

We, the below, attest that we live within 100' adjacent to the Finlay Development located 107th St and W. Donna Drive. Further, that we are opposed to the re-zoning plans of this Development File# 020856, 020643 and 020855. Since there are no three story structures in the surrounding area, we would strongly encourage any re-zoning to be a two story structure, composed on natural materials, also to be bordered by a berm topped with trees and shrubs. We believe this would help preserve and accent the natural setting of this neighborhood which borders Dredzka Park.
