Project/Program Title: 2005 Environmental Education Grant – Advancing Environmental Education and Outreach in Milwaukee

Grantor Agency: US Environmental Protection Agency

Grant Application Date: July 1, 2005

Anticipated Award Date: June 2005

1. Description of Grant Project/Program (Include Target Locations and Populations):

This grant aims to increase resident participation in the City curbside recycling program and to heighten public awareness of environmental issues. Neighborhoods with low recycling participation/compliance will be identified to receive concentrated educational efforts in conjunction with neighborhood associations, schools and community non-profits. Residential property owners in the challenged neighborhoods will receive Environmental Services "Introduction" packets that detail owner responsibilities concerning environmental issues such as recycling, trash collection, snow and ice removal, weed control and brush/tree maintenance.

2. Relationship to City-Wide Strategic Goals and Departmental Objectives:

Environmental Education and Outreach will assist in keeping Milwaukee's neighborhoods clean and healthy as well as reduce the amount of residential solid waste disposed in city landfills. DPW is committed to improving environmental quality through waste reduction efforts and maintaining the amount of residential solid waste landfilled per capita at 700 lbs. in 2004.
