 Policy Number: 0009490259
 Cause of Loss: WATER
 Date of Loss: 03/07/2003

Dear M & R PROPERTIES:

I have reviewed your claim and policy concerning the broken water pipe near your property. It appears that this pipe is approximately 90 ft from your residence.

Please note that the section(s) of your policy entitled PERILS INSURED AGAINST at page 3 of 7 states that:

"Unless the loss is excluded in the General Exclusions, we insure for direct physical loss to the property covered caused by:

- 1A. Fire of lightning.
- 1B. Internal Explosion
2. Windstorm or hail
3. Explosion
4. Riot or civil commotion
5. Aircraft
6. Vehicles
7. Smoke
8. Volcanic Eruption
9. Vandalism or malicious mischief

Also, please note the explanation of #3. **Explosion:**

"This peril does not include loss by explosion of steam boilers or steam pipes, if owned or leased by you or operated under your control.

Explosion does not mean:

- a. electric arcing
- b. breakage of water pipes; or
- c. breakage or operation of pressure relief devices.

Since your loss is not listed as one of the named perils covered by your policy, there is no coverage under your policy for the loss. Therefore, your claim is denied.

I wish that I could be of greater assistance to you. Please contact me should you have any questions regarding the company's position.

Sincerely,

American Modern Home Insurance Company

Claims Representative

This coverage does not change the limit of liability that applies to the property being removed.

Fire Department Service Charge. We do not cover fire department service charges if the property is located within the limits of the city, municipality or protection district furnishing the fire department response.

This coverage is additional insurance. No deductible applies to this coverage.
