KS I understand I must obtain an occupancy permit from the Department of Neighborhood Services and an inspection may be required. Neighborhood Services must advise the License Division of their approval before the license may be issued.

KS I understand the district alderperson will review and either support or object to my application. If he/she objects, I may appeal and be scheduled to appear before the Licenses Committee. The Licenses Committee will then make a recommendation to the Common Council. The Common Council must grant the license before it may be issued.

KS I understand proof of payment for all license fees must be on file in the License Division before the license may be issued and the license must be issued and posted in my establishment prior to opening for business.

KS I will not operate my food business until the license has been issued and posted in the establishment.
