Dear Licenses Committee,

I am doing everything possible to meet the criteria of Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes.

As suggested, a fence will be put up on our property to help control noise. The completion date is June 20, 2007.

We are in the process of changing the main entrance to the front of the building facing Beloit Road, which will be completed by July 11, 2007.

We understand the disturbance of motorcycles, and again, are making every effort to control it. In addition to our "no motorcycles allowed in parking lot" sign, we have added another lot attendant.

In closing, my hopes are that with these changes we will satisfy the Landl Apartment tenants.

Sincerely,

Mathew G. Amann, Agent
