Dear Alderman Witkowiak:

This is in response to a request we received from Mr. Frank Rued of Milwaukee Firehouse Pub to provide additional on-street parking in this area.

Our Traffic Engineering staff has investigated this request and found that additional parking could be restored in this area and still allow traffic flow by repealing the above-captioned parking restriction.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

This trial has been in effect for a substantial time period and we have not received any complaints, therefore, we recommend a permanent removal. Legislation will be prepared for consideration at the next Public Safety Committee meeting.

REMOVAL OF METERED PARKING ON THE  
EAST SIDE OF SOUTH CESAR E. CHAVEZ DRIVE  
FROM WEST GREENFIELD AVENUE TO  
WEST ORCHARD STREET

Dear Alderman Witkowiak:

In conjunction with the one way conversion of West Bow Street from South Pearl Street to South Union Street and the subsequent rerouting of Milwaukee County Transit buses, a new bus stop is being established at the above location. The new bus stop requires the elimination of the metered parking and the installation of No Parking. Therefore, we are recommending the following changes:

The removal of:

“Two-Hour Meter Parking, 9 AM to 9 PM except Sunday”

The installation of:

“No Parking Anytime”

If you have no objection to the above, the legislation will be prepared and subsequently heard at the next Public Safety Committee meeting so that you may support same to final passage.

Dear Alderman Zielinski:

This is in response to a request we received from City of Milwaukee Forestry Department and Aluminum Casting & Engineering Company to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that trucks entering and exiting the loading docks drive over the median island. The installation of this restriction will make it easier to access the loading docks and prevent future damage to the median island. Therefore, we recommend the installation of this parking restriction.

Dear Alderman Donovan:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 17th Street from West St. Paul Avenue to a point south – No Parking
2. South 20th Street from West Mitchell Street to South Muskego Avenue – No Parking
