

060039

The image shows a three-story building with a prominent bay window. The building appears to be in a state of disrepair, with significant peeling paint and structural damage visible, particularly on the left side. The bay window is a two-story structure with a decorative top section. The ground floor has a dark doorway and a window. A utility pole stands in front of the building, and a white vehicle is partially visible on the right. A striped barrier is in the foreground.
