Re: Recommendations of the Taxicab Review
Board for Amendment of Maximum Allowable
Taxicab Rates and Charges

Dear Committee Members:

As chair of the recently established Taxicab Review Board, I am pleased to submit Substitute 1, Council File # 090152, which reflects the recommendations of the Taxicab Review Board for amending the current maximum allowable taxicab rates and charges.

The Taxicab Review Board, created by Resolution File # 080563, has met 4 times in 2009, most recently on June 26, 2009. The most recent meeting included a public hearing to take testimony relating to recommendations generated by the Board for amendments to taxicab rates and fees. Following the public hearing, the Board discussed and modified these proposals.

I look forward to presenting these proposals to the Public Safety Committee for your consideration. Please feel free to contact me if you have any questions.

Sincerely,

James A. Bohl, Jr.
Chair, Taxicab Review Board
