. There were 4 SpotShotter calls related to the same incident, one of them being 4001 W. Fond du Lac. LICENSED PREMISE REPORT

Soltes, Taylor 031310

05/06/2024

This report is written by Milwaukee Police Officer Taylor M SOLTES, assigned to District Seven Late Shift.

On Monday, May 6, 2024, at 1:10 AM, while assigned to Squad 7322, my partner Milwaukee Police Officer Christopher AREVALO and I were dispatched to a Shooting Complaint at St. Joseph Hospital at the address of 5000 W. Chamber St. which is located in the City and County of Milwaukee, WI.

Upon our arrival we met Squad 7342 (Milwaukee Police Officer Issac LORETO and Joshua AGUILAR) at St. Joseph Hospital for the shooting. Squad 7342 relayed information stating that the shooting occurred at Infinity Lounge located at 4001 W. Fond du Lac Av, located in the County and City of Milwaukee, Wisconsin. 7342 stated that the victim stated that she was involved in a fight inside the place and had got kicked out. The victim stated that she left outside the side door of Infinity Lounge and then, while she was waiting the shooting occurred, which struck the victim.

PO AREVALO and I then left St. Joseph to try and find a scene at Infinity Lounge.

Upon our arrival, my partner and I observed the scene full of vehicles and people roaming around entering and exiting the establishment. PO AREVALO and I walked East and West bound on W. Fond du Lac Av, to locate a scene for the walk in shooting. While I continued to walk down the W. Fond du Lac Ave, PO AREVALO spoke to supervisor on scene outside Infinity Lounge who was later identified as Marlana M. MOORE (B/F, 01-12-1984). PO AREVALO I asked MOORE if she seen or heard anything, and she stated, "No." I then asked if there had been a commotion in the last 30 minutes and she stated no. I explained the reason why we are there and stated nothing happened because they would have been alerted by other staff and people.

I observed most of the people were coming and going from this establishment and I asked patrons that were around at the time if anything happened, such like a fight. Multiple people stated that they did not hear or see anything.

PO AREVALO stated that he spoke with the employees inside Infinity Lounge to obtain any video footage. PO AREVALO and I spoke to the owner's mother, verbally identified as Cynthia M. GLESFINNIE (B/F, 12-26-1961) who was behind the bar at the time. GLESFINNIE informed me that she does not have access to the computers to review the cameras because it is located in a separate room. GLESFINNE stated that she does not have access because the owner has the only key. GLESFINNE was asked if she could contact the owner and she dialed and contacted him. PO AREVALO was then on the phone with the owner Mario A. SPENCER (B/M, 08-08-1980).

Mario and PO AREVALO spoke on the phone, and he stated that he is out of town and won't be back until tomorrow, Tuesday, May 7, 2024, in the late afternoon hours. Mario stated he does

access to the cameras from his phone, and I asked if he could find any surveillance video regarding the incident which occurred around 12:00AM-12:45AM. Mario stated he would check his cameras and call with the results. I also asked GLESFINNIE if she knew the names of the security employees that were present, she stated she does not have their information. I then asked if she knew their phone number and she just shook her head and did not know their numbers.

The Infinity lounge employees were first being uncooperative, due to the fact that employees wanted to go home, and it was past the hours of operation. The employees were also acting because they did not know what had happen and stated they were unaware of any shooting at this establishment.

Once the employees were informed of why they would need to stay so the police can conduct an investigation regarding the shooting, they became cooperative.

During my initial investigation I observed one male security guard which stated that he had no idea what was going on because he came late. I was unable to obtain his information because he had left the bar when people were leaving the bar. The security guard was unarmed and was just wearing a security t-shirt.

While on scene, I looked past the bar on the wall and I did not observe any licenses posted and did not know if they were up to date. During my investigation of this shooting, I did not observe any violations in the licensed premise.

Per the district community partnership unit this location is a designated nuisance premise.

PO AREVALO submitted a supplemental report regarding his investigation. PO AREVALO spoke to the majority of the people inside the establishment. I was there to hold down the establishment for the shooting.

On Monday, May 6, 2024, at 1:10 AM, while assigned to Squad 7322, my partner Milwaukee Police Officer Christopher AREVALO and I were dispatched to a Shooting Complaint at the address of 4001 W Fond Du Lac Avenue (Infinity Lounge) which is located in the City and County of Milwaukee, WI.

PO AREVALO was then on the phone with the owner Mario A. SPECNER (B/M, 08-08-1980).

Mario and PO AREVALO spoke on the phone, and he stated that he is out of town and won't be back until tomorrow, Tuesday, April 7, 2024, in the last afternoon hours. Mario stated he does access to the cameras from his phone, and I asked if he could find any surveillance video regarding the incident which occurred around 12:00AM-12:45AM. Mario stated he would check his cameras and call with the results. The infinity lounge employees were first being uncooperative, but then became cooperative with the investigations. The reason why the employees were acting uncooperative at first is due to they did not know what had happen, and was unaware of any shooting at this establishment, as well as they all wanted to go home because it was after operational hours.

I observed one security guard which stated that he had no idea what was going on because he came last. I was unable to obtain his information because he had left when the crowd left.
