Motion by Ald. Joe Davis, Sr.

Re: CCFN 060143, Item #3 on Finance Committee Agenda—Ord. To further amend the 2006 offices and positions in the City Service under control of the Common Council.

[Background: Under #16, CCFN 060134, the Dept, of Employee Relations transmitted a report approved by the Fire & Police Commission to reclassify 13 vacant positions of Police Services Specialist, Pay Range 939, to Police Services Specialist-Investigator, Pay Range 465. (The Finance Committee also approved the filling of these 13 reclassified positions under its Vacancy Requests-Schedule A, considered at its July 10 meeting.)]

I move to amend the positions ordinance to reclassify **10** vacant positions of Police Services Specialist, Pay Range 939, to Police Services Specialist-Investigator, Pay Range 465, **instead of 13 positions.**
