INSTALL STOP SIGNS ON
WEST LANCASTER STREET AT

Dear Alderman Herron:

Our on-going crash identification and surveillance program indicated a need to investigate the above-captioned intersection for a control change. Our findings show that three crashes have been reported to the Milwaukee Police Department in the 12 months. We, therefore, recommend the above-captioned traffic control change.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

INSTALL STOP SIGNS ON
WEST HERBERT AVENUE AT
WEST COURTLAND AVENUE

Dear Alderman Bohl:

This is in response to your request on behalf of Ms. Diane Lopez to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that a sight obstruction on the northwest corner of this intersection reduces the available safe approach speed. We, therefore, in the interest of public safety, recommend the installation of stop signs on West Herbert Avenue and West Courtland Avenue.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
